to explain what really happened and why conspiracy theories have become so popularized The Stand In James Arlington,2000-12 The Stand In is a fast paced political thriller about the J F K assassination that takes place today You won t put it down Andy Bell is a college student on summer vacation at his father s cabin in the New York Adirondack Mountains He befriends a reclusive old man Walker who is dying of cancer Through a series of events Andy learns that Walker thirty seven years ago was involved in the assassination of President Kennedy With old CIA operatives and current FBI agents converging on Beaver River New York Andy must seek confessions from old men who have kept the secrets and killed off the participants and witnesses to an event before he was born *The Assassin Code* Richard Joseph Zazzi,2011-06-07 Most grandfathers show their grandsons how to fish or play baseball but not in the Castinetti family Joseph Castinetti has no idea that growing up in a traditional Italian family means total loyalty to the family and doing exactly what you are told So when his grandfather takes him target shooting he never realizes that he is rehearsing to assassinate President John F Kennedy The benefit of being born into a traditional Italian family means a secure future with all the trappings of life in America unless the family is the Mafia As Joseph is unwillingly thrust into a life of crime he must perform dirty deeds as his grandfathers pawn and bids to win favor at the highest levels of organized crime As he becomes immersed deeper and deeper into the thick of the Mafias plans it soon becomes apparent that they are grooming Joseph for something special If its true that once in the Mafia one is always bound to the Omert Joseph must find a way out before it is too late **The Lilitu Trilogy** Toby Tate,2017-09-26 CIA operative Gabrielle Gabe Lincoln has been tracking the beast once known as Lilith MacIntyre and her organization ever since she and her unborn child were taken into custody and held at a top secret facility Gabe soon finds that most in the organization are Lilitu a race of beings as old as time that may have once dominated the galaxy itself *The Kennedy Assassinations* Mel Ayton,2022-07-19 Few events have been the subject of more conspiracy theories than the assassinations of the two Kennedy brothers Indeed a great many people consider that there were other individuals than Lee Harvey Oswald and Sirhan Sirhan involved in both murders Was a shot fired from Dealey Plaza s grassy knoll Why did Jack Ruby shoot Oswald Was it the CIA the Soviets Cuban nationalists or the Mafia that arranged John Kennedy s assassination Was Robert Kennedy shot from in front and behind and who had the most to gain from his death These are just a few of the questions that have been put forward by a myriad of conspiracy theorists and it is those people and their ideas that Mel Ayton has tackled head on Over many years Mel Ayton has examined all the more substantial conspiracy theories and through careful analysis of documents and eyewitness statements he has demolished each one In each case Mel Ayton presented the results of his detailed investigations in periodicals as he worked through the various theories These have now been brought together to provide a comprehensive analysis of all the main theories as to who how and why the two Kennedy brothers met their deaths in such unusual circumstances Though wild ideas will continue to be proposed and efforts will still be made to demonstrate that Oswald could not have fired off three shots with great accuracy in the few seconds available to

him as the presidential cavalcade passed beneath the window where he crouched or that there were sinister reasons why three CIA men were allegedly present on the night of Robert Kennedy's assassination the harsh reality is that the Kennedy brothers were each killed by lone gunmen This is an absorbing read brought up to date with the addition of new material as it has been uncovered Maybe just maybe this book will persuade people that the official accounts of both murders although flawed are not cover ups but simply statements of fact
