Dominick T. Blake,1824      Reasons to Believe David Bridgstock,2016-08-22 This book is about how David and his twin brother grew up together and in their late teens embraced Mormonism It is about how their lives were shaped by their faith Then how twin Robert began to get doubts and finally fell away from the church He has gone on to write a book against it The author has this book in defence of his stronger than ever belief still in the Church of Jesus Christ of Latter day Saints You may be very interested in what the author has written if you re already a member of the Mormon church more especially if you have questions or harbour doubts and would like to see why one of the twins feels betrayed and the other doesn t why one of them feels it is a corrupt institution and the other believes it is the true church of Christ Even if you re not a Mormon but a person who is intrigued by philosophy or the religions of Christianity you will find this book fascinating for it includes many true experiences from the authors life his upbringing his personal vision on the world in which we live with compelling arguments for trusting in the divine Lastly David has been captivated all his life by the woods and fields of England by fox badger deer and bird By music and songs written The legacy of all these things combined shines through in his writings with anecdote and parallels contrasting the physical with the spiritual and vice versa You will find it an open honest and engaging read      **101 Good Reasons to Believe** James D. Sideras,2018-01-04 This book presents a strong case for the Christian faith by using scientific evidence and philosophical reasoning Although an abundance of Christian apologetic textbooks exist most are not easily accessible because they offer long and scholarly treatments of subject matter that may not appeal to lay readers This book differs in two ways First it presents the case for Christianity in a friendly scholarly prose which enables readers to plainly understand each reason to believe Second these reasons are concisely structured so that within minutes readers can quickly examine each argument in light of the evidence presented 101 Good Reasons to Believe is essential reading for theists who wish to strengthen their faith in God and for nontheists who desire to critically investigate the truth claims of the Bible This book includes topics such as astronomical evidence for the existence of God evidence for creation and intelligent design refutation of Darwinian evolution the historicity of Jesus why there is human suffering if God exists the accuracy of the Bible and evidence for heaven and hell The 101 reasons presented make thought provoking and compelling reading for scholars and non scholars alike      **Ending the Epidemic of Child Abuse** Robert Anthony,2009-07-20 Designed to change anyone s life you cannot read this book and walk away unchanged Ending the Epidemic of Child Abuse is an all encompassing guide for survivors that will help you learn to thrive not just survive Anyone can read this book to learn how to
