Unisa Provincial Time Table:

Unisa Latin American Report ,1999 **Designing and Delivering Distance Education** ,2004 **Sustainable Development Goals and Institutions of Higher Education** Godwell Nhamo,Vuyo Mjimba,2019-09-14 This volume brings together both theoretical and case study based contributions to the implementation of the Sustainable Development Goals SDGs in Institutions of Higher Education IHE presenting an impactful combination of authors from both developing and developed countries While most current publications addressing the SDGs and education focus on sustainable development in general and specific topics such as climate change or energy this book attempts to accelerate the localisation of the SDGs by presenting opportunities and innovations offered in various universities and campuses regarding SDGs localisation The book seeks to provide an important contribution to the global dialogue on IHE and the SDGs and will be of interest to academics and researchers engaged in the SDGs and education as well as government agencies and other interested stakeholders The book focuses on curriculum and learning matters research and development as well as community engagement Case studies detail the integration of SDGs in academic and professional development new approaches to implementing sustainability science instruction improvements in teaching practices to enhance teacher competence and responsible management education Additional focus is placed on the alignment of the SDGs in higher education with the other goals emphasizing technological innovation for improved human health and environmental management and climate change policies and action plans Interdisciplinary solutions for pressing environmental problems are also provided making sure that no one is left behind in realising these global development goals **National Policy & a Regional Response in South African Higher Education** Nico Cloete,2004 This study looks at measures taken in the Eastern Cape to provide the higher educational institutions in a region of high poverty and high unemployment with strategic co operation scenarios for post school education Fort Hare College Rhodes University two of South Africa s historic institutions of higher education are both in the Eastern Cape book cover **Unisa English Studies** University of South Africa. Department of English,1970

Accessing Post-School Studies Venicia McGhie & Madge du Preez,2017-12-01 Accessing Post School Studies A student s GPS to successful learning makes a valuable contribution to often problematic and pertinent South African higher education issues such as student access and success student learning student support and student engagement In this regard the authors draw on the works of higher education theorists such as Kuh Tinto Marton and S lj The book is primarily a helpful resource for South African learners in school students at universities life orientation teachers as well as parents of prospective university students It will especially assist students to adapt to the university environment Prof Victor N Teise Sol Plaatje University Kimberley South Africa Climate Change Resilience in Rural Southern Africa Mark Matsa,Lazarus Chapungu,Godwell Nhamo,2024-12-17 In rural Southern Africa the livelihoods of millions are intricately linked to the land water and ecosystems that are increasingly under threat from climate change This intensifying threat has exacerbated pre

existing vulnerabilities rendering the need for resilience building more critical than ever Emerging scholarship on climate change strategies suggest that building resilience in human and environmental systems is the ideal strategy for combating the climate change induced catastrophes Rural Southern Africa has witnessed both isolated and coordinated efforts by various stakeholders to bolster climate resilience yielding varying degrees of success This book offers a comprehensive examination of the rural Southern African landscape probing the intricate dynamics prospects and challenges associated with building climate resilience It examines how traditional knowledge innovative practices including Artificial Intelligence and sustainable development strategies are converging to create resilient systems The book further highlights the critical role of local communities in addressing climate challenges and offers actionable insights for a more resilient future It emerged that some interventions have managed to build resilience of at risk households communities and systems while others have faced significant challenges In general climate resilience building remains complex and lagging due to increased vulnerabilities induced by global disease emergencies such as COVID 19 increased poverty due to global recessions poor governance corruption and several other internal and external factors Therefore the need to increase cooperation amongst Southern African states to pursue common development goals cannot be overemphasized Rich with case studies expert analyses and systematic reviews this book is an essential read for policymakers researchers and those invested in the future of rural Southern Africa

Call It Like It Is Jonathan Kaplan, 2014-06-05 The world of the international rugby referee has always been a closely guarded secret until now As a Durban schoolboy Jonathan Kaplan watched rugby at Kings Park every Saturday dreaming of the day he would represent his country Now three decades later and at the age of 47 he reflects on the career highs and lows that saw him retire as the most capped international Super Rugby and Currie Cup referee of all time But records and milestones are just a part of an intriguing memoir that affords the reader a rare glimpse into the world of international refereeing and what lies behind that enigmatic penetrating glare that is as typical of Jonathan Kaplan as his silver grey patch of hair In *Call It Like It Is* Kaplan describes exactly what it takes to be an international rugby referee his gradual climb to the top the sacrifices he had to make in his personal life his struggle with injuries and rugby management the toll an itinerant lifestyle exacted upon him and much much more But this is not only an autobiography Kaplan also offers his opinion on the role of technology in rugby dissects his own successes and failures debates the selection and assessment of referees and yes gives his take on the 2011 Rugby World Cup and the Bryce Lawrence affair Containing all the guts and glory you d expect from an epic rugby tale this is also the frank and forthright account of a man who both in life and on the pitch would only ever call it like it is

South African journal of library and information science, 2006 **Teacher Education and Institutional Change in South Africa** Glenda Kruss, 2008 In 1994 the South African teacher education landscape was fragmented across a wide variety of institutional sites

The Principles and Practice of Auditing George Puttick, Sandy van Esch, 2007 A valuable resource for students preparing for certification registered accountants and auditors and financial

personnel in various businesses this is the 9th updated edition of a classic auditing text Integrating theory with practice and application it is up to date with the field s recent and gradual transition from self regulation to external auditing and supervision Annual Report South Africa. Department of Basic Education,2016 *South Africa's Magnifying Glass* Pieter Kok,1998 South Africa s transformation to democracy has highlighted the need for reliable socio economic information and analysis to inform the process of meeting our numerous and complex development challenges South Africa ,1992

Mentorship Strategies in Teacher Education Dikilitas, Kenan,Mede, Enisa,Atay, Derin,2018-05-18 Mentoring in teacher education has been a key issue in ensuring the healthy development of teacher learning Variety in the actualization of mentoring can lead to the exposition of new qualities and the evolving roles that mentors might undertake Mentorship Strategies in Teacher Education provides emerging research on international educational mentoring practices and their implementation in teacher education While highlighting topics such as e mentoring preservice teachers and teacher program evaluation this publication explores the implementations and implications that inform the existing practices of teacher education mentoring This book is a vital resource for researchers educators and practitioners seeking current research on the understanding and development of existing mentorship strategies in a variety of fields and disciplines Success with English Communication Viviers,1992-12 *The Origin and Growth of Geography as a discipline at South Africa Universities* Gustav Visser,Ronnie Donaldson,Cecil Seethal,2016-09-20 *Research Report* University of South Africa.
