The Peripatetic Coffin And Other Stories:

The Peripatetic Coffin Ethan Rutherford,2013-05-07 The stories in The Peripatetic Coffin and Other Stories a collection from Ethan Rutherford map the surprising ways in which the world we think we know can unexpectedly reveal its darker contours In stories that are alternately funny persuasive and compelling unforgettable characters are confronted with and battle against the limitations of their lives Rutherford s work has been selected by Alice Sebold for inclusion in the volume of The Best American Short Stories that she edited and also published in Ploughshares One Story and American Short Fiction

Farthest South & Other Stories Ethan Rutherford,2021-04-21 A baby is born with gills Foxes raise and then lose a human child A man in the final throes of his deathbed fever dream experiences a cross Antarctic voyage The stories in Furthest South the second story collection from renowned writer Ethan Rutherford find characters in the most unexpectedly menacing of circumstances in which their sanity happiness and safety are put to the test Formally ambitious with an eye toward the strange with a inimitable style all Rutherford s own each story is nonetheless firmly grounded by a deep human concern the anxiety of family connection and humanity

North Sun Ethan Rutherford,2025-03-11 From one of our great artists of catastrophe Laura van den Berg comes North Sun or the Voyage of the Whaleship Esther an allegory of extraction and a tale of adventure and endurance during the waning days of the American whaling industry Setting out from New Bedford in 1878 the crew of the Esther is confident the sea will be theirs in addition to cruising the Pacific for whale they intend to hunt the teeming northern grounds before the ice closes But as they sail to their final destination in the Chukchi Sea where their captain Arnold Lovejoy has an urgent directive of his own to attend to their encounters with the natural world become more brutal harrowing ghostly and strange With one foot firmly planted in the traditional sea voyage narrative and another in a blazing mythos of its own this debut novel looks unsparingly at the cost of environmental exploitation and predation and in doing so feverishly sings not only of the past but to the present and future as well Women are strange,

and other stories Frederick William Robinson,1883

The Almond in the Apricot Sara Goudarzi,2022-02-15 Emma had the perfect trifecta a long term job as an engineer designing sewers a steady relationship with her reliable boyfriend and an adoring and creative best friend about whom she wasn t quite ready to admit her unrequited feelings Then early one morning a phone call changed her world forever Now she s having nightmares that threaten to disrupt the space time continuum nightmares of hiding from bombs in basements of glass shattering from nearby explosions But these disturbing dreams in which she inhabits the body of a young girl named Lily seem all too real and Emma s waking life begins to be affected by the events that transpire in this mysterious wartime landscape Convinced she has been given a chance to save a life Emma tries to rescue Lily from heartache but ultimately it is through Lily that Emma finds her way back The Almond in the Apricot navigates connections formed across space and time and explores love grief and the possibility that the universe might be bigger than either Emma or Lily ever imagined
