Michael Graeme, 2024-03-02 Phil and Penny were made for each other The only problem is they are married to other people When they meet at a Tai Chi class they soon realise the depth of one another s loneliness and their need for a sympathetic ear Fearful of the consequences of becoming too close they try avoiding each other But fate has other ideas and their paths begin to cross with chance defying regularity pulling them ever more deeply into one another s confidence Is this evidence of a mysterious power at work or should they simply have an affair Middle aged and married for a long time their apparently

unavoidable relationship causes them to ask serious questions of the meaning of their lives and their marriages and finally to demand that their families respect them for who they really are But will their families recognise them Will they even recognise themselves     *The Biomechanical Analysis of the Tai Chi Fixed-step, Single Push-hand Movement* David J.
