What Work Is Poems Philip Levine:

Breath Philip Levine, 2011-09-07 Always a poet of memory and invention Philip Levine looks back at his own life as well as the adventures of his ancestors his relatives and his friends and at their rites of passage into an America of victories and betrayals He transports us back to the street where he was born early in the final industrial century to help us envision an America he s known from the 1930s to the present His subjects include his brothers a great uncle who gave up on America and returned to czarist Russia a father who survived unspeakable losses the artists and musicians who inspired him and fellow workers at the factory who shared the best and worst of his coming of age Throughout the collection Levine rejoices in song Dinah Washington wailing from a jukebox in midtown Manhattan Della Daubien hymning on the crosstown streetcar Max Roach and Clifford Brown at a forgotten Detroit jazz palace the prayers offered to God by an immigrant uncle dreaming of the Judean hills the hoarse notes of a factory worker who completing another late shift serenades the sleeping streets Like all of Levine s poems these are a testament to the durability of love the strength of the human spirit the persistence of life in the presence of the coming dark *On the Poetry of Philip Levine* Philip Levine, 1990-12-31 The first critical collection to focus on Levine *New Selected Poems of Philip Levine* Philip Levine, 2011-09-07

LIGHTS I HAVE SEEN BEFORE The children are off somewhere and when I waken I hear only the buzz of current in the TV and the refrigerator groaning against the coming day I rise and wash there is nothing to think of except the insistent push of water and the pipe s *What Work Is* Philip Levine, 2011-08-31 Winner of the National Book Award in 1991 This collection amounts to a hymn of praise for all the workers of America These proletarian heroes with names like Lonnie Loo Sweet Pea and Packy work the furnaces forges slag heaps assembly lines and loading docks at places with unglamorous names like Brass Craft or Feinberg and Breslin s First Rate Plumbing and Plating Only Studs Terkel s *Working* approaches the pathos and beauty of this book But Levine s characters are also significant for their inner lives not merely their jobs They are unusually artistic living at the borders of dreams One reads *The Tempest* slowly to himself another ponders a diagonal chalk line drawn by his teacher to suggest a triangle the roof of a barn or the mysterious separation of the dark from the dark *What Work Is* ranks as a major work by a major poet very accessible and utterly American in tone and language Daniel L Guillory Library Journal

What Work is Working Classics Peter Oresick, Nicholas Coles, 1990 A diverse collection of 169 poems by 74 poets writing about blue collar America at work Arrangement is by author with indexing that gives access by subjects such as accidents after work bosses various industries retirement sabotage pride in work The theme of work is a central and evocative one and this collection brings its importance home *A Study Guide for Philip Levine's "Starlight"* Gale, Cengage Learning, 2016 A Study Guide for Philip Levine s *Starlight* excerpted from Gale s acclaimed *Poetry for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For

Levine, 2011-08-31 Winner of the Pulitzer Prize in 1995 Written in a voice that moves between elegy and prayer *The Simple Truth* contains thirty three poems whose aim is to weave a complex tapestry of myth history both public and private family memory and invention in a search for truths so basic and universal they often escape us all *Sweet Will* Philip

Levine, 2013-07-03 Pulitzer Prize winning poet Philip Levine published *Sweet Will* his eleventh volume of poems in 1985 His last book with Atheneum it has been unavailable for many years Because of its subdued and thoughtful nature it was seen as a transitional book for Levine one that presaged the tone of much that was to come Peter Stitt writing in the *Kenyon Review* called it the quietest book that Philip Levine has ever written concluding that though the river that glides through it is still on the surface the sweetness of its will runs deep indeed And Dave Smith writing in *Poetry* delighted in the poems of emergent tenderness and faith and claimed that linking himself to Wordsworth who loved this world uncommonly in uncommon poetry Philip Levine has lifted his moral tale to the level of joyful celebration The poems in *Sweet Will* are set in Detroit California New York Europe and the country of memory Their aim is to bring the overlooked events of daily life into a sharper focus that transcends the ordinary At the time of its original publication the book was seen as an attempt to bring together the themes and methods of Levine's early groundbreaking work the anger of *They Feed They Lion* the family concerns of 1933 the characters of *The Names of the Lost* and the hopes of *One for the Rose* Yet it is clearly a mid career book composed by a poet who can begin to look back in tranquility at a tempestuous life The poems including the long meditation of more than five hundred lines *A Poem with No Ending* are beautiful and essential Restored to print they will resonate with readers who love both the earlier and the later work of one of our most important poets *One for the Rose* Philip Levine, 1981 **New**

Selected Poems Philip Levine, 1991 Includes selections from the poet's latest works *Sweet will* and *A walk with Tom Jefferson* **The Mercy** Philip Levine, 1999 Philip Levine's new collection of poems his first since *The Simple Truth* was

awarded the Pulitzer Prize is a book of journeys the necessary ones that each of us takes from innocence to experience from youth to age from confusion to clarity from sanity to madness and back again from life to death and occasionally from defeat to triumph The book's mood is best captured in the closing lines of the title poem which takes its name from the ship that brought the poet's mother to America A nine year old girl travels all night by train with one suitcase and an orange She learns that mercy is something you can eat again and again while the juice spills over your chin you can wipe it away with the back of your hands and you can never get enough **The Last Shift** Philip Levine, 2016-11-08 The final collection of new
