Translated by Joseph Smith, Jun. Fifth European Edition. Stereotyped ,1854 *Foundational Texts of Mormonism* Mark Ashurst-McGee, Robin Scott Jensen, Sharalyn D. Howcroft, 2018 Joseph Smith founding prophet and martyr of the Church of Jesus Christ of Latter day Saints personally wrote dictated or commissioned thousands of documents Among these are several highly significant sources that scholars have used over and over again in their attempts to reconstruct the founding era of Mormonism usually by focusing solely on content without a deep appreciation for how and why a document was produced This book offers case studies of the sources most often used by historians of the early Mormon experience Each chapter takes a particular document as its primary subject considering the production of a document as an historical event in itself with its own background purpose circumstances and consequences The documents are examined not merely as sources of information but as artifacts that reflect aspects of the general culture and particular circumstances in which they were created This book will help historians working in the founding era of Mormonism gain a more solid grounding in the period s documentary record by supplying important information on major primary sources **Having Visions** Susan Wolverton, Susan Stansfield Wolverton, 2004 In *Having Visions* the author presents an objective respectful and faithful translation of its content accompanied with an historical and scientific context for understanding its insertion into the body of human affairs In *The Book of Mormon* the ancient American prophet Mormon presents the history of his people the Nephites The intent of the present book is to present his story as told and its relationship to history as known without altering its essence It should be noted that exhaustive archeological genetic and linguistic research has been undertaken by both proponents for and detractors of the existence of the Nephites So far no evidence supporting the claim has ever been found for any place person or event mentioned in *The Book of Mormon* while abundant contradictory evidence has been discovered and independently verified **Joseph Smith's Translation** Samuel Morris Brown, 2020 In *Joseph Smith s Translation* Samuel Morris Brown argues that rather than constituting literal translations of extant documents Smith s religious translations express the mystical power of language and scripture to interconnect people across chasms of space and time *World's Fair Ecclesiastical History of Utah ,1893* *Thank You for the Book of Mormon* Carl George, 2007-03 Whatever one believes about the Book of Mormon there can be no doubting the sincerity of the people who seek to share it with others This book respects that sincerity while asking some important questions about the Latter Day Saints faith World Religions *The Mormon Question* Schuyler Colfax, John Taylor, 1870 **The Main LDS Books** William Alexander Linn, John Taylor, Joseph Fielding Smith, Wilford Woodruff, B. Seer Stone v. Urim & Thummim L. Hannah Stoddard, James F. Stoddard III, 2019-04-06

Seer Stone v Urim and Thummim places the Book of Mormon translation on trial, presenting the latest research in one of the most comprehensive treatments of the translation process to date, providing encouragement for Latter day Saints who fear they have been betrayed by the translation history taught by the Church for over 190 years. Did Joseph Smith study and master the Nephite language? Did the Prophet tutor some of the early Brethren in ancient Nephite characters? Did Joseph Smith translate the Book of Mormon using a dark seer stone in a hat? Why are progressive historians creating a new history using sources from a man who vowed to wash his hands in the blood of Joseph Smith while boasting that he had deceived the Prophet and his God? Has The Church of Jesus Christ of Latter day Saints covered up its history for nearly 200 years? Was Joseph Smith a treasure digger? During his life, did the Prophet artfully suppress his alleged treasure digging past? Did Joseph Smith cover up his use of a seer stone during the translation, feigning use of the Urim and Thummim? What new information has The Joseph Smith Papers Project uncovered that challenges our understanding of the translation process? Is David Whitmer a credible witness of the Book of Mormon translation? Did you know that David Whitmer consulted a witch and occultic seer stones, denounced Joseph Smith as a false prophet, and aided the mob in the persecution of the Missouri Saints? Was Joseph Smith involved in sorcery, astrology, and ritual magic? *Seer Stone v Urim and Thummim* makes a great case for simply going back to the basics. That is, accepting the translation of the Book of Mormon as Joseph said it was done, as opposed to how others claim it was done. It is well researched and very enlightening and a must read for those who are
