When Embers Ignite The Mended Hearts Collection :

When Embers Ignite Sharon Landis, 2016-03-12 Trace Reynolds a firefighter with a troubled past isn't looking for a committed relationship. With his heart bruised and broken too many times, he is only interested in a friendly, fun, long distance thing with no strings attached. He meets Ellie Waters, a fun and confident beauty with commitment issues of her own. It seems like a match made in Heaven. When Ellie learns about Trace's tendency to defy death not only in his career but in his leisure time activities, she wonders if this is someone she wants to get involved with, even casually. Will having a couple of near death experiences of her own change her mind? Will Trace stick around long enough to save her, or will she have to depend on someone else? *Relics of Romance* Tessa Wilde, In a charming Brooklyn apartment overflowing with quirky collections, stamps, lipsticks, even a bacon flavored condom, a young art curator with a knack for falling hard and fast turns heartbreak into her masterpiece. After a public betrayal shatters her latest romance, she transforms her breakup relics into an unconventional museum, inviting others to shed their own emotional baggage. What begins as a cathartic whim spirals into a cultural sensation, drawing crowds, press, and a chance at redemption. Amid vintage dresses, ping pong bars, and a bonfire under the Brooklyn Bridge, she navigates love's messy ruins, only to discover that letting go might just mend her heart. A witty, tender tale of art, loss, and the unexpected beauty of moving on, this is a love letter to New York City and the broken things that make us whole.

The Mended Heart Rhonda Milner, 2019-04-02 In *The Mended Heart*, author and poet Rhonda Milner brings readers an inspirational book of her poetry, prose, and photography, offering them comfort and hope when they are going through difficult times. Drawing from her own experiences of joy and happiness, pain and sorrow, she shares words that encourage and lift the spirits of those who need to be reminded they are not alone. The poetry and writings have been compiled over the past 3 years from her Healing Presence Ministry blog, where she has gained a worldwide following of over 2.6 million fans on Facebook, along with Instagram. This book is a journey to hope, allowing readers from all walks of life, cultures, and faiths to connect with the thoughts and wisdom of the author as she leads them through the human and universal experiences of love, both love experienced as people and love as shown by God, the pain, and yet gentle and inherent beauty of suffering, and the promise of hope. The heart is never the same after it's been broken, but it can be healed. Ultimately, *The Mended Heart* brings readers to a place where they can recognize and experience God's love, receiving help and blessing through the writings and honest reflections of someone who's been down the road of both heartache and healing. This beautiful coffee table gift book pairs the author's writings with her original photography, speaking powerfully, gently, and honestly to the soul. *Embers Light* El, 2024-07-14 Sage looked down at the eyes that had drained of fire. Those steel blue eyes bore into his unblinking. He waited for the retort for the snide remark that would send him reeling, but it didn't come. Somehow, that was worse. It meant that the situation was far graver than any of them had realised.
