THIRTIETH DIVISION

HENRY D. RUSSELL

The Purge Of The Thirtieth Division

William Stuart Nance

The Purge Of The Thirtieth Division:

The Purge of the Thirtieth Division Henry Drummond Russell, 195? Purge of the Thirtieth Division Henry D. Russell, 2014-11-15 The Purge of the Thirtieth Division by Major General Henry Dozier Russell is the only known written work by any of the eighteen National Guard division commanders mobilized in 1940 and 1941. It chronicles from a National Guard perspective many of the challenges and growing pains experienced by the Army in the critical months leading up to its entry into World War II. Through Russell, the reader gains insight into the vast cultural differences between the Regular Army and the National Guard at the time. Russell's memoir offers an invaluable source of a commander's first-hand account of how his division trained and fared during the 1940 Louisiana Maneuvers and 1941 Tennessee and Carolina Maneuvers respectively in its preparation for overseas deployment. The narrative also contains a compelling account of the relations and tensions between Regulars and National Guardsmen. It was a scathing indictment of the Regular Army high command for what he perceived to be unfair treatment of National Guard officers during World War II. He cited many examples to bolster his claims and contended that the U.S. Army under Chief of Staff George C. Marshall was out to get the Thirtieth Division and other National Guard divisions. He further contended that the Army believed that a non-Regular officer should not advance beyond the grade of lieutenant colonel. His memoir, which he privately printed, pulled no punches. His first-hand account was very critical of how a number of senior Regular Army officers handled affairs with his division that led to his relief as the division commander. Russell completed his memoir in 1947 and subsequently printed 500 copies which he distributed to senior National Guard officers. He did not sell any of the books nor were they intended for or made available to the general public. Although there was a demand for additional copies, he did not print any more. The republication of *The Purge of the Thirtieth Division* is intended to expand the scholarship on the history of World War II and the history of the U.S. Army.

The Purge of the Thirtieth Division Henry Dozier Russell, 2014. The Purge of the Thirtieth Division is the only known account by any of the eighteen National Guard division commanders mobilized in 1940 and 1941. Russell's memoir provides not only a first-hand look into the training of National Guard units in preparation for World War II but also offers a scathing indictment of the Army high command for unfair treatment of National Guard officers. Featuring commentary from a recently retired Army National Guard general, this republication of Russell's privately printed memoir sheds new light on a controversial chapter of the U.S. Army as it prepared to enter the war.

Armies, Corps, Divisions, and Separate Brigades, 1999. Includes the lineages and honors for all armies, corps, divisions, and separate combined arms brigades in order to perpetuate and publicize their traditions, honors, and heraldic entitlements organized under Tables of Organization and Equipment that have been active in the Regular Army, Army Reserve, and Army of the United States since the beginning of World War II. Included in this edition is the 12th Infantry Division, formerly the Philippine Division, which did not appear in the earlier one. The lineages are current though 1 October 1997. Brigade headquarters and headquarters companies or headquarters except for aviation and engineer

