Point Guard Academy Damin Altizer:

Make Every Shot Count Bruce Rosenfeld, 2011 From New Jersey's rough and competitive world of playground basketball to the unforgiving sleep deprived reality of surgical training Bruce Rosenfeld offers a gripping account of how a young boy with an overwhelming passion for basketball repeatedly utilizes lessons learned on the court to overcome seemingly insurmountable challenges Often hilarious and at times heart wrenching this captivating and honest narrative leaves the reader mesmerized by a unique perspective on two very different worlds and how they ultimately fused to shape a life and a successful career in medicine A book for the underdog the author's lessons of teamwork discipline and never ending practice is motivating and inspiring and effortlessly demonstrates the importance of believing in your own potential while trusting your instincts to do what is right About the Author Dr Bruce Rosenfeld has been the chief of urology at the Fallon Clinic in Worcester Massachusetts and an assistant professor of urology at the University of Massachusetts School of Medicine Currently he is in private practice in Tucson Arizona where he enjoys caring for patients and never forgets his basketball roots Endorsement what youth sports are supposed to be about This book strengthens my faith in that ideal Steve Kerr five time NBA Champion Chicago Bulls San Antonio Spurs *Point Guard Pride* Salima Alikhan, 2022 It's never easy to be the new kid in school or on the basketball team But when Yasmin Jones faces racism from one of her new teammates she insists on dealing with it on her own Her solution is to prove to her new team that she is a star player As pressure builds though Yasmin's game suffers How can Yasmin address her problems on and off the court **Jason Kidd: the Inspiring Story of One of Basketball's Greatest Point Guards** Clayton Geoffreys, 2016-06-21 Learn the Inspiring Story of the Legendary Point Guard Jason Kidd Read on your PC Mac smartphone tablet or Kindle device In Jason Kidd The Inspiring Story of One of Basketball's Greatest Point Guards you will learn the inspirational story of one of basketball's premier point guards Jason Kidd Jason Kidd was easily one of the best point guards to play the game of basketball throughout the 2000s With an extraordinary ability to pass the ball at precisely the right time Kidd was like Steve Nash in that he made the teammates around him fundamentally better Being an NBA Champion with the Dallas Mavericks in 2011 ten time All Star and five time All NBA First Team member Jason Kidd's passing and rebounding abilities made him feared by opponents He corralled triple doubles years before flashy athletic point guards like Russell Westbrook began doing so Read on to learn Kidd's inspiring story Here is a preview of what is inside this book Childhood and Early Life High School Career College Career Jason Kidd's NBA Career Getting Drafted Rookie Campaign First All Star Season Tensions in Dallas the Trade to Phoenix Fresh Start with the Suns First Playoff Appearance First Full Season with Phoenix Igniting the Scorching Suns Shortened Season Another First Round Exit Breaking Through to the Second Round Final Season in Phoenix The Trade to New Jersey Reaching the NBA Finals Second Consecutive Finals Appearance Teaming Up with Vince Carter Leading a Trio with Carter and Jefferson Final Stretch in New Jersey the Return to Dallas Contending as a Mav First and Only NBA Championship Final Season with Dallas

Stop at the Big Apple and Retirement Coaching Career USA National Basketball Team Career Personal Life Impact Legacy and Future An excerpt from the book As far as ranking the top point guards in the history of the NBA is concerned no list would be truly complete without Jason Kidd somewhere on top of all of the other playmakers the league has seen Why not He is an NBA champion a 10 time All Star a six time All NBA Team member a nine time All Defensive Team selection a two time Olympic Gold medalist and a five time assist leader On paper alone you would see how valuable of a point guard Kidd was in his 19 year NBA stint However there were also times when he was not truly befitting of being called a historically elite point guard because of all the criticisms and shortcomings he has had as a player He came into the league with virtually no jump shot and a very minimal offensive repertoire He has had struggles with coaches and even for a while lacked the work ethic needed to be elite And for most of his career he was never the leader of a championship team But for all those criticisms and downsides to his game Jason Kidd was always a leader that made his other teammates great by doing everything else on the court He always made it a point to find teammates because scoring the ball himself was never really his top priority His ability to rebound the ball at a high level for a point guard made sure he could trigger fast break opportunities at a quick rate And his ability to defend every guard position earned him the reputation of being an elite defender in his prime Kidd s vast array of skills made him a ray of sunshine to a franchise because he always lifted his teammates up in every way possible
