journal and would like the cover to appear like a journal cover I thought the sketch might be used as a wrap around cover for
the book either as is or with water color washes of the sky ocean beach and van or Perhaps the sketch would fit as a 4x6 or

Tham,2020-10-25 A seventy year old Northwestern journalism professor Loren Ghiglione and two twenty something
Northwestern journalism students Alyssa Karas and Dan Tham climbed into a minivan and embarked on a three month
twenty eight state 14 063 mile road trip in search of America s identity After interviewing 150 Americans about
contemporary identity issues they wrote this book which is part oral history part shoe leather reporting part search for
America s future part memoir and part travel journal On their journey they retraced Mark Twain s travels across America
from Hannibal Missouri to Chicago New York Boston Philadelphia Washington DC New Orleans Salt Lake City San Francisco
and Seattle They hoped Twain s insights into the late nineteenth century soul of America would help them understand the
America of today and the ways that our cultural fabric has shifted Their interviews focused on issues of race religion gender
sexual orientation and immigration status The timely trip occurred as the United States was poised to replace president
Barack Obama an icon of multiculturalism and inclusion with Donald Trump whose white identity agenda promoted exclusion
and division What they learned along the way paints an engaging portrait of the country during this crucial moment of
ideological and political upheaval **Comprehensive Calendar of Bicentennial Events West of the Mississippi**

as God directs her through challenges and sometimes loneliness but because of her love and devotion toward God he answers
her prayer exactly what she asks for She gives her testimonies and scriptures to light up the path for all readers so that they
