Texts With God:

Seventeen Discourses on Several Texts of Scripture Robert Robinson, 1824 *Economics in Persian-Period Biblical Texts* Peter Altmann, 2016-10-26 Large scale economic change such as the rise of coinage occurred during the Persian dominated centuries 6th 4th centuries BCE in the Eastern Mediterranean and ancient Near East How do the biblical texts of the time respond to such developments In this study Peter Altmann lays out foundational economic conceptions from the ancient Near East and earlier biblical traditions in order to show how Persian period biblical texts build on these traditions to address the challenges of their day Economic issues are central for how Ezra and Nehemiah approach the topics of temple building and of Judean self understanding and economics are also important for other Persian period texts Following significant interaction with the material culture and extra biblical texts the author devotes special attention to the ascendancy of economics and its theological and identity implications as structuring metaphors for divine action and human community in the Persian period

The Human Faces of God Thom Stark, 2011-01-01 Does accepting the doctrine of biblical inspiration necessitate belief in biblical inerrancy The Bible has always functioned authoritatively in the life of the church but what exactly should that mean Must it mean the Bible is without error in all historical details and ethical teachings What should thoughtful Christians do with texts that propose God is pleased by human sacrifice or that God commanded Israel to commit acts of genocide What about texts that contain historical errors or predictions that have gone unfulfilled long beyond their expiration dates In *The Human Faces of God* Thom Stark moves beyond notions of inerrancy in order to confront such problematic texts and open up a conversation about new ways they can be used in service of the church and its moral witness today Readers looking for an academically informed yet accessible discussion of the Bible's thorniest texts will find a thought provoking and indispensable resource in *The Human Faces of God*

[How to Read the Bible](#) James L. Kugel, 2012-05-01 James Kugel's essential introduction and companion to the Bible combines modern scholarship with the wisdom of ancient interpreters for the entire Hebrew Bible As soon as it appeared *How to Read the Bible* was recognized as a masterwork awesome thrilling The New York Times wonderfully interesting extremely well presented The Washington Post and a tour de force a stunning narrative Publishers Weekly Now this classic remains the clearest most inviting and readable guide to the Hebrew Bible around and a profound meditation on the effect that modern biblical scholarship has had on traditional belief Moving chapter by chapter Harvard professor James Kugel covers the Bible's most significant stories the Creation of the world Adam and Eve Cain and Abel Noah and the flood Abraham and Sarah Jacob and his wives Moses and the exodus David's mighty kingdom plus the writings of Isaiah Jeremiah and the other prophets and on to the Babylonian conquest and the eventual return to Zion Throughout Kugel contrasts the way modern scholars understand these events with the way Christians and Jews have traditionally understood them The latter is not Kugel shows a naïve reading rather it is the product of a school of sophisticated interpreters who flourished toward the end of the

biblical period These highly ideological readers sought to put their own spin on texts that had been around for centuries utterly transforming them in the process Their interpretations became what the Bible meant for centuries and centuries until modern scholarship came along The question that this book ultimately asks is What now As one reviewer wrote Kugel s answer provides a contemporary model of how to read Sacred Scripture amidst the oppositional pulls of modern scholarship and tradition

The Sophiology of Death Sergius Bulgakov, James Clarke & Co, 2023-10-26 In this book called *The Sophiology of Death* Essays on Eschatology you can find the answer of these questions What will be the final destiny of humanity At God s final judgement will all be saved or only a few How does Christian eschatology affect Christian political action in the here and now And what is the destiny of each individual facing the prospect of earthly death In these essays Sergius Bulgakov brings the resources of scripture and tradition to bear on these vital questions arguing for the magnificent final restoration of all creatures to union with God in a universal salvation worthy of the infinite scope of Christ s redemption Combining practical theology with doctrinal questions Bulgakov provides on the one hand insight into how Christians can strive to bring God s kingdom to earth in anticipation of

