The Babylon Code Is America In Prophecy:

The Babylon Code Richard N. Rhoades, 2014-10-29 At a reception in the Kremlin on November 17 1956 Nikita Khrushchev made a startling comment aimed at America Whether you like it or not history is on our side We will bury you The break up of the USSR in 1991 was hailed by the West especially America as a victory over communism and its global threat of tyranny Throughout the world the cry was heard Communist rule is over The evil empire is gone But was it In *The Babylon Code Is AMERICA in Prophecy* author Richard N Rhoades examines the writings of Russian dissidents and high ranking communist military leaders to explain the real reason behind Khrushchev's angry outburst and to illustrate why Russia is more dangerous today than ever before His research reveals a long range KGB strategic plan for global domination known among some of the highest ranking Communist military defectors to the West Rhoades also explores the real reason Russia is now flexing its muscles to the United States and the world and what the ancient Hebrew prophets said about a great latter nation in the Bible code named Babylon whose real identity is mentioned in the Hebrew Scriptures not once but twice as AMERIKA AMERICA *The Babylon Code* offers a well researched in depth look at the causes of these threats and actions viewing Russia America and its Jewish inhabitants with a new perspective *The Babylon Code* Paul McGuire, Troy Anderson, 2015-10-06 What if God embedded a code in the Bible that could only be cracked in the end times a prophetic cypher that reveals how the four blood moons and the biblical Shemitah are just signs of the beginning of end time events Unlocking a great mystery that has puzzled scholars for nearly two thousand years *THE BABYLON CODE* reveals how powerful forces are now at work to create a global government cashless society and universal religion as predicted by the prophets The result of a five year journalistic investigation *THE BABYLON CODE* takes readers on a spellbinding journey to explore the link between the world's most secret organizations the Bible's greatest prophetic riddle and what world renowned evangelist Billy Graham describes as a convergence in end time signs for the first time in history This prophetic mystery book pieces together the apocalyptic puzzle uncovering what may be not only the biggest story and political scandal in modern history but also the secret to both our survival and our salvation **Faith of the Ages** Richard Rhoades, 2012-11 For centuries most Christians have believed that Jesus was a fair skinned blue eyed Gentile and that because the New Testament was written in Greek the study of its Greek roots should take priority over the study of the Hebrew Scriptures In recent decades those conceptions have begun to change Jewish and Christian scholars have engaged together in examining the Jewishness of Jesus the Hebrew origins of Christianity and the Hebraic origins of Scripture with renewed interest In *Faith of the Ages* author Richard Rhoades explores the Jewishness of Jesus the first century community of believers and when where how and why early Christian leaders rejected those Hebraic origins *Faith of the Ages* investigates the origins of the Christian Church and looks at the anti-Semitism of the Greek and Latin Church fathers the Roman Emperor Constantine Roman Catholic Church authorities and leaders of the Reformation who all played a major role in moving Christianity away

from its Hebraic roots Rhoades also examines passages of Scripture that Catholic and Protestant translators have changed by adding to and subtracting from certain words found in the ancient Greek manuscripts Simply stated Faith of the Ages answers questions about the Jewishness of Jesus the first century community of believers the Hebraic roots of the Christian faith and its rich Hebrew heritage and provides a compelling historical and biblical impetus for believers to reexamine their Christian faith

How to Unlock the Secret Codes in Bible Prophecy Truong Tien Dat,2004-03 THE HOLY BIBLE: Updated American Standard Version (UASV) Christian Publishing House,2022-02-07 The Updated American Standard Version UASV is a literal translation Translating from the original languages of Hebrew Aramaic and Greek is a task unlike any other and should never be taken lightly It carries with it the heaviest responsibility the translator renders God s thoughts into a modern language What does that mean It means that our primary purpose is to give the Bible readers what God said by way of his human authors not what a translator thinks God meant in its place In other words our primary goal is to be accurate and faithful to the original text The meaning of a word is the responsibility of the interpreter i e reader not the translator The translator remains faithful to this literal translation philosophy unless it has been determined that the rendering will be misunderstood or misinterpreted The translator is not tasked with making the text easy to read but rather to make it as accurately faithful to the original as possible UASV PURPOSE Our primary purpose is to give the Bible readers what God said by way of his human authors not what a translator thinks God meant in its place Truth Matters UASV GOAL Our primary goal is to be accurate and faithful to the original text The meaning of a word is the responsibility of the interpreter i e reader not the translator Translating Truth OUR RESOURCES The Updated American Standard Version will be one of the most faithful and accurate translations to date by Christian Publishing House It will remain faithful to the original and what the authors penned We will not go beyond the translator s responsibility into the field of the interpreter Removing the Outdated Passages with the Old English thee s and

