Stanford, 2013-03 The instrument in my hand is a pen of freedom The pen is mighty for it can declare things that are true The mighty pen has the power to influence for good or incite evil It creates in the mind of a reader intent and purpose Ideas will flow from the heart and mind Down the arm and through the wiggling hand to the end of the pen and onto the paper where the journey begins Not all pens are alike But they are all at the disposal of the hand that picks them up As long as there is ink in the pen work can be done A working pen means ideas can be shared feelings conveyed and notes written People can feel chastised praised bored or entertained with a few swipes of a pen Notes can be verbose or they can be terse Pen paper words and intent combine to change the world or just a perception of it History was made and continues to change with just the swipe of a pen **Faith of a Warrior** Kyle L. Coon, 2021-04-13 Book Faith of a Warrior is a book for people looking for hope

The kind of hope I m talking about is insurmountable faith By the time you finish this book you ll know what it is to live by faith that can conquer insurmountable storms in your life with the power of prayer Faith of a Warriio is about how you can be overwhelmed with blessings on top of blessings but if you turn from God in your life your marriage your business anywhere you make wrong decisions in life and disasters follow Walk by faith In the end God will expose all the corruption for His glory But above all this is a book for people looking for hope The kind of hope I m talking about is insurmountable faith even on your death bed That no matter how bad things seem if you keep the faith your present situation isn t your final destiny God can and will turn things around if you have faith then all the right doors will open for you in your life Sometimes this requires patience By the time you finish this book you ll know what it is to live by the faith that can conquer insurmountable storms in your life and how to live with the Faith of a Warrior *The Invisible Suitcase That's Packed for Life* Lisa Cannon, 2022-05-03

This book will serve as a guide for people who are seeking for answers about the unknown spirits that are tied into religious growth to understand the knowledge that s unknown in the dark places in our life journey But wisdom will bring the understanding that we all seek for in life through our experiences I want the reader to be aware that this book is not based on scientific evidence or any evidence based material in the field of academia However this book is based on a spiritual journey where God has brought me in my journey to help people in their walk of life to understand the process of choice It is

my hope as a writer that the reader take away the skills and insight to help them move forward in their journey to seek for God's guidance. They are the invisible parts that we carry in our suitcases that are packed away with our life experiences. The woman carries the little girl around inside and the man carries the boy around to remember when he was him. Our life lessons are within. Question: what do you have in your invisible suitcase?

Freedom Fighters: the Essential handbook for living in the freedom of the cross of Jesus Christ Sherri Ohler, 2017-07-26. Freedom Fighters is not just another book about spiritual warfare. It's a radical look at why people suffer and what Jesus did about it. It's an iron sharpens iron sword, wielding overview of the Christian life we are intended to live. A manual and training ground rolled into one where you not only learn biblical warfare but are invited to participate in it step by step as the book unfolds. It is an exhilarating eye-opening walk through using the early church discipleship method that took people from lost to found to FREE in a matter of just weeks. The reader who invites the Holy Spirit to join them on this journey will be set free to fully live by the time they turn the last page. But that is only the beginning; those set free will also be catapulted on a new adventure with Jesus to go rescue others still lost in the darkness; they themselves were trapped in only seven short chapters ago. Get ready to experience what it means to be a freedom fighter and finally live life to the full in Jesus.

Uniquely His Gloria J. Russell, 2025-07-27. Gloria has discovered a special place in God where everything needed to live the abundant life Jesus came to provide is available. This revelation began with simple child-like words: It's a circle and a dot. Since the first night a hunger and thirst for knowing Jesus more has continued to develop. In this new book, Uniquely His, Gloria shares many ways God speaks and how to live in expectation of more to come. It is a book for seekers. Titus 2:14: Jesus Who gave Himself for us that He might redeem us from every lawless deed and purify for Himself His own special people, zealous for good works.

A Shepherd's View Rufus Turner, 2007-07. Leaders are often pressured to lead in the way others would have them lead. Although advice and opinions will be numerous, they must learn to hear only from the Chief Shepherd and lead the way He would have them lead. The Bible has provided perfect examples of leadership: Moses in the Old Testament and Jesus Christ in the New Testament. Moses shepherded people for over forty years in the wilderness only to miss out on the Promised Land in the end. In attempting to shepherd God's people today, this can too easily be the predicament of our current day leaders. Sheep have a view; it is just different than that of the Shepherd. Sheep, the congregation, will never be able to see what the Shepherd sees. It is the responsibility of the Shepherd to lead, care for, protect, and feed the flock. The caveat is that the shepherd is not leading, caring for, protecting, and feeding his own flock but he is shepherding the flock that belongs to God. Therefore, a shepherd can't operate on his own preference but must be careful to always follow the prompting of the Holy Spirit. A Shepherd's View is full of encouragement for today's shepherds. There are biblical principles, application worksheets, and humorous and painful life experiences. The goal of this book is to help leaders shepherd after the pattern that God has designed. It is crucial that the leader cares properly for the people of God so they won't miss out on the Promised Land, Heaven.