the peace and justice of the heavenly Jerusalem On the other he offers profound theological reflections on the nature of human death and Christ's accompaniment of all humans in their dying based on his own near death experience Although originating firmly within the Russian Orthodox tradition Bulgakov's sensitive and incisive writing will shed new light for all on eschatology in all its facets personal political and universal in *Sophiology of Death* **Ezra, Nehemiah, and Esther (Teach the Text Commentary Series)** Douglas J.E. Nykolaishen, Andrew J. Schmutzer, 2018-04-17 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text *The P Text Untangled* Charles Siegel, 2025-01-22 Since the nineteenth century many scholars have believed that the first four books of the Bible are woven together from three texts that were originally separate documents The E text was written by priests who had presided at Shiloh before Jerusalem became Israel's religious center The J text was written by a member of the court of the King of Judah The P text was written by priests from Jerusalem Until the mid twentieth century this theory was widely accepted by scholars who were not religiously orthodox but it has been challenged since the 1970s A key objection to it is that the P text does not hold together as a whole so it could not possibly have begun as a single document Even among scholars who do accept the theory there are disputes about when the P text was written with most saying that it was written during or after the Babylonian exile but some saying that it must have been written during the religious reform of King Hezekiah long before the exile This book identifies a cohesive core text within the P text which clearly was written during Hezekiah's reform The core text has not been noticed before because it is much shorter than the later additions The core text has a striking structure focusing on what the author considers the four greatest events of history the times when God revealed himself the stories of Adam Noah Abraham and Moses It connects these four stories with very brief summary narratives that include dates of birth creating a continuous timeline that lets us date all of this history It climaxes dramatically when Moses casts lots among the tribes and the rod representing Aaron and the Levites blossoms and bears almonds showing that they are meant to lead the people The priests who wrote the P text believed they were descended from Aaron This book puts the core text in a different font from the later additions so it is easy to read it from beginning to end The core text focuses on the four great revelations of history but it is also a bit of a revelation to read the core text itself and see this striking document that has always been in the Bible and that we have not noticed before *Thinking about God* Kari H. Tuling, 2020-08 Investigating how Jewish thinkers from the biblical to the postmodern era have approached questions about God and highlighting interplays between texts over time Rabbi Kari H Tuling elucidates many compelling and contrasting ways to think about God in Jewish tradition

Imago Dei: Man/Woman Created in the Image of God George Hobson, 2019-09-30 The question What is human

nature is in vogue today Like everything else this concept is being deconstructed in the context of the reigning ideology of individualistic materialism Is there a fixed human nature or is this simply a manipulatable social construct with no objective reference This book says Yes there is the imago Dei man woman created in the image of God Hobson argues that this text from Genesis 1:26-28 is a God given anthropological revelation that establishes the relational bond of human beings with their Creator and also with his creation for which the imago equips us to be responsible stewards Many of Hobson's essays were delivered as talks in parishes They explore from multiple angles the import of the imago Dei for theological and sacramental reflection apologetics aesthetics art and at a hands on practical level for pastoral counseling and inner healing His texts one of which opens with a discussion of genocide contain incisive critiques of the dark side of modernity alongside wide ranging demonstrations of the pertinence of the imago Dei to the current debates about human dignity and rights His book is a ringing call to the church to take the measure of the value of this anthropological revelation for its proclamation of the gospel

Conception, Reception, and the Spirit J. Gordon McConville, Lloyd K. Pietersen, 2015-09-04 A number of distinguished biblical scholars and theologians come together in this volume to honor the life and work of Andrew T Lincoln The title of this volume reflects Andrew Lincoln's lifelong interests in Christian origins the reception of biblical texts in believing and scholarly communities and the embodiment of the gospel in believing communities made possible by the Spirit These essays cover exegetical

matters theological interpretation and theology and embodiment Several essays engage directly with Lincoln's monographs *Truth on Trial* and *Born of a Virgin* *The Question of God's Perfection* Yoram Hazony, Dru Johnson, 2018-11-26 Philosophers have often described theism as the belief in the existence of a perfect being a being that is said to possess all possible perfections so that it is all powerful all knowing immutable perfectly good perfectly simple and necessarily existent among other qualities But such a theology is difficult to reconcile with the God we find in the Bible and Talmud *The Question of God's Perfection* brings together leading scholars from the Jewish and Christian traditions to critically examine the theology of perfect being in light of the Hebrew Bible and classical rabbinic sources Contributors are James A Diamond Lenn E Goodman Edward C Halper Yoram Hazony Dru Johnson Brian Leftow Berel Dov Lerner Alan L Mittleman Heather C Ohaneson Randy Ramal Eleonore Stump Alex Sztuden and Joshua I Weinstein *The Cambridge Companion to Christian Doctrine* Colin E.