thou s etc have been replaced with modern English Many words and phrases that were extremely ambiguous or easily misunderstood since the 1901 ASV have been updated according to the best lexicons Verses with difficult word order or vocabulary have been translated into correct English grammar and syntax for easier reading However if the word order of the original conveyed meaning it was kept More Accurate The last 110 years have seen the discovering of far more manuscripts especially the papyri with many manuscripts dating within 100 years of the originals While making more accurate translation choices we have stayed true to the literal translation philosophy of the ASV while other literal translations abandon the philosophy far too often The translator seeks to render the Scriptures accurately without losing what the Bible author penned by changing what the author wrote by distorting or embellishing through imposing what the translator believes the author meant into the original text Accuracy in Bible translation is being faithful to what the original author wrote the words that he used as opposed to going beyond into the meaning trying to determine what the author meant by his words The latter is the reader s job The translator uses the most reliable accurate critical texts e g WH NA UBS BHS as well as the original language texts versions and other sources that will help him to determine the original reading Why the Need for Updated Translations New manuscript discoveries Changes in the language A better understanding of the original languages Improved insight into Bible translation

Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions The American Prophecies Michael D. Evans, 2004-08-10 New York Times bestselling author Michael D Evans explains ancient biblical prophecies about current events that affect America s role and destiny in the twenty first century The Rapture Code Craig S. Luchin, 2010-03-03 Can there only be one Rapture The Rapture Code Part One of an Eight Book Coded Series This is the first book of an Eight Book Coded Series concerning Christian living I ve been a Christian for 34 yrs and for over 30 of those years I have tried to augment the Rapture of the Church with additional biblical evidence I started out all those years ago to accomplish this one task Well God has greatly blessed me in that I found not one code concerning the Rapture but a coded series of eight codes total Thus each one relating to the Christians walking out their salvation in one aspect or another Doctrinally this first book pertains to the Rapture of the Church in a Pre Millennial position that promotes as true The Seven year Tribulation the Millennial Reign of Jesus Christ here on earth the little season of Satan and then the New Heavens and Earth What I have uncovered is a deeper answer that gives good reasons for all three rapture positions which are Pre Mid and Post Tribulation being three different raptures all taking place during this 7 year time period Thus there being three separate raptures instead of just one I see there are three raptures of three different groups of peoples in the Tribulation Period Instead of the one group of the one Rapture of the Church in only one of the three rapture positions offered us Namely the rapture positions of Pre or Mid or Post Tribulation Thus again I see three different raptures taking place as follows Rapture of the Church Rapture of the Two Witnessess Rapture of the Elect of Israel Pre Tribulation Mid Tribulation Post Tribulation Israel is always the key to proper biblical prophecy Without Israel in existence today as a nation there would be no final End Times Israel and the Church are separate in the Scriptures and so it only makes sense especially after seeing the evidence that I have accumulated in this book that Israel would have it s OWN rapture Further Christians are

making the same error of judgment pertaining to Christ's Rapture of the Church seeing only one rapture that Israel made concerning Christ's First Coming Israel perceived wrongly that there was only one Coming of Christ which they were sorely mistaken and we now know that there are two Comings of the LORD one 2 000 yrs ago and one in the near future But Christians are making the same error in thinking that there is only one rapture of one major group of people The Rapture of the Church When in fact there are two raptures of two major groups of peoples as noted above Note The Two Witnesses are not a group though I feel with some Scriptural evidence that the 144 000 may go up with the Witnesses In which the Left Behind notion will be proved wrong Also I have found a word pattern order exclusive to the KJB that shows forth this order in many OT verses as well as the NT I have found the threefold pattern of these three raptures in the Breastplate of the High Priest in the Seven Feasts of Israel in the books of Daniel and Revelation in the books of Matthew Mark and Luke and in many other places In addition these truths will strengthen the Eternal Security of any Believer Finally I have discovered many new study aids for advance studies that only appear in the KJB which will strengthen the Christian for the ongoing battle for the Bible The King James Bible in which these study aids can and will be demonstrated throughout this Eight Book Coded Series by which these eight codes are based in Acts 3 The codes are there in this chapter four times in a four times over repeating order perfectly This co *The Jonah Prophecies* Fred Paul Dello Iacono,2011-01-07 Hear the last gospel of Jesus Christ as the actual voice of Jesus narrates the endtime biblical prophecies to the faithful witness 168 Fred Dello Iacono through the key of David 56 knowledge exactly what the end will be like so that all world can have its eyes opened This book unseals the bible perfectly beyond mathematically infinity so its dire warnings cannot be refuted by any human Whoever thought it would be Jesus who would be the person who unseals the bible **The 8 Great Debates of Bible Prophecy** Ron Rhodes,2014-08-01 You've heard about the tribulation millennium rapture and antichrist but you may wonder what's all the debating about Do most Christians agree on the big issues And what about other topics dispensationalism interpretive views timing of events are they too complex for most folks to understand Not at all In this concise and easy to read review respected Bible teacher Ron Rhodes identifies eight of the most important end times discussions Avoiding complex arguments he highlights the most important biblical passages summarizes a few of the most popular interpretations and provides succinct conclusions He demonstrates that the Bible's end times teaching is intended to be a blessing for every believer As you compare and contrast the various viewpoints you'll be able to enjoy constructive conversations with other Christians and support your own informed convictions You'll also enrich your reading of the Scriptures and see how passages fit together in God's great plan for the ages **Trumpocalypse** Paul McGuire,Troy Anderson,2018-01-02 From the authors of the international bestseller *The Babylon Code* comes an explosive exposé of the chilling truth about the fierce opposition to the Trump presidency and why the globalist elite and Deep State will stop at nothing assassination military coup staged economic collapse or worse to overthrow him Trumpocalypse It's the media coined meme inciting panic and fear that

