Sin, Prayer Forgiveness & Miracles Louis Martinez,2018-10-02 Miguel s life was not much different than the boys his age in the 1950 s until he got sick He would question God never understanding his lot in life That questioning would culminate at the age of 20 in the middle of a blizzard when Miguel asked God to kill him His hope was to ask God face to face why he was having seizures and why a young man who did all he could kept getting sick Forty dollars would appear out of nowhere in the bushes next to him during the conversation Miguel sorely needed that money to pay for his medication that same evening Miguel understood immediately that God is not only real but that He is listening and is a God of reason and compassion This is the true story of Miguel s life before and after the night of the blizzard It tells of how Miguel would accept the reality of God and the answers to prayer he soon began receiving on a consistent basis The intention of this book is to encourage both believers and nonbelievers to a closer walk with their Creator Jesus Christ and to remind them that God does answer prayer This book was born out of the author s promise to God to write of the miracles he would live The author truly hopes to encourage someone to believe of the daily existence of an almighty God

From the Jar of Blessings Shawn Wells, 2024-06-10 From the Jar of Blessings is a compilation of about 270 blessings and or inspirational quotes that were sent to me by family and friends over a period of eleven years I would write each blessing quote on bright colored squares of paper fold them up and put them in a big glass olive jar I have For this book I have taken each blessing and or quote and written my thoughts about them Some of the blessings quotes are deeply personal while others are quite funny This book reminds us that God sends us blessings and inspiration on a regular basis whether it be a simple blessing such as a small act of kindness or a huge blessing such as sparing a life after what could have been a fatal accident All too often we are so busy that we don't take the time to focus on the blessings all around us Some of the blessings in this book were sent to me by adults and others were sent by kids For some reason kids have an easier time recognizing blessings One boy sent in the following blessing I am thankful a boy in my class spoke up and stopped someone from bullying me I was so blessed to know that there were students at the school who were willing to stand up for others Bullying is such a problem in our schools and it is so important that children and adults stand up against it The blessings quotes in this book deal with topics such as Alzheimer's disease caregiving lack of finances cancer and many more Hopefully the blessings and or quotes in this book will cause you to look at day to day life from a different perspective