brigades organic to the above mentioned combat divisions since ROAD Reorganization Objective Army Divisions in the early 1960s have also been incorporated Divisional aviation and engineer brigades are branch specific and therefore have been omitted The lineages and honors for Army National Guard divisions and separate combined arms brigades that were active on 1 October 1997 are also included Preface **Armies, Corps, Divisions, and Separate Brigades**, 1987 **Civilian in Peace, Soldier in War** United States. Department of the Army, 1967 *Army History*, 2014 *Commanding Professionalism* William Stuart Nance, 2023-10-03 When one thinks of influential World War II military figures five star generals such as Dwight D Eisenhower and Omar Bradley instantly come to mind As important as these central figures were to the Second World War the conflict produced equally effective lower profile leaders whose influence had an undeniable impact Among these leaders are William Simpson commander of the US Ninth Army and James Moore his chief of staff Working in tandem the pair helmed a unit that gained recognition as uncommonly normal an affectionate designation driven by their steadfast professionalism in all endeavors It was their unobtrusive leadership style that relegated these career military men to the footnotes of military history *Commanding Professionalism* Simpson Moore and the Ninth US Army corrects this historical oversight by examining the achievements of these overlooked heroes Focusing on Simpson and Moore's careers from 1940 through the end of World War II author William Stuart Nance recounts the pair's working relationship Together they successfully maneuvered through the squabbling of the American and British forces and developed an army admired for its consistency of conduct and military prowess capable of resisting the complex external and political machinations of the time Simpson and Moore's unflinching devotion to the greater good and their steady handle on the dynamics of command staff relationships proved essential to the war effort and its ultimate success Their example Nance argues remains aspirational and worthy of emulation in the military command structure of today *Arn's War* Edward C. Arn, 2006 Arn writes in a straightforward and engaging manner that avoids false sentimentality or romanticism Instead he gives readers keen insights into the daily life of soldiers locked in gruesome events far beyond their experience and describes how it feels to be under fire to suffer a wound to agonize over the deaths of friends to endure true suffering to sacrifice and to survive Edited and annotated by Jerome Mushkat this memoir is an account of a citizen soldier who survived his baptism by fire during World War II **BOOK JACKET** *Mobilizing the South* Christopher M. Rein, 2022-08-23 Throughout its history the United States has fought its major wars by mobilizing large numbers of citizen soldiers While the small peacetime regular army provided trained leadership and a framework for growth the citizen soldier from the minuteman of the American Revolution to Civil War volunteers and the draftees of World War II have successfully prosecuted the nation's major wars But the Army and the nation have never fully resolved the myriad problems surrounding the mobilization and employment of reserve troops National Guard divisions in World War II suffered from neglect during the interwar period and Great Depression and regular Army commanders often replaced or relieved National Guard officers which generated lingering

resentment At the same time draftees from across the nation diluted the regional affiliations of many units with a corresponding effect on morale and esprit de corps Chris Rein's study of one division recruited from the Gulf South and employed in the Southwest Pacific Theater in 1944 and 1945 highlights the challenges of reserve mobilization training and the combat deployment of National Guard units His account demonstrates the still strong connections between the local communities that hosted and supported National Guard companies before the war even after an influx of new personnel nationalized the units and they shipped overseas The 31st Division reorganized after combat deployment in World War I consisted primarily of infantry regiments from Florida Alabama Mississippi and until 1942 Louisiana Mobilized for federal service in late 1940 the division participated in the critical Louisiana and Carolina Maneuvers in 1941 but then languished for the next two years as a training organization though it provided trained cadres and replacements for other divisions the Army deployed to Europe and the Pacific In 1944 the division finally shipped overseas enduring the brutal conditions in the Southwest Pacific but successfully conducting landings on the New Guinea coast in support of Gen Douglas MacArthur's island hopping campaign directed at liberating the Philippines After a change in leadership on the second day of the amphibious assault on Morotai the division supported the liberation of Mindanao the southernmost major island in the archipelago before redeploying for demobilization at the end of 1945 Rein's study traces the division's decades of duty from the interwar period when it contended with a series of devastating natural disasters through its mobilization and combat deployment However within the 31st Division's story there are several significant issues that remain highly relevant for reserve deployment today The first centers on the issue of World War II era National Guard leadership The Army implemented a purge of overage and less competent National Guard division commanders in order to replace them with younger officers of the regular Army Maj Gen John C Persons a pre war Birmingham resident and Alabama National Guard officer commanded the division throughout the peacetime mobilization and training and the first operation in New Guinea only to be summarily fired on the second day of the Morotai landings an action not adequately explained in the existing literature The second issue concerns the Army's nationalization of regional units While this policy has the benefit of spreading any casualties across the nation rather than duplicate the horrific losses of the Bedford Boys of the 29th Infantry Division that devastated one small Virginia community it also erodes regional identity and esprit de corps This work is a case study of the strength and weaknesses of units with a regional identity and explores the connections with the home front once that identity erodes It also examines the Dixie Division's operational and strategic evolution but just as importantly details drawn from soldiers correspondence and oral histories to show how their exposure to a larger world including service alongside African American and Filipino units changed their views on race and post war society Guard Wars Michael E. Weaver, 2010-10-29 An inventive study of relations between the National Guard and the Regular Army during World War II Guard Wars follows the Pennsylvania National Guard's 28th Infantry Division from its peacetime status through training and

into combat in Western Europe The broader story spanning the years 1939 1945 sheds light on the National Guard the U S Army and American identities and priorities during the war years Michael E Weaver carefully tracks the division s difficult transformation into a combat ready unit and highlights General Omar Bradley s extraordinary capacity for leadership which turned the Pennsylvanians from the least capable to one of the more capable units a claim dearly tested in the Battle of the H 1 4rtgen Forest This absorbing and informative analysis chronicles the nation s response to the extreme demands of a world war and the flexibility its leaders and soldiers displayed in the chaos of combat