America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America's destruction to trigger World War III an unprecedented nuclear apocalypse ending the world as we know it But is the media telling us the truth No say internationally recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize nominated investigative journalist Troy Anderson America's most insidious enemies are not hostile nations they are elite globalists the Establishment that is making the 1 percent even richer while working and middle class people watch their incomes and net worth's flatline or plummet The authors fearlessly expose the globalist elite's secret plan for humanity and campaign of mass deception Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world's most respected geopolitical economic and military affairs experts faith leaders and biblical scholars McGuire and Anderson unmask these elites as members of secret societies with deep occult connections who have gained control of America's dominant institutions government education entertainment international banking and even the media Trumpocalypse explores the enigmatic prophecies and biblical codes involving Trump and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end time narrative unfolds as many people with prophetic gifts are predicting and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse It further reveals why Trump and millions of deplorables are fighting to stop the hidden agenda of the Establishment and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end times awakening that millions are praying for Here is an invitation to join the anti Establishment surge what evangelist Franklin Graham calls the Christian revolution and discover how to fulfill your own destiny in the run up to the Second Coming of Jesus Christ

The New Apostolic Reformation, Trump, and Evangelical Politics Damon T. Berry, 2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump

came from alleged prophetic visions that compelled them to defend Trump's candidacy and to continue to defend his presidency re election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God's anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump's candidacy presidency and re election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century End Times Bible Handbook Chad Trowell, 2015-08-20 The End times Bible Handbook is a guide to the Biblical record of the past and how the past has influenced near future events The next prophetic event on God's calendar is the Rapture Whatever year it happens the Rapture will happen at the end of Rosh Hashanah at the sound of the last trump at sundown The Rapture is the evacuation of believers off of our planet before the Tribulation begins 10 days after the Rapture 10 Days of Awe on Yom Kippur the Antichrist will guarantee the covenant of Rabin for 7 years That is the day that they shall say Peace and safety then sudden destruction cometh upon them 1 Thessalonians 5:3 Sudden means blindsided That is the beginning of 7 years of Satanic Genocide Terror War Famine pestilence strange weather earthquakes volcanos beheadings and 28 Judgments of God Or you could just say Jihad The Bible describes Islam as the Religion of the Antichrist that will rule the world for the last three and a half years of the Tribulation The real Jesus will return at Armageddon to save the remnants of believers And whosoever calleth upon the name of the Lord shall be saved Joel 2:32 Just Faith **The Babylon Complex** Erin Runions, 2014-04-03 Babylon is a surprisingly multivalent symbol in U S culture and politics Political citations of Babylon range widely from torture at Abu Ghraib to depictions of Hollywood glamour and decadence In political discourse Babylon appears in conservative ruminations on democratic law liberal appeals to unity Tea Party warnings about equality and religious advocacy for family values A composite biblical figure Babylon is used to celebrate diversity and also to condemn it to sell sexuality and to regulate it to galvanize war and to worry about imperialism Erin Runions explores the significance of these shifts and contradictions arguing that together they reveal a theopolitics that tries to balance the drive for U S dominance with the countervailing ideals and subjectivities of economic globalization Examining the confluence of cultural formations biblical interpretations and bio political philosophies The Babylon Complex shows how theopolitical arguments for war sexual regulation and political control both assuage and contribute to anxieties about waning national sovereignty Theoretically sophisticated and engaging this remarkable book complicates our understanding of how the Bible affects U S political ideals and subjectivities **A Guide to the Cosmology of William Blake** Kathryn S. Freeman, 2016-12-01 It is not surprising that visitors to Blake's cosmology the most elaborate in the history of British text and design often demand a map in the form of a reference book The entries in this volume benefit from the wide range of historical information made available in recent

decades regarding the relationship between Blake's text and design and his biographical political social and religious contexts Of particular importance the entries take account of the re-interpretations of Blake with respect to race gender and empire in scholarship influenced by the groundbreaking theories that have arisen since the first half of the twentieth century The intricate fluidity of Blake's anti-Newtonian universe eludes the fixity of definitions and schema Central to this guide to Blake's work and ideas is Kathryn S Freeman's acknowledgment of the paradox of providing orientation in Blake's universe without disrupting its inherent disorientation of the traditions whereby readers still come to it In this innovative work Freeman aligns herself with Blake's demand that we play an active role in challenging our own readerly habits of passivity as we experience his created and corporeal worlds **Adventures in Missing the Point** Brian D.
