The Student Nurse Handbook E-Book Bethann Siviter, 2008-06-25 This book is an indispensable guide on how to get into and survive a pre registration nursing course With an immensely readable style this book inspires and encourages students to complete their course and become a nurse Covering a wide range of topics it helps students to Make the most of clinical placements Make drug dosage calculations and administer medication Write assignments Avoid plagiarism Cope with stress Create a portfolio Reflect on practice Understand nursing models theories and philosophies Understand medical terminology and nursing jargon Deal with legal and ethical issues This

unique book will be useful to those of any age considering a career in nursing with or without previous experience in healthcare. It helps students to understand exactly what tutors and mentors expect from them and helps to plan for and cope with the inevitable stresses and frustrations. The Student Nurse Handbook is an essential companion to the pre registration nursing course. Case studies and quotes from students and nurses show readers that their thoughts and feelings are shared by others; this validation will reduce stress and anxiety and give credibility. Humour and cartoons make the text readable and fun to use. Hints, tips and practical advice encourage the flagging student. Appendices list other useful resources, contact details for organisations and websites. The two colour design makes it attractive to use. Fully updated in line with changes in nursing practice e.g. the revised NMC Code of Professional Conduct, the Disability Discrimination Act, Agenda for Change and the Knowledge and Skills Framework. Expanded section on nursing models. More help with drug dosage calculations to assist students in developing their numeric skills. More on help on writing assignments and how to use research including applications to practice. Expanded appendices on children's nursing and mental health branches. Template forms to assist with course applications, planning assignments and a check list for placements.

The Student Nurse Handbook Bethann Siviter, 2013-07-11. This convenient Handbook will be invaluable to students starting out on a pre registration nursing course. Covering a broad range of topics from helping understand what tutors and mentors expect, how to plan work and coping with stress, it will support undergraduates across all aspects of student life. This book will help students to Write assignments, Cope with stress, Make the most of clinical placements, Reflect on practice, Understand nursing models, theories and philosophies, Understand medical terminology and nursing jargon, Deal with legal and ethical issues.

A Handbook for Student Nurses, second edition Wendy Benbow, Gill Jordan, 2013-09-10. A Handbook for Student Nurses is a comprehensively updated introduction to the essential background knowledge that pre registration nursing students need as a foundation for the rest of their training. This book covers the core of first year nursing: Legal and professional issues, Communication, Values and health care ethics, Reflection and personal development, Evidence based practice, Study skills and IT, Medicine, IV fluid and drug administration (new for this edition), Case studies and examples, activities and reflection points, all aid learning while up to date legislation, key documents and reports and website links to relevant organisations provide easy access to core information. What lecturers thought about the first edition: I found this to be an excellent resource and I feel students new to the profession would find it extremely useful. The book is well organised, highly readable and accessible. An excellent introductory text for student nurses written in a clear and illuminative style.