Black, White, & Olive Drab Andrew H. Myers, 2006 One of the first Army bases to implement on a large scale President Truman s call for racial integration of the armed forces Fort Jackson South Carolina quickly took its place in the Defense Department s official history of the process What reporters and later on historians overlooked was the interaction between the integration of Fort Jackson and developments in particular the civil rights movement in the wider communities in which the base is situated In **Black White and Olive Drab** Andrew H Myers redresses this oversight taking a case study approach Myers meticulously weaves together a wide range of official records newspaper accounts and personal interviews revealing the impact of Fort Jackson s integration on the desegregation of civilian buses schools housing and public facilities in the surrounding area Examining the ways in which commanders and staff at the installation navigated challenges over racial issues in their dealings with municipal authorities state politicians federal legislators and the upper echelons of the military bureaucracy Myers also addresses how post leaders dealt with the potential for participation in civil rights demonstrations by soldiers under their command Original and provocative **Black White and Olive Drab** will engage historians and sociologists who study military social relations the civil rights movement African American history and the South as well as those who are interested in or familiar with basic training or the American armed forces

Hitler's Nemesis Walter S. Dunn Jr., 2009-02-02 Details on the Soviet infantry armor artillery and cavalry formations that waged World War II on the Eastern Front Fills a major gap in our understanding of the Red Army Based on painstaking archival research **Hitler s Nemesis** traces the development of the Russian army in reaction to the rise of Hitler Germany s invasion of the Soviet Union in June 1941 and the progression of World War II over the following four years Caught by surprise in 1941 the Red Army teetered on the brink of destruction before bouncing back to defend Moscow defeat the Germans at Stalingrad and Kursk and annihilate the German Army in 1944 45 This is the story of how the Soviets staged this miraculous turnaround

After D-Day James Jay Carafano, 2008-06-13 After storming the beaches on D Day June 6 1944 the Allied invasion of France bogged down in seven weeks of grueling attrition in Normandy On July 25 U S divisions under Gen Omar Bradley launched Operation Cobra an attempt to break out of the hedgerows and begin a war of movement across France Despite a disastrous start with misdropped bombs killing hundreds of GIs Cobra proved to be one of the most pivotal battles of World War II successfully breaking the stalemate in Normandy and clearing a path into occupied France

GI Ingenuity James Jay Carafano, 2006-07-30 World War II saw the first generation of young

men that had grown up comfortable with modern industrial technology go into combat As kids the GIs had built jalopies in their garage and poured over glossy full color issues of Popular Mechanics they had read Buck Rogers in the Twenty Fifth Century comic books listened to his adventures on the radio and watched him pilot rocket ships in the Saturday morning serials at the Bijou Tinkerers problem solvers risk takers and day dreamers they were curious and outspoken a generation well prepared to improvise innovate and adapt technology on the battlefield Since they were also a generation which had unprecedented technology available to them their ability to innovate with technology proved an immeasurable edge on the field of combat This book tells their story through the experience of the battle of Normandy bringing together three disparate brands of history 1 military history 2 the history of science and technology and 3 social economic cultural and intellectual history All three historical narratives combine to tell the tale of GI genius and the process by which GI ingenuity became an enduring feature of the American citizen soldier GI Ingenuity is in large part an old fashioned combat history with mayhem and mass slaughter at center stage It tells the story of death and destruction on the killing fields of Normandy as well as the battlegrounds that provide the prologue and postscript to the transformation of war that occurred in France in 1944 This story of GI ingenuity moreover puts the battles in the context of the immense social economic scientific and technological changes that accompanied the evolution of combat in the twentieth century GI Ingenuity illustrates the great transition of the American genius in battle from an industrial age army to a postmodern military And it does it by looking at the place where the transition happened on the battlefield

