Miller,2005-11-13 THE SPIRITUAL DREAM One day in the 21st Century God went unto Noah who was living in the U S in Harlem NY and said Again the earth has become wicked Build another Ark and save 2 of every living thing and a few good humans He gave Noah instructions You have 6 months to build it before I start the storms Six months later God looked down and saw Noah weeping in his yard but no Ark Noah He roared Where is the Ark Forgive me God begged Noah but I needed a building permit I ve been arguing with the code inspector I know you want decent humans so I tried to test for those who are reasonably healthy This will take a long time because most are filled with drugs of one kind or another And if all that is not enough the Dept of Homeland Security has me under investigation for plotting to kidnap citizens And you may have heard about the pathetic way FEMA handled the folks in the Super Dome after a hurricane FEMA won t let me do any type of rescuing So forgive me Great One but it would take at least 10 years for me to finish this Ark Suddenly a rainbow stretched across the sky Noah looked up in wonder and asked You re not going to destroy the world No said God This is a new situation red tape beat me to the punch Renewal may require a more ancient solution *Mysteries of the Universe* C. Carter,2010-05 In this book Charles Carter 1887 1968 shows how the Zodiac of twelve constellations describes an ideal world In other words how the soul the ideal reveals itself in astrological terms In the process Carter invents a new form of rulerships based on the traditional exaltations which includes the outer planets Carter also teases us with his unpublished system of numerology which was based on 12 rather than the usual 10 As astrology is based around the numbers 2 3 4 and 12 not 5 or 10 a base 12 number system is of immediate interest Realizing his subject was abstract and unlikely to appeal to all Carter also includes innovative ideas on directing and on transits The result is a book that fascinates on many levels Charles E O Carter one of the leading astrologers of the 20th century was President of the Astrological Lodge at the Theosophical Society from 1920 to 1952 He was first Principal of the Faculty of Astrological Studies which he helped found in 1948 He edited The Astrologer s Quarterly from 1926 until 1959 The Zodiac and the Soul was first published in 1928 with revisions in 1947 1960 and 1968 the year of his death *Combating the Lies of Satan* Shirley White,2013-04 Satan is on a rampage he has inundated our world with a multiplicity of dangerous lies and is convincing men to feast on them while rejecting God s holy Word However even though Satan s concocting these lies man is not an innocent party to this deception Satan may be spreading lies but man entertains them of his own volition and perpetuates them Man is electing to reject God and the doctrinal teachings of the Bible he prefers to indulge teachings that agrantly contradict Scripture Man is Satan s accomplice he is complicit and culpable because he disregards the Word of God and chooses lies over truth Average people have no clue they re being deceived by a clever and diabolical spirit Satan s deception and cleverness are so astute that he s convinced many to believe the lie that he doesn t exist However he does exist and the purpose of this book is to expose him his lies and his deceptions and to expose refute and combat the numerous deadly lies so prevalent in our world today that many have embraced Much in this book will be seen by many as controversial and politically incorrect but this book is factual and biblically sound it will equip you with knowledge and insights from the Word of God to prevent you from falling prey to Satan s deceptions God loves you Jesus died for you and it is my prayer that you carefully consider and investigate everything in this book and make the crucial decision to believe God and His Word versus Satan and his lies **Sacred Strands: The Story of a Redeemer Woven Through History** Lois Clymer,2021-02-08 Christianity did not begin in Bethlehem The sacred promise of a redeemer was known to ancient people We can find it written not only in Genesis of the Bible but also in the early constellations and myths of ancient people We also find it among artifacts and early worship practices We can see that Christianity was not borrowed from pagan myths and mysteries but rather those myths and mysteries contain a knowledge though imperfect of a redeemer known from the earliest ages This knowledge has flowed from the very beginning of history **Beneath the Surface** David

Puffer,2010-05-14 Within the pages of the Bible God has placed pictures of the promise that He made to Adam in Eden This is the Gospel the good news that a Savior would come and restore to man what the Devil had stolen These pictures can be found beneath the surface of many of the events and personages of the Old Testament The purpose of this book is to reveal these pictures and to move the reader beyond the historicity and morality of the Word of God as important as those are and to show that the Bible is a truly supernatural document without equal in the sacred texts of the worlds religions It is the glory of God to conceal a thing but the honour of kings is to search out a matter Proverbs 25 2
