Ethics and Justice Annika Bergman-Rosamond,Mark Phythian,2011-01-28 This edited volume addresses the key issues of ethics war and international relations in the post 9 11 world There is a lively debate in contemporary international relations concerning the relationship between statist obligations to one s own political community and cosmopolitan duties to distant others This volume contributes to this debate by investigating aspects of the ethics of national military and security and intelligence policies in the post 9 11 environment The discursive transformation of national militaries into forces for good became normalized as the Cold War subsided While the number of humanitarian military interventions and operations rose considerably in the immediate post Cold War period the advent of the war on terror raised questions about exactly what we mean by ethical behaviour in terms of military and security policies This volume interrogates this key question via a focus that is both distinctive and illuminating on national military ethics femininities masculinities and difference and intelligence ethics The key objectives are to demonstrate the important linkages between areas of international relations that are all too often treated in isolation from one another and to investigate the growing tension between cosmopolitan and communitarian conceptions of intelligence and security and the use of armed force This book will be of much interest to students of security studies ethics gender studies intelligence studies and international relations in general Mark Phythian is Professor of Politics in the Department of Politics and International Relations at the University of Leicester He is the author or editor co editor of ten books Annika Bergman Rosamond is Senior Researcher at the Danish Institute for International Studies in Copenhagen

The Burning of Byron's Memoirs Peter Cochran,2015-01-12 The Burning of Byron s Memoirs is a collection of new and uncollected essays and papers given at many conferences over a two decade period They cover many aspects of Byron s

life and work including his relationship with his parents his library his attitude to Shakespeare his borrowings from other writers and his feelings about women and men Two essays centre on his close friends Hobhouse and Kinnaid All are informed by first hand acquaintance with primary texts The title essay has been hailed as the best ever documentation of the disgraceful way in which Byron s Memoirs were destroyed within days of his death being announced For anyone interested in Byron either as a man a poet or as a cultural phenomenon The Burning of Byron s Memoirs is essential reading Memoirs of a Deployed Airman Patrick B. Monahan,2009 Almost as if it were a dream day number 360 came and I was transported into another world The flights were long but within just a couple of days I found myself back at my original starting point Salt Lake City Utah Before arriving in Salt Lake City though I was greeted by my parents and my in laws at Baltimore Washington International BWI airport As I scrambled through the baggage claim area and customs I made my way towards my release from the regimented deployment world Both sets of parents were poised and ready to greet me and my friends returning from overseas Upon catching a glimpse of me they popped out of their seats and began waving small American flags in my general direction It was very nice to see them and it was a nice patriotic sight I arrived at the airport at approximately midnight and I was hungry so we all went out to eat at an all night diner in Arlington Virginia It was about 0300 in the morning when we finished up our meal and headed back to my in laws house to sleep I caught an 1800 flight the next day which brought me to Salt Lake City at approximately 2300 that night The second leg of my flight from Phoenix Arizona was very comfortable and relaxing Wearing my DCUs one of the flight attendant s decided to move me to First Class Not only did this provide me with more comfort but it also provided me an opportunity to sit next to her husband who had joined her on the flight I had a really nice conversation with the flight attendant s husband throughout the flight Then as we landed in Salt Lake City the flight attendant announced to all of the people on the flight that I had just returned home from the war in Afghanistan Everyone began to clap and I received the honor of being the first person off of the airplane I then began my mad dash towards my family People noticed that I was in uniform holding two little bears one for each of my girls and I was practically running so everyone pretty much got out of my way Within minutes I saw Melanie holding a Welcome Home poster and my girls waving small American flags It was a very impressive and precious sight I scooped up both of my daughters in my hands and I embraced the whole family The nice thing was that Suzanna didn t cry everyone seemed to at least have some idea who I was this time In fact Annabelle wouldn t hardly let me go out of her sight for the next few days I learned several days later that Annabelle had a lot of trouble sleeping while I was gone which was attributed to me not being there and her not knowing when I would come home This latter fact is what changed my mindset from wanting to go back to the combat zone any time soon While I was gone I made the most of my deployment and I even learned to enjoy many aspects of the adventure However when you see the effects of being gone on the homefront nothing else seems to matter but family Would I go again Absolutely But I would certainly wait for my number to come up or for someone to come asking for my

assistance a little more passionately When I arrived at my actual home in the Ogden Utah area I quickly noticed several decorations on the property I hadn't expected such extravagance but I was certainly impressed by what I saw As I walked around the house and the yard in my civilian clothes the next day surrounded by my family I finally felt like I was home

