Discipling Discipline in the Christian School Paul V. Bickel,2009-08 *DISCIPLING DISCIPLINE IN THE CHRISTIAN SCHOOL* was written for dedicated Christian teachers to help them focus on the singular opportunity they have in touching the eternal souls and spiritual lives of God's young people This book is a call to all Christian teachers to be as effective as possible in preparing young people for a life of discipleship The readers will find foundational building blocks and practical strategies that enable them to be successful in carrying out the mission and ministry of any Christian school The author offers antidotes to secular trends that stifle the goals of Christian instruction This Bible based hands on approach to discipline can be useful to the novice as well as the veteran teacher At the end of each chapter the book intended to be used as a study guide poses questions that can be worked through alone or with colleagues Reverend Bickel has a wealth of experience in the field of Christian education He is the third generation in a family of educators associated with the Lutheran Church Missouri Synod He attended a Christian school

from his earliest days and now teaches in a Lutheran High School As an ordained pastor he has always served churches that provided Christian day schools and Sunday schools He received his undergraduate degree in education from Concordia Teachers College in Seward Nebraska and his Masters of Divinity from Concordia Theological Seminary in Fort Wayne Indiana He has served as pastor principal coach athletic director choir director and religion department chair His heart is in the classroom and his devotion is to Jesus Christ and the young Christians who need to hear the Good News His desire is to extend God s kingdom through education using Jesus example as the Master Teacher Becoming a Disciple of Jesus John Sandoz,2018-10-15 Christian growth is a deeply personal and spiritual choice that recognizes our unending need for Jesus not only as Savior but also as LORD over our lives That recognition sometimes comes after losing the things that seemed to matter most and humbly acknowledging before God that we need a new life and not just a better version of the old life which produced little of lasting value Discipleship is not and never can be a self improvement program because self is actually a big part of the problem Transforming our lives is not something we can do because even on our best days our sin nature opposes such transformation As the Apostle Paul said For the good that I wish I do not do but I practice the very evil that I do not wish Rom 7 19 Our only hope for real change resides in Jesus assurance that what is impossible for man is possible for God Becoming a Disciple of Jesus provides a year in Christian growth composed of fifty two weekly lessons that develop both our vertical relationship with God and our horizontal relationships with others through the works of faith which God has prepared for us Each work of faith is accomplished by our belief in the Holy Spirit s ability to transform us into instruments of God s peace and love Over time this truth becomes both our heart s desire and a glorious reward as we gain freedom from the negative thought patterns and behaviors that previously governed our lives Paradoxically admitting the things we struggled with to God unleashes His healing presence at a deep heart level As beings created in His image we all resemble partially completed sculptures God the Master Sculptor removes our undesirable traits so we can become complete as the persons He made us to be able to use our God given gifts to glorify Him as shining examples of His love **Discipling Nations** Darrow L. Miller,Stan Guthrie,2001-08 The power of the gospel to transform individual lives has been evident throughout New Testament history But what of the darkness and poverty that enslave entire nations Miller builds a powerful convincing thesis that God s truth can free whole societies from deception and poverty Excellent study of worldviews **Discipling the Flock** Paul Tautges,2018-06-08 Discipling the Flock is a short book to help church leaders bring about heart based change in the lives of the people they shepherd through the personal ministry of the Word Here is an urgent appeal to return to authentic discipleship here is a call to shepherds to be tenacious in their preaching of the whole counsel of God and tender in their application of its truth to the lives of God s sheep through their personal ministry Discipling the Flock calls church shepherds to joyfully embrace Christ s calling to feed my sheep and explains the personal application of the Great Commission the DNA of a Disciple chad lynn,2010-12-17 The DNA of a Disciple is a book about how to be the

Discipleship by Design Harvey A. Herman, 2008-08-06 As Jesus walked beside the Sea of Galilee he saw Simon and his brother Andrew casting a net into the lake for they were fishermen Come follow me Jesus said and I will make you fishers of men The relationship between Jesus and these brothers started with the simple words Come follow me In essence a disciple of Jesus is a follower Eventually Jesus twelve followers will change the world However it is an inconspicuous and unremarkable beginning for an eventual team of world changers don t you think How will an assortment of unschooled ordinary men be transformed into courageous and substantive heralds in just three short years Transformation complete and deep seated transformation is the answer How does a total metamorphosis take place within a new follower Jesus discipleship begins with a personal relationship and an invitation to join a missional community Before followership is a program it is a leadership development process experienced within a culture This book seeks to initiate a dialogue on how to foster a culture of discipleship No program can fulfill The Great Commission However a community of believers committed to transforming the world through the process of disciple making can Harvey A Herman is a missionary serving university students Over the previous three decades he pioneered five campus groups pastored a university church in Seattle and served on the national staff of Chi Alpha Christian Fellowship Presently he serves as area director over the Northeast His doctorate is in strategic leadership and organizational management