Part-Time Soldiers Andrew Lewis Chadwick, 2023-11-24 In Part Time Soldiers Andrew Lewis Chadwick offers the first in depth historical study of the development and evolution of modern army reserve forces In doing so he explores how a confluence of military political and socioeconomic developments since the First World War has forced armies preparing for major war to increase their dependence on reservists part time soldiers who reinforce or augment professionals or conscripts in wartime for critical and routine military tasks At the same time he shows how these developments placed tremendous stress on the industrial era reserve policies and structures that armies continue to use today For example reservists training for less than thirty days a year have struggled to keep up with the increasingly high skilled character of modern warfare as evidenced by the poor performance of reservists in the world wars and most recently the ongoing Russia Ukraine War Chadwick primarily examines these developments in the cases of the US Army National Guard and the Israel Defense Forces IDF Army Reserve given that unique geopolitical conditions have forced the United States and Israel to frequently employ reservists in combat over the past century These cases which Chadwick explores using archival and secondary sources reveal how armies using two different reserve models the former built around volunteers and the latter around discharged conscripts have attempted to mitigate the challenge of maintaining combat ready reservists in the era of high tech and high skilled warfare By doing so Chadwick identifies an enduring and often overlooked problem facing contemporary defense policymaking how does one build and maintain effective army reserve forces at an affordable

cost without causing undue stress on reservists civilian lives *Bridge in the Parks* Dennis G. Molinaro,2021-08-06 The Bridge in the Parks examines how security and counter intelligence functioned during the early Cold War The Rise of the G.I. Army, 1940-1941 Paul Dickson,2022-03-30 A must read book that explores a vital pre war effort with deep research and gripping writing Washington Times In The rise of the G I Army 1940 1941 Paul Dickson tells the dramatic story of how the American Army was mobilized from scattered outposts two years before Pearl Harbor into the disciplined and mobile fighting force that helped win World War II In September 1939 when Nazi Germany invaded Poland and initiated World War II America had strong isolationist leanings The US Army stood at fewer than 200 000 men unprepared to defend the country much less carry the fight to Europe and the Far East And yet less than a year after Pearl Harbor the American army led the Allied invasion of North Africa beginning the campaign that would defeat Germany and the Navy and Marines were fully engaged with Japan in the Pacific Dickson chronicles this transformation from Franklin Roosevelt s selection of George C Marshall to be Army Chief of Staff to the remarkable peace time draft of 1940 and the massive and unprecedented mock battles in Tennessee Louisiana and the Carolinas by which the skill and spirit of the Army were forged and out of which iconic leaders like Eisenhower Bradley and Clark emerged The narrative unfolds against a backdrop of political and cultural isolationist resistance and racial tension at home and the increasingly perceived threat of attack from both Germany and Japan **Journal of the Common Council, of the City of Philadelphia, for ...** ,1880 **Military Review** ,2003

Reviewing **The Purge Of The Thirtieth Division**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**The Purge Of The Thirtieth Division**," an enthralling opus penned by a highly acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

The Purge Of The Thirtieth Division Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Purge Of The Thirtieth Division has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Purge Of The Thirtieth Division has opened up a world of possibilities. Downloading The Purge Of The Thirtieth Division provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Purge Of The Thirtieth Division has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Purge Of The Thirtieth Division. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Purge Of The Thirtieth Division. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Purge Of The Thirtieth Division, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In

conclusion, the ability to download The Purge Of The Thirtieth Division has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Purge Of The Thirtieth Division Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Purge Of The Thirtieth Division is one of the best book in our library for free trial. We provide copy of The Purge Of The Thirtieth Division in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Purge Of The Thirtieth Division. Where to download The Purge Of The Thirtieth Division online for free? Are you looking for The Purge Of The Thirtieth Division PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Purge Of The Thirtieth Division. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Purge Of The Thirtieth Division are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites

catered to different product types or categories, brands or niches related with The Purge Of The Thirtieth Division. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Purge Of The Thirtieth Division To get started finding The Purge Of The Thirtieth Division, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Purge Of The Thirtieth Division So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Purge Of The Thirtieth Division. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Purge Of The Thirtieth Division, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Purge Of The Thirtieth Division is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Purge Of The Thirtieth Division is universally compatible with any devices to read.
