Bible Study Participant's

Guide, Updated Edition Philip Yancey, 2021-05-04 The future of Christianity depends on how we master the art of understanding and giving grace At the end of the twentieth century Philip Yancey wrote his classic bestseller *What's So Amazing About Grace* as a testament to the power of God's grace and as a rallying cry to the Christian church to see the acting out of grace as its single most important contribution to the world Now in this 6 session video based participant's guide DVD video streaming sold separately Yancey reexamines with fresh material and new stories the scandalous power of grace so that groups and individuals can reflect upon share and extend this amazing gift of Christ in new and transformative ways In this study you'll discover The extent of God's love and what it means for us Why the church seems to have lost the gift of grace giving and why the world apart from the church can't offer it at all What it would look like for us to truly understand receive and give the gift that God gives so generously to us Yancey offers compelling and true portraits of grace's life changing power He searches for its presence in his own life and in the church He asks how Christians today can contend graciously with moral issues that threaten all they hold dear And he challenges each of us to become living answers to a world that desperately wants to know what's so amazing about grace *Do You Know What's So Amazing About Grace?* Philip Yancey, 2001-07 *From Sin to Amazing Grace* Patrick S. Cheng, 2012-03-01 Throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God's saving grace As a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence This issue takes on a particular urgency in light of the ongoing harassment and bullying of LGBT young people by their classmates Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws Rather Cheng proposes a Christological model based upon the theologies of Irenaeus Bonaventure and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ This book serves as a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the context of the 21st century **What's So Amazing about Grace?** Philip Yancey, 1997-09-01 **That Amazing Grace** Dick B., 1996 Dick B as A A's leading historian is particularly qualified to write on this Clarence Snyder subject First he read the Clarence Snyder materials Second he met a number of Snyder sponsees at the Snyder spiritual retreats where he was invited to speak Third he worked with and partially edited the *How It Worked* book by Clarence Snyder sponsee Mitch K Fourth Dick and his son spent a week with Clarence's widow Grace gathering information about Clarence Grace and A A Finally Dick was later asked by three old timer Clarence Snyder sponsees to compile and edit their A A Legacy based on Snyder's teachings techniques beliefs and their successes Dick has published 33 history titles in all to date *The Homilies of S.
