The Reason For God Study Guide:

How to Reach Your Full Potential for God Charles F. Stanley, 2009-12-28 Are you ready to experience God's best? In *How to Reach Your Full Potential for God*, best-selling author, teacher, and pastor Charles F. Stanley laid out seven essentials to an abundant life: the life of purpose that God planned specifically for you. The *How to Reach Your Full Potential for God Study Guide* takes you even deeper into biblical text to understand your unique role in the Father's kingdom. To help you, there are *Think About Today*, *Think About God*, and *Think About the Future* sections to unpack the present plan for the future and discover God's purpose through it all. Bible passages to go deeper into the message of the book. A variety of questions, checklists, and writing exercises to unveil what Scripture teaches about your potential. And personal questions to help you discover more about your spiritual journey toward God's best. Dr. Stanley says, "You are not here by accident. You are here to accomplish a job that God assigned to you from eternity past. If you settle for less than God's best in your life, the world will lose your contribution, and you will miss the exhilaration of reaching your full potential." Chapter by chapter in this study guide, Dr. Stanley makes the biblical path to fulfilling your God-given potential clear, practical, and inspiring. Complete these exercises and find new vistas of joy, peace, and love that your heavenly Father has waiting for you. This study guide is designed to work with an individual or group interested in seriously studying the Bible with the help of that book. Many Christians have doubts about the reality of God. Attacks, especially in the realm of science, have many questioning whether the God of the Bible is real. Without getting bogged down in the science, Mr. Webster provides simple assurance that the God of Christianity is the only real God. But the God of Christianity has gained a terrible reputation, and these books address how understanding the biblical message from God's perspective reveals a God who really is good and wonderful and even exciting. Mr. Webster addresses misunderstandings about Christian love and the nature of sin, saving faith, Christian hope, heaven, God's plan, the role of suffering, the role of prayer, the role of Christian forgiveness, and the role of the church, taking the reader back to the Bible over and over to show that Christianity was always meant to be exciting and good.