how the incapacity or unwillingness of the powerful to imagine the conditions of the conquered can prove devastating to the imbalances of geopolitical power The book is most powerful precisely when the anthropological distance is set aside and Dorani allows everyday Afghans to speak Their voice gives the book a human scale Charged Affairs The fact that Dorani spoke to Afghans from all walks of life in researching the book is a strength that yields many of his most cutting insights Dorani s Afghan perspective is truly invaluable Americans and Westerners should pay attention The Strategy Bridge Carter Malkasian The new book by Dr Sharifullah Dorani is not just another story of Afghanistan s troubled past but rather is a remarkable account of the country s modern history with details facts and figures that presents in its entirety the reasons that made Afghanistan in spite of its ancient and rich civilization renowned globally for all the wrong reasons U S Studies Online A valuable contribution to understanding the complex motivations causes and consequences of US policy towards Afghanistan and the internal disagreements between the actors LSE US Centre The book is extremely valuable in terms of understanding decision making towards Afghanistan crucial to courses relating to Foreign Policy Analysis especially those on the Foreign Decision Making Models CESRAN International Dorani s work provides an interesting overview of U S political history throughout the course of the Afghanistan war The Palestine Chronicle Eminently readable a must read for Afghans and others alike Peggy Mason Rideau Institute Canada Product Description 15 year old Ahmad finds it hard to live by tradition among Russians and Communist Afghans in the liberal Makroryan known as the Little Moscow of Kabul It becomes harder with the arrival in the neighbourhood of the 16 year old and fervently pro women s rights Frishta Naturally their conflicting outlooks on tradition clash Frishta calls Ahmad backward and worse a shameful coward and Ahmad accuses Frishta of being a foreign agent and worse a bad woman who has picked a war with half of the population and their way of life It is 1990s Afghanistan where a man is stripped of character if he is proved a coward and where a woman is merely seen as valuable goods and even a perception of unchastity will lose her all her worth By the time Ahmad and Frishta really get to know each other it is too late as they have seriously harmed each other and their lives will never be the same The mujahedeen run over Kabul and the civil war begins compelling Ahmad to flee to Russia and then to England But Ahmad does not realise that one day he will be forced to return to the homeland where his past catches up with him and puts him in a situation in which he has to choose to either live like a coward by betraying a once loyal friend or die with courage About The Author SHARIFULLAH DORANI was born and raised in Kabul Afghanistan and claimed asylum in the UK in 1999 He completed his PhD on the US War in Afghanistan at Durham University and authored the acclaimed America in Afghanistan Sharifullah frequently returns to Afghanistan to carry out research and is currently South Asia and the Middle Eastern Editor at CESRAN International Author s Note The idea for writing this book was conceived in 1992 when the pro Communist Najibullah regime collapsed and the mujahideen took over Kabul Turning Shia against Sunni and vice versa setting Afghanistan s main ethnic groups of Pashtun Tajik Hazara and Uzbek against each other and accusing each other of uniting

with the remnants of pro Communist members and thus not being Islamic enough the 15 or so mujahideen groups fought each other in the streets of Kabul killing tens of thousands of innocent Kabulis displacing hundreds of thousands and turning half of Kabul into mudbrick rubble with bombs rockets and cannon fire Taking refuge in the basements of our blocks while the gunfire shelling and fighting continued I decided if I made it alive to write about what we ordinary Afghans went through Unlike thousands of Kabulis I was fortunate enough to live and 18 years later in 2010 I started writing about the experience after 12 years of writing and extensive research The Lone Leopard is the result Ahmad the protagonist therefore gives a first hand account of what I and most Afghans have experienced over the past four decades in Afghanistan and in exile

The Rise and Fall of Osama Bin Laden Peter L. Bergen, 2022-08-02 The world's leading expert on Osama bin Laden delivers for the first time the definitive biography of a man who set the course of American foreign policy for the 21st century and whose ideological heirs we continue to battle today

The Day After Brendan R. Gallagher, 2019-09-15 Since 9 11 why have we won smashing battlefield victories only to botch nearly everything that comes next In the opening phases of war in Afghanistan Iraq and Libya we mopped the floor with our enemies But in short order things went horribly wrong We soon discovered we had no coherent plan to manage the day after The ensuing debacles had truly staggering consequences many thousands of lives lost trillions of dollars squandered and the apparent discrediting of our foreign policy establishment This helped set the stage for an extraordinary historical moment in which America's role in the world along with our commitment to democracy at home and abroad have become subject to growing doubt With the benefit of hindsight can we discern what went wrong Why have we had such great difficulty planning for the aftermath of war In *The Day After* Brendan Gallagher an Army lieutenant colonel with multiple combat tours to Iraq and Afghanistan and

a Princeton Ph D seeks to tackle this vital question Gallagher argues there is a tension between our desire to create a new democracy and our competing desire to pull out as soon as possible Our leaders often strive to accomplish both to keep everyone happy But by avoiding the tough underlying decisions it fosters an incoherent strategy This makes chaos more likely The Day After draws on new interviews with dozens of civilian and military officials ranging from US cabinet secretaries to four star generals It also sheds light on how in Kosovo we lowered our postwar aims to quietly achieve a surprising partial success Striking at the heart of what went wrong in our recent wars and what we should do about it Gallagher asks whether we will learn from our mistakes or provoke even more disasters Human lives money elections and America s place in the world may hinge on the answer *Memoirs of Zehir-Ed-Din Muhammed Baber, Empereur of Hindustan, Written by Himself, in the Jaghatai Turki, and Translated, Partly by the Late John Leyden, ...
