Managing Knowledge Intensive Entrepreneurship Maureen McKelvey, Astrid Heidemann Lassen, 2013-05. This original and exciting work differs from existing books on entrepreneurship by focusing specifically on the relationship between knowledge and entrepreneurship. The book uniquely combines an academic review of theoretical and empirical contributions with an analysis of the practical implications for engaging in and learning about venture creation. The authors concentrate on specific types of firms reliant upon advanced knowledge and show how a systemic perspective of entrepreneurship is required, involving design thinking in order to capture the relationships between individual venture and eco system. Managing Knowledge Intensive Entrepreneurship will be insightful for academics and practitioners as well as advanced students on entrepreneurship courses.
