Ahuja, 2022-05-23 The book explores the definition and nature of guerrilla tactics in international commercial arbitration It analyses various such tactics deployed pre Covid and during Covid times and portrays them in a way that enables one to visualise how and possibly why they might be deployed Attempts to codify ethical standards and rules regulating the behaviour of legal representatives in international arbitration are examined The book covers a range of culture clashes addresses several elephants in the room and looks at factors inherent in the arbitral process that create opportunities and increase temptations to misbehave It considers the remedies and sanctions available in international arbitration and compares them to those available to the courts in civil litigation In addition to recommendations for future research the book offers solutions to curb the problem in line with party autonomy and with a critical analysis This manuscript is an essential solutions based text that not only addresses a comprehensive range of modern day guerrilla tactics in international commercial arbitration but also offers thoughtful methods to deal with the shenanigans that parties may bring to the arbitral process Chiann Bao Independent Arbitrator Arbitration Chambers and Vice President of the International Chamber of Commerce Court of Arbitration Dr Ahuja s book is a thoughtful and highly practical contribution to the study of procedures in international commercial arbitration It is replete with scholarly analysis careful treatment of authority pragmatic insights and policy discussions Any practitioner or student of international arbitration would benefit from this volume Gary Born Author International Commercial Arbitration 3d ed 2021 A highly readable and informative book which identifies and analyses the numerous guerrilla tactics parties may attempt to deploy in international commercial arbitration the factors which may encourage such behaviour and practical mechanisms to keep the proceedings on track Both erudite and practical this book is a must read for parties counsel and arbitrators alike Prof Benjamin Hughes Independent Arbitrator The Arbitration Chambers Guerrilla tactics are a pertinent problem in arbitration Dr Ahuja s well written book not only describes the various tactics in a succinct way but provides extremely useful guidance on how to tackle them It will be a primary source of reference for every practitioner faced with such tactics Prof Dr Stefan Kr ll Chairman of the Board of Directors of the German Arbitration Institute DIS Taming the Guerrilla in International Commercial Arbitration offers a refreshingly candid and balanced discussion of sharp practices in international arbitration The book collects a wealth of information on guerrilla tactics previously only available in separate survey reports articles and guidelines on the topic It additionally includes a chapter addressing tactics deployed in virtual or remote arbitrations due to the Covid 19 pandemic The comprehensive research and analysis presented in this book make it a valuable resource to counsel parties arbitrators academics and those who deliver practical arbitration training A must read for those who want to better understand the practices that may lead some to disfavor arbitration and ways the arbitration community can respond

to guerrilla tactics to improve the arbitration process for all participants Dana MacGrath Independent Arbitrator MacGrath Arbitration From an unreasoned fiat of a wise man who left both sides equally unhappy but resolved the disputes effectively arbitration has evolved into a full scale trial before a party chosen tribunal Its informality and expedition puts in peril the fundamental right of the recalcitrant to delay proceedings Dr Ahuja has assiduously articulated the measures aptly christened Guerrilla Tactics used to disrupt and derail arbitrations An indispensable read for the practitioner and an insightful treatise for the policy maker Harish Salve SA QC Blackstone Chambers This book shines a spotlight on arbitration s dark arts guerrilla tactics Dr Ahuja illuminates this shadowy world with excellent and much needed scholarship that is practice based and useful for all stakeholders in arbitration His examination of the root causes of this problem recommendations on how to control it comparisons with litigation practice and suggestions for future research marvellously combine to make this a work that is required to be consulted by all serious counsel arbitrators institutions and academics in the field of arbitration Romesh Weeramantry Head International Dispute Resolution Centre for International Law National University of Singapore

Dealing with Bribery and Corruption in International Commercial Arbitration Emmanuel Obiora Igbokwe, 2023-01-10 International Arbitration Law Library Volume 65 International commercial arbitration is by no means free from bribery and corruption Although a plethora of legal scholarship clearly affirms this contention a thorough study on the particularly important question of the authority and duty of international commercial arbitrators to investigate a suspicion or indication of bribery or corruption sua sponte that is on their own initiative has been surprisingly lacking This important book fills this gap inter alia by locating sua sponte authority in the position of arbitral tribunals in establishing the facts of a case and ascertaining and applying the applicable normative standards In addition to providing a comprehensive examination of how the issue of bribery and corruption is dealt with in contemporary international commercial arbitration the book also highlights the role of arbitrators in global efforts to combat transnational commercial bribery and corruption Among others the following critical issues are thoroughly investigated arbitrability of issues of public interests intermediary contracts role of arbitrators in the fact finding process party autonomy versus overriding mandatory rules iura novit curia in international commercial arbitration in the context of bribery and corruption notion of transnational or truly international public policy arbitrators duty to act as guardians of international commerce investigative tools available to arbitrators dealing with manifestly recalcitrant parties possible consequences of violating the obligation to sua sponte investigate and the view from developing countries The analysis leans primarily on Swiss law as Switzerland is one of the most important jurisdictions in international commercial arbitration Switzerland has also been involved in some of the most famous and controversial arbitration cases wherein bribery and corruption became an issue However the study also includes a comparative analysis of the relevant laws jurisprudence and doctrine of other major arbitration venues particularly England France and Germany Not only in the light it sheds on how and whether international commercial arbitrators have hitherto

justified the trust States have placed in them regarding the protection of the public interests but also in the practical solutions it offers arbitrators faced with issues of bribery and corruption this deeply researched book equips arbitration practitioners and arbitration institutions with a hitherto lacking in depth analysis on the question of sua sponte investigation It also provides invaluable insights on how this issue might affect the future legitimacy and expansion of this dispute settlement mechanism Outside the field of arbitration the book also provides jurists legal scholars in house counsel for companies doing transnational business and public officials with highly enlightening perspectives on the interaction between international commercial arbitration and public interests

Expedited Procedures in International Commercial Arbitration Andreas Wehowsky, 2023-07-24 International arbitration has enjoyed remarkable success However in recent years repeated concerns relating to the efficiency of the proceedings have emerged These concerns have led to the introduction of provisions for expedited arbitral procedures Through analysing various arbitration rules this book will examine the requirements under which expedited procedures are admissible what the central characteristics of such procedures are and how such procedures can be classified and described in comparison to a conventional arbitral procedure A significant part will examine the tension between procedural efficiency on the one hand and on quality of the procedure and award on the other In an excursus early determination procedures will be examined to complete the tool box to increase procedural efficiency

Handbook on International Commercial Arbitration Peter Ashford, 2014-03-01 This handbook will assist the practitioner whether lawyer counsel or arbitrator in some of the practical minefields of international commercial arbitration It considers the typical course of an international commercial arbitral proceeding from deciding what claims may be arbitrated to calculating damages and the contents of an award giving guidance and sample documents for each step It also provides an extensive discussion of discovery and the presentation of evidence during hearings This will work in aid the efficiency of the arbitral process especially by reducing time and cost For counsel and arbitrators alike it provides a convenient reference work for the problems that inevitably arise in the procedural and substantive steps in arbitration Analyzing the relevant law and rules from a range of jurisdictions and international arbitral institutions the Handbook is a truly invaluable companion for everyone involved in international commercial arbitration

International Commercial Arbitration Gary Born, 2009 International Commercial Arbitration Third Edition is an authoritative treatise providing the most complete available commentary and analysis on all aspects of the international commercial arbitration process This completely revised and expanded edition of Gary Born's authoritative work is divided into three main parts dealing with the International Arbitration Agreement International Arbitral Procedures and International Arbitral Awards The Third Edition provides a systematic framework for both current analysis and future developments as well as exhaustive citations from all leading legal systems
