**Need ,      Trapped in the Middle** Adrianna Rose,2013-07-22 It all began as a journal during the times of my mother s illness I became overwhelmed with all of the complications she was experiencing while hospitalized The financial burden that occurred from her home care and the family struggles I was experiencing at the time I felt all alone in the world with my struggles I didn t want to burden anyone else with my problems so I decided that I would just write everything that was happening during those times just for the sake of writing It gave me a sense of release it helped me to express my emotions on paper I have always been emotionally strong and never depended on anyone for anything so I found it very difficult to ask for help from anyone My plan was to complete the journal make copies and give them to my family members so that they would have an understanding of my struggles Then I started thinking why not write a book but that idea soon got swept under the rug I thought that I couldn t write a book and if I did who would want to read my story so for a few years I left it alone But something kept bugging me that still small voice that my grandmother used to talk about it kept telling me that I had a story to tell it s a true story about my life and hopefully my story can be inspirational to many people all over the world both young and old So I pulled out my journal and started writing from my very first memories as a young child to my journey to America my immigration problems and my marriage to an abusive lunatic being a single parent and finding out as an adult who my true father was      **Love Possible Marriage Impossible** Anurag Kumar, Have you ever fallen in love If yes then you might have faced the same problem in your life Prem who realized at a very early stage of his life about a bitter truth of our society his best friend Sanskriti left him just because they did not belong to same caste He could not understand how can a person leave you just because you were not born in same cast Trying to accept this hard truth he moved ahead in his life
