Atkinson,2020-01-07 The Lion s Den HB By Frank B Atkinson The Lion s Den is essential reading for anyone whose confidence in American democracy has been shaken by recent events There is plenty to discourage and alarm us these days the supply of negative political role models real and fictional seems endless Frank Atkinson leaves no doubt that we can do better and be better Just in time it seems he arrives with some exemplary political characters a powerfully uplifting story and a summons to get to work restoring the ethic of principled citizenship and service that reflects the better angels of our nature and offers hope for bringing Americans together again LARRY J SABATO Director UVA Center for Politics The Lion s Den offers a prescription for American renewal at a time of eroding confidence in our political institutions and growing confusion about our national purpose In Frank Atkinson s formulation there are no quick fixes for our broken politics no easy cure for what ails our democracy A republic s community spirit and capacity for constructive self governance depend on a consensus about essential values and the active choice to practice promote and perpetuate those values The ethic of principled citizenship and service that Atkinson considers indispensable for American renewal is not an inherited trait like every ethic it is a character requiring cultivation And it is strongest when grounded in personal faith and integrity illuminated by hard learned lessons from history and experience inspired by worthy human exemplars propelled by the optimistic pursuit of a more perfect union and kindled in a culture of mutual respect and forbearance guided by the Golden Rule No starry eyed idealist Frank Atkinson s major nonfiction works *The Dynamic Dominion* and *Virginia in the Vanguard* turned a candid lens on the hard fought modern

politics of his native state In The Lion s Den he offers a compelling fictional account of life in the political arena at once a venue for selfless contribution and palace of selfish ambition Inspired by timeless lessons from the Book of Daniel Madison s vision of competition and compromise and the colorful politics of his contemporary Commonwealth Atkinson places his characters in a modern day lion s den where they grapple with vexing moral and practical choices But Atkinson s players find the grace to come together and he suggests so can we *Uncertainties? and Reasoning* Caroline Savage,2011-12-20 During our daily struggles facing Uncertainties and Reasoning constant Thanksgiving celebrations should focus on Giving Thanks to our Almighty Jehovah God Fulfilling His commands ensure we are not Stained with earthly deceptions as we continue to protect our spiritual garden and environment In cultivating the fruits of the Spirit begin by Pulling Weeds Planting Seeds Our obedience to Jehovah allows Him to continue Preventing Problems so He receives our undivided attention and Worthy Praise As we engage in spiritual warfare receive support from fellow Christian believers and as Iron Sharpen Iron we continue Standing in Authority in the name of Jehovah s Son Jesus Christ Individuals who believe in Betraying Honor associate themselves with Unbelieving Believers not really certain that Jehovah God is the One who has the power to continue Providing the Solution Embracing God s wisdom and spiritually connecting to our Heavenly Master leads Believing Believers to remain on the path to enter and safely reside in Jehovah s heavenly kingdom LORD I know that people s lives are not their own it is not for them to direct their steps Discipline me LORD but only in due measure not in your anger or you will reduce me to nothing Jeremiah 10 23 24 NIV **The Wake-up Call** Madu De Silva,2024-05-24 What if the world had never been tainted by sin and evil What if Adam and Eve had resisted the temptation of the forbidden fruit How would our history and faith have been different Would we still have needed God or would God still have wanted us in such a perfect world Now imagine attaining immortality defying the graceful ageing and inevitable death You find yourself in an Eden like setting where your sole duty is to sing praises for the creator living forever with no sin no emotions no physical form and no attachments except for the service of God The allure of eternal life as depicted in various religious texts often presents an image of endless existence in a paradise like setting However the reality of such an existence may not be as idyllic as it first appears Imagine for instance your favourite meal The first taste is a revelation the hundredth still delightful But the thousandth The millionth Even the most divine delicacies could become mundane Similarly consider a favourite song or a beloved film Repeated endlessly even these could lose their charm In an eternal life where each day mirrors the last the pleasures we savour in our mortal lives could become tedious Compare this with our finite existence shaped by time Each day brings a new opportunity every encounter could change our lives and every challenge helps us grow Growing old often seen negatively is a mark of our wisdom and experience The beauty of ageing is a tribute to life itself At some point whether you are a devout cleric or a God fearing layman you have wondered about questions that challenge your beliefs your interpretation of the Bible and what you have learned The Wake Up Call invites you to explore the Bible from a completely

The Power of Redemption Gerald Shoemaker,2025-07-22 This is a true story Gerald Shoemaker is a survivor of a homegrown religious cult that almost decimated his life and the lives of his family They were dominated by highly controlling leaders led by his brother in law who claimed to be a prophet of God The second in command was his ex wife They separated members of families to remove any outside influence They were predators of young women for the Prophet to devour predators of young men to be his houseslaves and predators of anyone with money to support his hedonistic lifestyle He claims that the practices of polygamy and pedophilia are sanctioned by the Bible Do Not Hurt God's Heart Andi Sulistiadi,Anthesianz,2025-05-20 So today let this be your reminder You are loved with a love beyond comprehension Jesus has done everything necessary to bring you back into the arms of the Father Let s not break His heart with stubborn rebellion but instead bring Him joy with surrendered lives Sometimes life pulls us in a thousand directions We get busy We get distracted We carry silent burdens that no one sees We smile on the outside but on the inside we re tired unsure or even lost Deep down many of us long for something more Not more money Not more applause But more purpose More peace More clarity We long to know that we are walking in step with something greater than ourselves that our life actually matters in the light of eternity And that s where God steps in not as a distant figure in the clouds but as a loving Father who cares deeply about your heart your journey and your transformation Maybe you ve made mistakes Maybe you ve tried to do it all on your own That s okay Grace is not earned it s received God is not looking for perfection He s looking for surrender Today you are invited to come back into alignment with God s will to say Lord I want my life to look more like Yours *Eldredge 2 in 1: Waking the Dead & Desire* John Eldredge,2008-04-16
