The Penis Chronicles and Other Random Observations. Cheryl Van Hoorn, 2014-09-30 One of the things that I remember most about my mother aside from spitting her false teeth out of the bus window while trying to jettison some gum was her constant chatter In the metronome of the daily walks my mother told me stories She was a brilliant woman strong beautiful and smart Unfortunately for her while loving the man she rebelled against the patriarchy of the society she was born into with the blame of all ills landing squarely in the lap of the not so humble penis I spent my life trying to balance her teachings while chasing down the male race and producing two boys from the perspective I learned at her feet with often hilarious results *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1901 Saturday Review ,1868 "The" Athenaeum ,1896 The Saturday Review of Politics, Literature, Science, Art, and Finance ,1868 The Saturday Review of Politics, Literature, Science and Art ,1868 **Parallel Stories** Péter Nádas, 2011 In 1989 the memorable year when the Wall came down a university student in Berlin on his early morning run finds a corpse lying on a park bench and alerts the authorities This classic police procedural scene opens an extraordinary novel a masterwork that traces the fate of myriad Europeans Hungarians Jews Germans Gypsies across the treacherous years of the mid twentieth century The social and political circumstances of their lives may vary richly their sexual and spiritual longings may seem to each of them entirely unique yet Peter N das s magnificent tapestry unveils uncanny reverberating parallels that link them across time and space Three unusual men are at the heart of Parallel Stories Hans von Wolkenstein whose German mother is linked to dark secrets of fascist Nazi collaboration during the 1940s gost Lippay Lehr whose influential father has served Hungary s different political r gimes for decades and Andras Rott who has his own dark record of dark activities abroad They are friends in Budapest when we eventually meet them in the spring of 1961 a pivotal time in the postwar epoch and in their clandestine careers But the richly detailed dramatic memories and actions of these men like those of their friends lovers and family members range from Berlin and Moscow to Switzerland and Holland from the Mediterranean to the North Sea and of course across Hungary The ever daring ever original episodes of Parallel Lives explore the most intimate most difficult human experiences in a prose glowing with uncommon clarity and also with mysterious uncertainty as is characteristic of Nadas s subtle spirited art The web of extended dramas in Parallel Stories reaches not just forward to the transformative year of 1989 but back to the spring of 1939 with Europe trembling on the edge of war to the bestial times of 1944 45 when Budapest was besieged the final solution devastated Hungary s Jews and the war came to an end and to the cataclysmic Hungarian Revolution of October 1956 But there is much more to Parallel Stories than that it is a daring demanding and very moving exploration of humanity at its most constrained and its most free **The Bookman** ,1907 **The Century Dictionary and Cyclopedia** William Dwight Whitney, 1895 **The Century Dictionary: The Century dictionary** William Dwight Whitney, Benjamin Eli Smith, 1895 **American Book Publishing Record** ,1975 **The Century Dictionary and**
