The Power of Spoken Blessings

Bill Gothard, 2008-12-30 This book explores how verbal blessings can change and restore difficult relationships highlighting the great power of the living God to work in our daily lives The spoken blessing is a powerful spiritual weapon with enduring impact By giving spoken blessings we can see healing brought to aching souls and restoration brought to bruised relationships Such wonders are accomplished by the power of God's Spirit through the agency of spoken blessings just as Scripture affirms Death and life are in the power of the tongue Our words have the power to crush or to heal to break bones or to plant a tree of life where none has grown before And these dynamics of the spoken blessing may be truer today than ever Mr Gothard's timely message brings this awareness to us in a helpful and encouraging way Death and life are in the power of the tongue Proverbs 18:21 What if spoken blessings could grant freedom from years of bitter hurts What if they could break down the walls that divide husband from wife parent from child and friend from friend Our words have lasting impact not only for harm but also for great good By speaking blessings we can help bring healing to aching souls and restoration to bruised relationships Let Bill Gothard share with you the secret of spoken blessings and embark on a rich family tradition that brings harmony and closeness beyond anything you've previously experienced

Story Behind the Book

While dealing with layer after layer of hurts fears and barriers that teenagers experience with their parents and God I often heard cruel statements by a parent during a time of anger Statements like I wish you were never born or You'll never amount to anything were like deadly poison affecting everything in that teenager's life Such is the power of a verbal curse However more powerful have been the verbal blessings of a parent to a son or daughter They have been like sources of refreshment and energy that have guided the goals and decisions of those who received them With such lasting results from the life and

death power of the tongue it was essential to me that this book be written *The Power of Blessing* Kerry Kirkwood,2010-07-28 Discover for yourself It really IS more blessed to give than to receive The Power of Blessing is more than an encouragement to bless It shows you many ways you can be a blessing to those around you Blessings are not just about materialism blessings are more about a lifestyle that changes environments and conditions among families churches communities and even small businesses and large corporations Do not repay evil with evil or insult with insult but with blessing because to this you were called so that you may inherit a blessing 1 Peter 3 9 NIV The Power of Blessing Presents practical applications about how to bless others and receiving blessings Teaches the difference between truth and fact Shares humorous and inspirational testimonies Reveals the importance of speaking God s intentions as to how things should be Breaks generational curses by learning how to bless Your heavenly Father is the redemptive God who delights in bringing things back into His divine order Through learning how to bless you can participate in this redemptive process By actively living a lifestyle of blessing you will see changes in the hearts of those you bless as well as in yourself The Power of Blessing Isaac Amoah-Baiden,2020-04-16 This book is written for the many people who are seeking the BLESSINGS OF GOD in different areas of their lives I started life and ministry on a pretty much lower level that is with nothing really positive in any area of my life Together with my siblings we were all living virtually insignificant lives we were broke and we struggled to rise up in life Life in those days was not enjoyable at all for me But as I started serving the Lord I came to realise the missing element in my life the blessings of God I really saw that the difference or change I sought for in my life could only be achieved by experiencing God s transformative BLESSINGS I saw how ordinary men like Abraham Isaac Jacob David Moses Jesus the Christ Paul etc lived extraordinary lives and made significant impact in their respective generations And the common denominator I found in the lives of these great people was that they encountered the BLESSINGS OF GOD in diverse areas of their lives at certain points in time After I discovered the secrets of these great people I embarked on putting them into practise in my own life and ministry and I started reaping great results in a short span of time I know that you too my dear reader desire to experience God s blessings in your life in your marriage your family your christian life your business your career your health your ministry your finances etc Many believers always murmur about how they have served the Lord for years and yet have not seen any significant transformation in most areas of their lives apart from their spiritual lives I have written this book to HELP YOU In this book you are gong to learn about the true definitions of blessing the various dimensions of blessings God gives to His children the powerful effects of the blessings of God in a person s life HOW TO ACCESS ANY BLESSING YOU DESIRE FROM THE LORD the reasons why most believers don t experience God s blessings in important areas of their lives After you read this book and put the contents into practise in your life you will be thoroughly equipped to receive God s blessings into your life And not only that you will also learn how to utilise God s blessings for the greater good of others and the society at large This book is the first in a series of books about how to experience the

The Power to Curse or Bless Others William Derrick Moore,2007-02-26 The Power to Curse or Bless Others is the second book in a continuing series on Christian conduct by William Derrick Moore This book provides insight into the very nature of evil demonic beings and our own contributions to what we have come to know as evil It also takes a look at arealm of evil that many Christians fail to see or acknowledge Once an understanding is reached on all the sources that can influence what we

perceive as demonic activity or evil we have an opportunity to change our role in the process of being a curse or a blessing to others. An important variable in understanding the problem of evil is the rejection of one of God's greatest commandments: love. In rejecting this commandment, it changes the potential and capacity to extraordinarily bless someone into the potential and capacity to extraordinarily curse someone. A central theme in this book is God's gift of free will and volition to his creations, both human and angelic. God has given us all the power to bless or curse others. Misusing this gift and power from God constitutes evil. *The Power to Curse or Bless Others* takes a deeper look into the major causes of evil and it also provides insight and understanding of God's true role in allowing evil to continue in the world. *How God Forms Abraham to Be a Blessing* Qiang Fu, 2023-02-22. This book aims to understand God's interactions with Abraham in relation to God's command that Abraham be a blessing (Gen 12:2d) which is directly tied to God's goal that in you all the families of the earth will be blessed (Gen 12:3b). The book proposes a formative narrative approach to examine interactions between character and plot, the movement of plot and the connection between sequential plots. An analysis of thirteen Abrahamic narratives (Gen 12:22) suggests a classification based on four different types of interactions between God and Abraham which indicate how cooperation and conflict between God and Abraham advance the narrative's plot. The book then proposes a narrative discourse analysis to examine how Abraham evolved through different stages of the narrative by moving from deviation to cooperation. Detailed analysis of this transformation process reveals three turning points in Abraham's life. The formative narrative approach and narrative discourse analysis proposed in this book can contribute to the analysis of two important aspects of Old Testament narratives: the formation of plot and the cause and effect structure in narrative discourse. *The Power of the Blessing* John Trent, Gary Smalley, 2024-01-16.
