Utilisation of South African Research on Higher Education Jan Botha ,Gabriele Vilyte, 2021-10-26 The relationship between research on the one hand and policy practice on the other hand is complicated and collaboration between scholars in research on higher education RHE and institutional research IR practitioners is often lacking This book marks a collaborative effort of a diverse range of South African RHE and IR scholars and asks the overarching questions What do we know about the utilisation of South African research on higher education SARHE and its subset of research known as Institutional Research How and by whom is this research used The book begins by looking at the historical underpinnings of SARHE and delineating the shape and size of this body of research This is

followed by a series of case studies on South African Higher Education institutions and governmental bodies investigating how when and by whom are research on higher education and institutional research used in the decision making of these organisations This book is the first of its kind in South Africa and sets out to lay the groundwork for further research into the use uptake and utilisation of RHE and IR in this country *Ars Docendi et Scribendi: Essays in honour of Johan Scott* Edited by the Faculty of Law, University of Pretoria, *Ars Docendi et Scribendi* Essays in honour of Johan Scott Edited by the Faculty of Law University of Pretoria ISBN 978 1 920538 76 7 Pages 243 Print version Available Electronic version Free PDF available About the publication Festschrift a collection of articles by the colleagues former students etc of a noted scholar published in his or her honour During his travels abroad Johan Scott built up a wide network of international scholars who over time became a valued circle of friends many of whom spent enriching moments in his company and who contributed to this Festschrift Contributors were requested to write in their home language and furthermore to submit their contributions for publication in other journals worldwide specifically accrediting this Festschrift in order to expand access worldwide to the wonderful contributions written in honour of our colleague Great scholars like Johan never retire They might go fishing more than they could in the past but his calling of being a true teacher will never fade Scholars like Johan understand that the present and the future are inevitably linked to the past and although education depends on talent and performance it should always serve to build character and a vision for future generations Table of Contents Dedication Acknowledgments Publications of Johan Scott Essays Sessie en subrogasie Susan Scott Revisiting the maxim imperitia culpa adnumeratur in context of medical negligence can the maxim be extended to include the application of luxuria Pieter Carstens The Omissions in Oppelt Duard Kleyn Emile Zitzke Skeepshouer geboue roerend of onroerend I Knobel Wrongfulness derailed or on track Johann Knobel Fremdsprachige Rechtsbegriffe und Auslegung von internationalen Verträgen Gabriele Koziol Die actio de deiectionibus vel effusis in S dafrika und sterreich Helmut Koziol Wien Graz Die regsrelevansie van oorspel quo vadis Johann Neethling Johan Potgieter Die impak van die Nasionale Kredietwet op die Sakereg en Saaklike Sekerheid JM Otto How the European Court of Human Rights changed the life of surrogacy children Prof Dr Walter Pintens De Nederlandse Natuurschoonwet voorbeeld voor Zuid Afrika Prof Sebastiaan Roes Borgstelling saaklike sekerheidsregte n die verpligtinge van n medehoofskuldenaar n werklik merkwaardige uitspraak JC Sonnekus The Hopeless Case of Climate Change Can we still keep the floodgates shut Jaap Spier Dani l Witte Die Consumer Protection Act Laaste spyker in voetstoetsbedinge se doodskis Philip N Stoop Protection of trust beneficiaries through the application of basic trust principles Anton van der Linde Taming the chimera The treatment of wrongfulness in South African delict scholarship Daniel Visser Enkele aspekte rakende n retensiereg en n verhuurder se stilswyende hipoteek Dr M Wiese Personal tributes Andr Borraine Christof Heyns Aenna Malan Chris Pretorius Neil van Schalkwyk Caroline Van Schoubroeck Bibliography **Sustainable Development Goals for Society Vol. 2** Godwell Nhamo, David Chikodzi, Kaitano Dube, 2021-06-26 This book profiles various cases that are

