Two Princes of Mpfumo Lindsay O'Neill,2025-02-13 A fascinating account of two eighteenth century princes from East Africa their travels and their encounters with the British Empire and slavery In 1716 two princes from Mpfumo what is today Maputo the capital of Mozambique boarded a ship licensed by the East India Company bound for England Instead their perfidious captain sold them into slavery in Jamaica After two years of pleading their case the princes known in the historical record as Prince James and Prince John convinced a lawyer to purchase them free them and travel with them to London The lawyer perished when a hurricane wrecked their ship but the princes survived and arrived in England in 1720 Even though the East India Company had initially thought that the princes might assist in their aspirations to develop a trade for gold in East Africa and for enslaved labor in Madagascar its interest waned The princes would need to look elsewhere to return home It was at this point that members of the Royal African Company and the Society for Promoting Christian Knowledge took up their cause in the hope that profit and perhaps Christian souls would follow John would make it home but tragically

The History of the Decline and Fall of the Roman Empire by Edward Gibbon , 1840

The Complete Works of C. H. Spurgeon, Volume 41 Spurgeon, Charles H., Volume 41 Sermons 2394 2445 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth

century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon

An Anthology of Women's Travel Writings Shirley Foster, Sara Mills, 2002 This anthology aims to challenge stereotypes of women travellers Rather than simply presenting writings by Victorian women who travelled bravely around the world disregarding social convention and danger the editors present a range of writing and possible ways of being a woman traveller As well as the eccentric woman traveller the editors have included writings by those who might be seen as failed travellers cautious and conventional travellers and those who did not conform to the adventurous heroine stereotype Because travelling as a woman and writing as a woman presents the author with a number of textual problems which must be negotiated Foster and Mills have chosen to include writings which confronted these problems and which resolved them or did not resolve them in different ways These textual problems include the depiction of other women the representation of spatial relations the negotiations undertaken in relation to the adventure

heroine narrative and character and the position taken by the author in relation to the representation of knowledge These issues are all crucial in relation to travel writing by women and the women whose writing has been collected together in this anthology have made bold decisions in relation to them *History of the decline and fall of the Roman Empire* Edward Gibbon, 1875
