## **The Return Of Merlin:**

The Return Of Merlin Deepak Chopra, 2010-08-31 THE RETURN OF MERLIN is a brilliantly realized narrative that begins in Arthurian times and boldly to our own twentieth century dark age of war pollution predation and hatred Gripping from beginning to end it is an inspiring saga with a deeper message that millions of receptive readers will take to their hearts Just as we each hold within us the wisdom to heal the body within our collective psyche is the invincible power to create a new age of chivalry and honour magic and glory The Return of Merlin Deepak Chopra, 1995-08 **The Return of King**

**Arthur** Beverly Taylor, Elisabeth Brewer, 1983 The revival of interest in Arthurian legend in the 19th century was a remarkable phenomenon apparently at odds with the spirit of the age Tennyson was widely criticised for his choice of a medieval topic yet The Idylls of the King were accepted as the national epic and a flood of lesser works was inspired by them on both sides of the Atlantic Elisabeth Brewer and Beverly Taylor survey the course of Arthurian literature from 1800 to the present day and give an account of all the major English and American contributions Some of the works are well known but there are also a host of names which will be new to most readers and some surprises such as J Comyns Carr's King Arthur rightly ignored as a text but a piece of theatrical history for Sir Henry Irving played King Arthur Ellen Terry was Guinevere Arthur Sullivan wrote the music and Burne Jones designed the sets The Arthurian works of the Pre Raphaelites are discussed at length as are the poems of Edward Arlington Robinson John Masefield and Charles Williams Other writers have used the legends as part of a wider cultural consciousness The Waste Land David Jones's In Parenthesis and The Anathemata and the echoes of Tristan and Iseult in Finnegan's Wake are discussed in this context Novels on Arthurian themes are given their due place from the satirical scenes of Thomas Love Peacock's The Misfortunes of Elphin and Mark Twain's A Connecticut Yankee at King Arthur's Court to T H White's serio comic The Once and Future King and the many recent novelists who have turned away from the chivalric Arthur to depict him as a Dark Age ruler The Return of King Arthur includes a bibliography of British and American creative writing relating to the Arthurian legends from 1800 to the present day **The Return of Merlin**

*Merlin's War* Margaret Doner, 2012-04-17 Merlin's War The Battle between the Family of Light and the Family of Dark examines the fact that the history of the human race has been manipulated by a being so clever that we have had no idea he exists In fact he has hidden behind Lucifer but Lucifer is not our devil Much of what has been told to the human race has been designed to keep the truth at bay Whose purpose did it serve to keep the human race unaware of its own origins and ignoring huge pieces of obvious evidence because there is no logical explanation for it It certainly did not serve the human

race Merlin is thought of by most humans as a simple embodiment of the wizard Merlin's War reveals that he is much more he is a powerful Creator God who is responsible for creating the human template and seeding life on the Earth Moreover Dracula is thought of as a fictional vampire when he is in fact the being we call Satan responsible for creating war and chaos on Earth and in other galaxies There are two points of view to this story and in order to be fair author Margaret Doner has agreed to tell both sides Merlin's War posits that it is time for the playing field to be evened out The Family of Dark has been in control for too long it's time for the Family of Light to move beyond the fear that has kept them enslaved Merlin Merlin, 1899 *Merlin* Henry Benjamin Wheatley, 1865 **Magic in Merlin's Realm** Francis Young, 2022-03-03 Boldly argues that magic has throughout the history of Britain been at times as culturally and politically significant as religion *Tregarthen Hall.
