Excerpt Stand up Jason she said quietly Shakily and with her help I lifted myself off her legs and started to stand I wobbled for a moment and then found my balance and she took her steadying hands away I knew it was too late to conceal what had happened so I did not try My slowly softening cock stuck out in front of me as I stood upright My eyes stayed locked on the ground I couldn't bear to look at her That's never happened before she said her tone deceptively mild My cheeks burned hotter but I could not think of anything to say Would you care to explain it My eyes locked on the floor and my face growing redder still I shook my head I thought I was joking when I said you enjoyed being disciplined she said But it's true isn't it I bit my lip trying to tell myself this was all a bad dream and what had just happened had not actually happened All this time I thought I was punishing you when you got out of line but you've been enjoying it Answer me I drew in a shuddering breath and managed to look at her shoes Yes ma'am I said I physically recoiled as the word ma'am emerged from my mouth again I'm sorry I blurted close to tears I never I mean it's just I didn't mean to I'm sorry I don't try to make you angry with me or anything It's just the way it affects me The way being around you I clamped a hand over my mouth horrified that I had said too much Even without glancing up I could feel the way she was looking at me I stared at the floor and tried to ignore the still prominent form of my cock as it shrank embarrassingly slowly in my soiled underwear Another hot wave of humiliation rose in me at the sight of myself and unwedged my underwear and pulled up my pants Perhaps this explains a few things she said Maybe I should not be so surprised Maybe it's my fault that I did not see it before I dared a shy glance up at her to see how

mad she looked To my relief her expression was thoughtful devoid than the disgust or betrayal I had dreaded seeing there Well clearly Jason the arrangement we have been operating under cannot continue can it You ve given me a lot to think about Nervously I straightened my pants again feeling the squelch of the come still in my underwear If only she would say something definite something to indicate how she felt about this I could not deny that a small part of me imagined her being maybe a little intrigued But that was just a childish fantasy too much to hope for You ll need to go home to change and I think it would be best if you took the afternoon off she said after a moment But it s clear we need to talk about this when there isn t work to be done Come by my apartment would you after I ve locked up for the night I bobbed and nodded Yes m I shook my head as though to clear it and began to move towards the door And Jason she said Yes You haven t lost any more orders you might want to tell me about have you I shook my head even my ears burning at this final jab and left the room Don't Call Me Island Girl Teddi Lawless,2016-09-13 To reach me a man might start by climbing then crawling up the side of the volcano I was only twenty two but the cruise boat tourists had been sharing stories about me Certain kinds of cruise boat tourists The twisted kind Mistress Chlo has it all the career as a successful artist the hidden punishment chamber built by adoring submissives who vie for the chance to be tortured there Then her life on a modern day island of fantasy comes crashing down when Alec arrives at her dungeon door He begs her to give him every test so that he can become her collared slave and escape a life of dirty work in the family business Trouble is his family s business is organized crime And they re not ready to let the oldest son and heir apparent disappear into fantasy This femdom romance is a complete steamy novella in 16 000 words including no cliffhangers and a Happy Ever After Expect pirates a deserted island and a cruel expert in female domination who might have a soft spot for a sufficiently eager male submissive All characters are safe sane consenting adults over age 21
