Rhodesian Ridgeback Training Claudia Kaiser, 2020-05-24 Rhodesian Ridgeback Training Dog Training for your Rhodesian Ridgeback puppy The training of dogs is often confused with classical dog training drills only considered necessary for demanding dogs mocked by other dog owners replaced by anti authoritarian methods considered too difficult to achieve without experience What constitutes dog training and what is it good for And how can you and your Rhodesian Ridgeback profit from it without having any experience The most important thing is to understand how a dog sees his world

what is normal for him and how you can use this to your advantage In addition the characteristics of each breed are significant when you get beyond the basic training phase Your Rhodesian Ridgeback will show characteristics which are different to those of a Chihuahua for example and this is predominantly what you need to consider during training This book is vol 1 of the Rhodesian Ridgeback training books Vol 2 for your grown up Rhodesian Ridgeback is also available with the title Rhodesian Ridgeback Training Vol 2 Dog Training for your grown up Rhodesian Ridgeback Author Claudia Kaiser says about her book It was my desire to let other dog owners profit from the knowledge I have gained over many years and after making many mistakes I love my dog and know how important it is to adapt the training to suit each breed It is exactly this desire that prompted me to write this book My aim is to help every beginner not only to understand his dog better but also to know exactly how to get the best results step by step so that you can achieve a close positive and trusting human dog relationship Quench your curiosity to know about background information read reports on other experiences and obtain step by step instructions and secret tips which are tailor made for your Rhodesian Ridgeback Get your copy of this book today and experience how your Rhodesian Ridgeback sees his world and how you can progressively train your dog to receive the best results Your Rhodesian Ridgeback will appreciate it so this is my advice Don t hesitate to buy this book Content of this book About the Author Preface What you need to know about your Rhodesian Ridgeback Cornerstones of training puppies Before the puppy arrives The first few weeks The first commands Training basic knowledge Special Chapter The hunting instinct Check list for the start Conclusion
