Identity Papers Helene Meyers, 2011-12-01 Argues that debates about Jewish identity and assimilation are signs of creative potential rather than crisis Identity Papers argues that contemporary Jewish American literature revises our understanding of Jewishness and Jewish difference Moving beyond the reductive labeling of texts and authors as too Jewish or not Jewish enough and focusing instead on narratives that portray Jewish regeneration through feminist Orthodoxy queerness off whiteness and intermarriage Helene Meyers resists a lachrymose view of contemporary Jewish American life She argues that such gendered sexed and raced debates about Jewish identity become opportunities rather than crises signs of creative potential rather than symptoms of assimilation and deracination Thus feminist debates within Orthodoxy are allied to Jewish continuity by Rebecca Goldstein Allegra Goodman and Tova Mirvis the geography of Jewish identity is racialized by Alfred Uhry Tony Kushner and Philip Roth and the works of Jyl Lynn Felman Judith Katz Lev Raphael and Michael Lowenthal queer the Jewish family as they reveal homophobia to be an

abomination Even as Identity Papers expands Jewish literary horizons and offers much needed alternatives to the culture wars between liberal and traditional Jews it argues that Jewish difference productively troubles dominant narratives of feminist queer and whiteness studies Meyers demonstrates that the evolving Jewish American literary renaissance is anything but provincial rather it is engaged with categories of difference central to contemporary academic discourses and our national life Ultimately Meyers offers not only nuanced readings of many texts but also a cogent argument about the generative possibilities for American Jewish futurity through an undoing of what constitutes normative understandings of Jewish bodies families and relationships Journal of Jewish Identities Identity Papers is an important thoughtful text that will appeal to those with an interest in postmodern inquiries into multiculturalism identity theory and selfhood MELUS This is a sophisticated nuanced critical study of contemporary Jewish American literature Taking an anthropological approach to Jewish and Judaic cultural expression Meyers provides probing subtle analyses Highly recommended CHOICE **White**

look up to The complex identity of the town is expressed through uses of social media with significant results for understanding social media more generally Not elevating oneself above others is one of the core values of the town and social media becomes a tool for social visibility that is the process of how social norms come to be and how they are negotiated Carnival logic and high impact visuality is pervasive in uses of social media even if Carnival is not embraced by all Trinidadians in the town and results in presenting oneself and association with different groups in varying ways The study also has surprising results in how residents are explicitly non activist and align themselves with everyday values of maintaining good relationships in a small town rather than espousing more worldly or cosmopolitan values The Consortium - Rising B.A. Chapman,2024-07-28 The old council is dead But the war for control has only just begun Amelia has shattered the upper ranks of The Consortium obliterated their corrupt council and brought the ruthless Jax to his knees But true freedom comes at a price and the deeper she digs into the organization s vast reach the more dangerous and tangled the web becomes With her powers growing and Spike by her side Amelia now walks a razor s edge between savior and weapon As factions rise from the shadows and hidden facilities emerge across the country former inductees begin to reclaim their lives while others plot revenge When a new threat emerges from Jax s secret past one that sees Amelia not as a threat but as a tool to be controlled the fragile alliance she s built begins to fracture And if she can t hold it together everything she s fought for could be lost Part rebellion Part reckoning All out war The Consortium Rising launches the trilogy into explosive territory where the line between hero and monster blurs and one woman s choices could either ignite a revolution or unleash an unstoppable new order **Haven** Joel Shepherd,2011-06-30 The page turning conclusion and final instalment of the Trial of Blood Steel Quartet The Army of the Regent Arrosh advances on the forces loyal to Saalshen homeland of the serrin people as the serrin s friends are in full retreat Their only hope is to reach the city of Jahnd the serrin word for Haven across the River Ipshaal the only human city in Saalshen itself