emerging in addressing global challenges in the context of SDGs for society in the era of climate change and covers case studies of projects being undertaken to tackle biodiversity food security climate change energy and water security The book is written by 37 authors and will appeal to various stakeholders including academics working within the identified thematic areas policy planners development agencies governments and United Nations agencies The adoption of the Sustainable Development Goals SDGs in 2015 ushered a new era in the global development agenda as the world transitioned from the Millennium Development Goals MDGs The new era of SDGs that are all inclusive unlike the MDGs with the focus now being on ensuring human success that is predicated on environmental protection The year 2020 marked five years post the adoption of the SDGs with increased calls for stock taking of progress made amid strong calls for a decade of action to accelerate the delivery of the SDGs by 2030 These calls have been louder now given the impact of the COVID 19 pandemic which reset the global economy and increased intensity of extreme weather events across the world Since climate change has emerged as one of the biggest threats to the achievement of the SDGs there has been growing concerns on its impact on biodiversity loss and the extinction of some species There are also concerns regarding increased food insecurity at the household level in some parts of the world particularly in Asia and Africa With the demand for climate change action on the increase there have also been growing calls for the big carbon emitters to drastically cut their emissions and invest in clean energy to save the planet by following development pathways making emissions stay under the 1.5°C increase in temperature

Global Perspectives on Decolonizing Postgraduate Education

Gumbo, Mishack Thiza, Gaotlhobogwe, Michael, Pedzisai, Constantino, Jojo, Zingiswa Mybert Monica, Knaus, Christopher B., 2024-05-13 A deep seated issue persists in postgraduate education one that threatens the relevance of academia in our diverse and evolving world The problem at hand is the Western centric nature of postgraduate education where research paradigms methodologies and theoretical frameworks overwhelmingly reflect a Western worldview This rigid adherence to Western ideologies has left indigenous communities on the periphery of academic discourse denying them the opportunity to engage with their knowledge systems and practices Despite the richness and prevalence of indigenous knowledge the existing educational structure remains a barrier to their inclusion This disconnect is not only an academic concern but also a societal one as it hinders sustainable development and stifles the voices of indigenous scholars and students Global Perspectives on Decolonizing Postgraduate Education serves as a compelling solution to the problem at hand It offers a comprehensive roadmap to decolonize postgraduate education infusing it with indigenous approaches paradigms theories and methods Through critical examination and practical strategies this book empowers academics curriculum designers and postgraduate students to embark on a transformative journey

Sustainable Development in Africa

Walter Leal Filho, Rudi Pretorius, Luiza Olim de Sousa, 2021-07-09 This book serves the purpose of documenting and promoting African experiences on sustainable development which encompasses both formal and non formal education Sustainable development is very important to Africa but there is a paucity of publication which documents and promotes experiences from African countries Due to their complexity the interrelations between social economic and political factors related to sustainable development especially at universities need to be better understood There is also a real need to showcase successful examples of how African institutions are handling their sustainability challenges It is against this background that this book has been produced It is a truly interdisciplinary publication useful to scholars social movements practitioners and members of governmental agencies and private companies undertaking research and or executing projects focusing on sustainability from across Africa As African nations strive to pursue the UN Sustainable Development Goals it is imperative to cater for the information needs seen across the continent and foster the dissemination of experiences and case studies which may support

both on going and future efforts The scope of the book is deliberately kept wide and we are looking for contributions across the spectrum of sustainable development from business and economics to arts and fashion administration environment languages and media studies Internationalization in Higher Education and Research Lars Engwall,2024-01-01 This book examines the pros and cons of the internationalization of higher education institutions which is an important feature of modern universities It makes a significant contribution to our understanding of universities and an important input to the assessment of the internationalization of higher education institutions both for regulators and for the universities themselves The book s three parts focus on a number of issues associated with internationalization The first part Perspectives on Internationalization provides critical reflections on internationalization on the globally distributed European American university and on the impact of rankings The second part The Obstacles to Internationalization deals with the significance of language challenges of mobility and environment concerns The third part Alternative Modes of Internationalization discusses internationalization at home international distance education and the establishment of international branch campuses
