The American Crisis Illustrated:

The American Crisis Illustrated Thomas Paine, 2020-07-12 The American Crisis or simply The Crisis is a pamphlet series by eighteenth century Enlightenment philosopher and author Thomas Paine originally published from 1776 to 1783 during the American Revolution

The American Crisis Thomas Paine, 2021-06 THESE are the times that try men's souls The summer soldier and the sunshine patriot will in this crisis shrink from the service of their country but he that stands it now deserves the love and thanks of man and woman Tyranny like hell is not easily conquered yet we have this consolation with us that the harder the conflict the more glorious the triumph What we obtain too cheap we esteem too lightly it is dearness only that gives every thing its value Heaven knows how to put a proper price upon its goods and it would be strange indeed if so celestial an article as FREEDOM should not be highly rated Britain with an army to enforce her tyranny has declared that she has a right not only to TAX but to BIND us in ALL CASES WHATSOEVER and if being bound in that manner is not slavery then is there not such a thing as slavery upon earth Even the expression is impious for so unlimited a power can belong only to God Whether the independence of the continent was declared too soon or delayed too long I will not now enter into as an argument my own simple opinion is that had it been eight months earlier it would have been much better
