Strength for the Journey Theophilus Titus Chondol,2014-11-12 Early reflections and impressions about the significance of life on earth and the purpose of our existence to bring glory and pleasure to our God remains the hallmark of this work After all what else are you here for if not to live for the cause God created you Jesus said For this cause came I unto this hour to this end was I born and for this cause came I into the world John 12 27 and 18 37 God in His grand plan for creation designed and decided our race tribes nationalities geographical locations times seasons and the bounds of our habitation God planned that mankind may seek Him and find Him because our purpose for existence is to His praise and glory Acts 17 2628 and Isa 43 7 and 21 Theophilus approaches this book with simplicity sharing his very experience with God as he journeys in God to the place of true fulfilment in life The message in this book encourages you to never settle for Gods second best when your original place is there for you before the foundation of the world God has made available the strength you need to be the person He had in mind for your assignment on earth This book shares that with you and encourages you to pursue your fullness in God
