Peterson, 1997-06-27 Subversive Spirituality is a gathering together of articles written by Eugene Peterson over the past twenty five years Made up of occasional pieces short biblical studies poetry pastoral readings and interviews this book reflects on the overlooked facets of the spiritual life Peterson captures the epiphanies of life with the pleasing pastoral style and inspiring depth of insight for which he is well known Peterson describes his book this way The gathering of articles and essays poems and conversations is a kind of kitchen midden of my noticings of the obvious in the course of living out the Christian life in the vocational context of pastor writer and professor The randomness and repetitions and false starts are rough edges that I am leaving as is in the interests of honesty Spirituality is not by and large smooth I do hope however that they will be found to be freshly phrased *Come, Holy Spirit* Karl Barth, Eduard Thurneysen, 2010-02-01 These sermons were prepared from 1920 to 1924 Professor

Barth preached some of them while he was minister of the Reformed congregation in Safenwil Canton Aargau Switzerland others in the Reformed Church in Goettingen while he was professor of theology in the University Pastor Thurneysen at that time preached to the congregation in Bruggen near St Gall Switzerland The sermons were written not for special occasions but for the regular Sunday morning service and were addressed to such men and women as one will find in any village or city church to men and women in the struggle for life waiting and seeking for God Pastor Thurneysen selected the sermons and arranged them according to a scheme that may be indicated by the words Promise Christ Christian Living from the Translator s Preface

The Holy Grail Arthur Edward Waite,2006-01-01 The Grail legend is the centerpiece of Arthurian literature and this classic work by the renowned scholar Arthur Edward Waite ranks among the most informative and profound books ever written on the subject While the myths surrounding the Holy Grail are seemingly in harmony with orthodox religion Waite reveals that beneath their pious surface they are as subversive as any other form of mysticism illustrating the symbolic nature of doctrinal teachings no more intended for literal interpretation than is any fiction With this informative study Waite restores the full and true meaning of the knightly quests for honor and adventure as journeys of the soul

The Holy Hand Grenade Thomas J. Gilroy,2013-05 Have you been thwarted in your quest to find your life s passion Has something or someone maybe even yourself blocked you from discovering who you really are your gift what you seek Then you need The Holy Hand Grenade Napoleon Hill said Desire is the starting point of all achievement Solomon said Hope deferred makes the heart grow sick but desire fulfilled is a tree of life Yet many people go through life with no real hope desire or passion and have hearts that are sick It doesn t have to be that way Jesus said I came that you may have life and have it abundantly Don t you want an abundant life Many books have tackled different aspects of who you are what your gift is and what you seek but none has really covered them completely enough to help you until now The Holy Hand Grenade is not just good information but real answers and applications for what you really want REALLY If desire passion and purpose are what you need then The Holy Hand Grenade belongs in your arsenal

Relics of the Christ Joe Nickell, 2007-03-16 Religious relics defined as either portions of or objects connected with the body of a saint or other holy person are among the most revered items in the world Christian relics such as the Holy Grail the True Cross and the Lance of Longinus are also the source of limitless controversy Such items have incited people to bloodshed and some say have been a source of miracles Relics inspire fear and hope among the faithful and yet are a perennial target for skeptics both secular and Christian To research the authenticity of numerous Christian relics Joe Nickell takes a scientific approach to a field of study all too often tainted by premature conclusions In this volume Nickell investigates such renowned relics as the Shroud of Turin the multiple heads of John the Baptist and the supposedly incorruptible corpses of saints first examining the available evidence and documented history of each item From accounts of true believers to the testimony of the relics alleged fabricators Nickell then presents all sides of each story allowing the evidence to speak for itself For each relic Nickell evaluates both the corroborating and contradictory bodies of evidence and explores whether the relic and attributed miracles can be reconstructed In addition to his own experiments Nickell presents findings from the world's top scientists and historians regarding these controversial objects of reverence and ire explaining the circumstances under which each case was examined Radiocarbon dating and tests to determine the validity of substances such as blood or patina indicate a variety of possible origins Nickell even reveals some of the techniques used to create archaeological forgeries and explains how investigators have exposed them Each relic is a mystery to be solved guided by the maxim extraordinary claims require extraordinary proof Nickell seeks only the truth

[The Mysteries of the Holy Grail](#) Rudolf Steiner, 2013-05-16 From the ancient British tales of King Arthur and his knights through the medieval Central European sagas of Parzival right up to modern day blockbuster novels and films the Grail has long maintained its enigmatic presence in western culture It is said to be many things a lost and priceless treasure the chalice cup of the Last Supper the cup that caught Jesus Christ's blood from the cross on Golgotha or even a secret royal bloodline Basing his presentations on far reaching spiritual research Rudolf Steiner gave profoundly esoteric multifaceted insights into the mysteries of the Holy Grail Collected together for the first time in a single volume together with commentary and notes these passages offer vivid tableaux with a multiplicity of meanings a story that speaks to the human soul with a depth and complexity that intellectual interpretations alone cannot begin to fathom Just as Parzival had to encounter and engage with veils of illusion and valleys of shadow and doubt Rudolf Steiner presents us with a similarly challenging path This book is more than a treasure of thought and insight it invites us to embark on a personal quest to develop the abilities and vision required for grasping the elusive

Listening to the stories of children helps us to understand how children make meaning out of God's presence and reveals tools that children use as they claim their faith. With this knowledge adults can then better promote and encourage children's spiritual growth. Offering a theology of childhood *Holy Work with Children* values the child's role in the Body of Christ and God's transformative work. Dr. Campen invites readers to consider: How does listening to children teach us about God and faith formation? What wisdom and insight do children offer to all of us by how they seek understanding of God and God's presence in their lives? How can we guide and support the children in our communities in this work? Drawing on direct research with children as they think theologically, this book extends both theological and educational research. *Holy Work with Children* offers practical examples for how congregational leaders, parents, and those who journey with children can encourage and guide them as they make theological meaning and discover ways to respond to God's grace and love, making a difference in their communities and the world. **Walking in Alignment With the Leading of the Holy Spirit** Gloria Austine, 2023-09-30 In *Walking in Alignment With the Leading of the Holy Spirit*, journey with us into the profound realms of spiritual growth and divine guidance. From understanding the fundamental role of the Holy Spirit in our lives to recognizing His voice amidst the noise of the world, this book is a comprehensive guide to aligning with the Spirit's leading. Discover how inner transformation through humility, surrender, and mind renewal paves the way for a receptive and obedient heart that welcomes the Holy Spirit's guidance. Explore the power of prayer and fasting as tools to strengthen your spiritual alignment and gain insight into navigating life's decisions, finding faith in the midst of challenges, and experiencing the life-changing fruits of alignment. Learn how alignment with the Holy Spirit is not just an individual journey but a call to serve others, fostering compassion, kindness, and a commitment to social justice. In the final chapters, gain practical advice on sustaining and deepening alignment, ensuring that this journey continues long after you finish reading. Embrace a life aligned with the Holy Spirit, your path to personal transformation, inner peace, and a deeper connection with God. **The Jesus Way** Eugene Peterson, 2011-10-27 An inspiring book on the spirituality of following Christ. Continuing Peterson's major evaluation of contemporary Christian spirituality, *THE JESUS WAY* asks what it means to authentically follow Christ in the modern world. As with other books in the series, *THE JESUS WAY* is written for both academic and serious lay audiences. Challenging but rewarding, it combines first-rate scholarship with illustrations drawn from raw human experience. Also available in the Spiritual Theology series: *Christ Plays in Ten Thousand Places*, *Eat This Book*, *The Word Made Flesh*, and *Practise Resurrection*.
