The Assemblies of Al Harîri ,1870 Mohammad the messenger of peace Dr. Mohammad Habash, We feel honored to present to our respectable readers the English edition of the biography of Prophet Muhammad PBUH after it has been published more than 30 times in Arabic and After the publication of the Romanian version which was adopted by the University of Craiova as a source for introducing the Prophet of Islam to the world It is high time for us that we present a correct conception of the Prophet of Islam amidst the hustle and bustle taking place between the East and the West nowadays particularly after the break out of the bloody uprising in the middle East against dictatorships and oppressive regimes So was Islam really a message of horror and terror Did Prophet Muhammad really make people embrace Islam by sword and war This biography of Prophet Muhammad PBUH offers the readers a different answer however before going into more details I should mention that this biography was written 25years ago It only included a historical narration of the events in the Prophet's life in an easy language that brought together the main narrations of main historians without any personal interference concerning examining those narrations of criticizing them **The New World** ,1899 Includes section Book reviews

British Museum Catalogue of printed Books ,1886 **True Islam: Lost in Translation** Emil Shehadeh, Contact between Islam and the West is 1400 years old Both sides have had more than adequate time to become familiar with the other Yet the world is still arguing about Islam's teachings Is Islam peaceful Does it commend violence Does Islam respect the other Does Islam abuse women Is Islam anti Semitic Does Islam teach the Torment of the Grave Does Islam recommend the beating of wives Do Muslim Scriptures commend Temporary Marriage of Pleasure Did Zayd divorce Zaynab because he had no further need of her All these questions are easy to settle for anyone who can read Islamic Scripture in Arabic The author of this book is such a person However to answer all these questions in the affirmative would do the image of Islam

much damage in the West where Islam is keen to present a polished image especially in the light of much violence committed in its name against westerners Muslim leaders and their allies in the West have popularised a distinction between Muslims and Islamists in order to distance Islam from thousands of heinous Muslim crimes such as the Charlie Hebdo massacre Are the English translations of the Qur'an faithful to the original Arabic Or are they part of the charm offensive Muslim Petro dollars have financed for years through sponsorship of university departments of Islamic studies investing in western media and publishing building Islamic centres and financing Islamic societies and pressure groups throughout the West This work gives English readers the ability to access the original Arabic of the Qur'an and hadith and see the true face of Islam without its face powder It is hoped that this work will assist free thinkers to form their own opinion of Islam based on the true Qur'an without interference from Muslim propaganda or any agenda driven discourses A New Witness for God (Vol. 1-3) B.
