The Gift of Spirit Tina Coluccio, 2012-01-01 In *The Gift of Spirit* Tina Coluccio chronicles her journey from heartbreak to healing and spiritual illumination. In the process, Tina offers personal stories, accessible suggestions, and straightforward explanations of spiritual concepts to help readers cultivate more joyous, spiritually guided lives, no matter their circumstances. Before Tina was in High School, she lost her older brothers in two separate but equally tragic accidents, and her father to disease, leaving behind Tina and her mother, who both suffered from unimaginable loss and loneliness as a consequence. Tina's mother never rebounded from the devastation of such loss, and she passed on when Tina was in her mid-thirties. Tina took a different, more soulful path, turning her life from one of sorrow into one of hope, strength, and renewal. *The Gift of Spirit* meaningfully captures one woman's inspiring grace during her darkest hours and provides guidance for others to find hope and healing during their own.

The Voudon Gnostic Workbook Michael Bertiaux, 2007-07-01 A long-awaited new edition of the seminal text on the spiritual system that is a convergence of Gnosticism and Haitian voodoo. *The Voudon Gnostic Workbook* is a singular sacred work that is comprehensive in scope, from how to be a lucky Hoodoo to how magick and voodoo intersect energetically to esoteric time travel. Complete with charts and graphs and instructive interdimensional physics, *The Voudon Gnostic Workbook* is an object of desire among students of the occult. Weiser's long-anticipated republication of this rare text will be an event in the annals of esoteric publishing, as the book itself is somewhat of an unholy grail. There are listservers devoted to it, and much discussion of the mysteries held within its pages. While *The Voudon Gnostic Workbook* has remained a controversial book, considered important for masters of metaphysics, it recently came into popular culture and renewed popularity when Grant Morrison revealed it had been the inspiration for his cult comics *The Invisibles*, using the cribbed time travel from Bertiaux's masterwork. Voodoo is not an evil religion and is much misunderstood. It derives from the Dahomean Gods, called the Loa. Esoteric voodoo is actually a highly practical procedure for leading us into making contact with the deepest levels of our being and most ancient modes of consciousness. Michael Bertiaux's *Voudon Gnostic Workbook* is the most comprehensive and illuminating contemporary book on the subject. Launched out of a correspondence course and series of classes for students and followers of Voudon Gnosticism and the OTO, this seminal text is at once one of the most mysterious and magnificent of all esoteric books.

Undignified Deanna Lorea, 2024-05-16 Deanna Lorea, author of *Unraveled*, offers readers more God-inspired guidance in the second spiritual work of *The Undoing* series, *Undignified*. What does it mean to be undignified? To be undignified is to be

fully foolish and undone It is the antithesis of appearing composed well learned and societally correct When our culture suggests we tidy up before absorbing all God is Undignified invites the mess the chaos and the crazy it welcomes the dark the dingy and the dysfunction As Deanna gives readers a front row seat into her intimate moments with the Lord Undignified provides readers with a peaceful place to truly know God whose love often seems too good to be true without the pressure of performance or perfection In observation and rest Undignified is where we dare utter the words we ve never even spoken aloud in a room alone Here is the place of true transformation Undignified is for anyone navigating a relationship with the Lord It s for the reader who knows there s more but doesn t know what more looks like Enter these gentle pages to discover a resting ground and experience the undeniable clarity and peace in understanding everything Father has done simply to be with you Revel in the daring beauty and innocence of a relationship with God In this new uncharted territory readers will marvel as the scales protective layers and years of trauma begin to loosen and fall away With all trust in God there is no room for doubt
