## **When Does It Get Easier:**

**The After** Michael Ramos,2024-03-05 When Michael Ramos enlisted in the Navy and was assigned to serve as a chaplain's bodyguard thirteen days before 9 11 he had no idea he would soon be sent to Iraq But he embraced the posting combat service and career for a decade until at age thirty four the military told him his skill set was no longer relevant Through divorce and remarriage his son's choice to enlist in the Marines the loss of friends to war and suicide and his inability to sleep or rest Michael struggled with the return to civilian life and particularly with civilian attitudes toward veterans In twenty four concussive embodied and nonlinear essays Michael creates a challenging and complex portrait of what it means to be a warrior civilian veteran father husband and teacher for he ultimately uses the skills he developed in the military to help others find meaning in their lives While this may sound like a redemption story it is instead a brutally honest portrayal that refuses easy answers and seeks to help other war veterans realize they're not alone as they search for their place in the world

**On Strength** Nicholas J. Pappas,2012 This book examines many facets of strength in a philosophical dialogue that probes the meaning of character and values what is worth fighting for and why what it means to be a true friend how to know when it's right to stand up and when not to in sum what it means to be strong and how to find and train our own inner strength What is strength after all Is it as obvious as it seems Does it require more strength to act or to hold yourself from acting Why do you need it Where does truth come into play and how do we know truth when we see it How do heart soul and mind figure into things and where do we get our gut feelings Can you be strong when you are at odds with yourself In this Dialogue Father and Director coach Youth who has just been bloodied by a bully Having stood for what he felt was right it was a technical win but left Youth questioning himself He can build physical strength readily enough but it's not merely physical strength he needs His journey is about finding the right kind of confidence the right kind of strength Ours a trickier business but all the more worthwhile

What Would I Say Today If I Were to Die Tomorrow? Orest Stocco,2002 WHAT WOULD I SAY TODAY IF I WERE TO DIE TOMORROW gives readers more than a glimpse into the mind and life of a New Age Thinker WHAT WOULD I SAY TODAY IF I WERE TO DIE TOMORROW was inspired by the tragedy that terrorized America on September 11 2001 says author Stocco Realizing how vulnerable we really are I was moved by the tragedy to tell the story of my spiritual quest for the answer to the meaning and purpose of life Orest Stocco conveys his inspirational messages through in depth depictions of his personal relationships and

life experiences In true to life scenarios he interacts with colourful personalities all of whom have distinct foibles and strengths What may appear to be coincidental encounters turn into ideal opportunities to share his messages of spiritual enlightenment As one might expect however his insights are embraced by some and rebuffed by others Having explored ideas and belief systems from many teachings Mr Stocco reveals his own spiritual philosophy in this true account of his healing journey His provocative and at times controversial insights clearly reflect his newfound priorities in life and form the foundation for each chapter of WHAT WOULD I SAY TODAY IF I WERE TO DIE TOMORROW Woven into the text of his daily life is the story of one man s spiritual quest that answers the question that is central to every person s life Who am I says author Stocco The author is not afraid to defy conventional thought regarding spiritual matters or tackle head on the spiritual questions many of us are afraid to ask Mr Stocco s beliefs and the process by which he develops his philosophy of life are clearly defined While he may appear brash and forthright at times he is equally honest and sincere in his desire to educate and enlighten those around him Similarly he is very candid when sharing his own private spiritual experiences and revelations

**Our Dying, Our Death, Our Grief** Vincent Dodd,2024-10-16 Death is a clear cut objective moment but the process of dying and the choices we make for our own death and others is a wholly different subject Not becoming educated on your ability to influence your dying process is leaving that potentially long helpless period to fate Raw and informative this book explores the truth and asserts your right to knowledge and your right to say No to medical procedures that ultimately only prolong suffering once imminent and inevitable death arrives What can be done to decrease unnecessary suffering before inevitable death This suffering is almost always influenced by a fear or lack of acceptance of death For the most part the healthcare field cannot stop this pain and suffering due to many influences beyond its control unless you know how to protect yourself Ultimately it is up to the patient or their medical guardian to ensure a peaceful and dignified death It is obvious Vincent cares deeply about your awareness knowledge and choices as well as your control of your body and your own health care He cares to see your fears of this often dark and taboo subject decreased and hopefully alleviated His professional and personal caring perspectives come from twenty one years of bedside emergency and intensive care nursing in teaching hospitals followed by fourteen more years of advocating for both the dying and the living to pilot their own health care He takes a look at an otherwise bitterly avoided subject that we all must face and turns it into a highly informative easy and at times even funny to read There is a sweet icing on this normally hard to stomach cake known as dying death and grief the author also has some great input on how not only to stay alive longer but to feel more alive
