No Nonsense Guide To International Development:

No-Nonsense Guide to International Development Maggie Black, 2007 The No-nonsense Guide to International Development Maggie Black, 2002 All too often what passes for development improves life for the better off while actively hurting the very people the venture was meant to support back cover The No-nonsense Guide to International **Development** Maggie Black, 2010 No-Nonsense Guide to International Development, 2nd Edition Maggie Black, 2007-10-01 Overseas aid and international development are catch all terms that cover a multitude of activities and abuses Building dams in India planting trees in Burkina Faso and rescuing street children in Brazil are images of development with which we can all identify But what few people realize is that the terms aid and development often mask confusion contradiction and even downright deceit The updated version of 2002 s best selling No Nonsense Guide to International Development explains what development actually is and explores its political and economic roots in history It shows what can happen in the name of development and argues for a more organic social approach with those it seeks to The No-Nonsense Guide to International Migration Peter Stalker, 2008-04-01 serve as equal partners in the process Virtually any commodity can move around the world to satisfy demand but human beings have far less freedom Many would be migrants are forced to risk life and limb traveling illegally Yet most rich countries are short of workers have shrinking populations and need more immigrants This is a timely guide to a major issue that is never far from the political headlines Peter Stalker is a former co editor of the New Internationalist who now works as a consultant to a number of UN agencies He has written two books on migration for the International Labor Organization NoNonsense International Development The No-Nonsense Guide to Global Terrorism Jonathan Barker, 2008-10-01 This is a highly Maggie Black, 2015 accessible history of terrorism that looks at core examples from the Middle East instances of state terrorism and terrorist fringes of political movements It covers the theories justifying and guiding terrorist acts and the battle of images that accompanies them Jonathan Barker has taught political science at the universities of Toronto Arizona and Dar es Salam He has researched local politics in Senegal Tanzania Uganda and India His other books include Street Level Democracy and Rural Communities under Stress The No-Nonsense Guide to Women's Rights Nikki van der Gaag, 2008-11-01 Has the battle for women s rights been won Not when women still make up 70 percent of the world s poor This guide examines the advances that have been made and looks beneath the surface to find out what the reality is for women all around the world It shows how in this post feminist age women s rights are still very much an issue Nikki van der Gaag is a freelance writer editor and evaluator on development issues Prior to this she was editorial director at the Panos Institute and co editor of the New Internationalist magazine The No-nonsense Guide to Indigenous Peoples Lotte Hughes, 2003 Indigenous peoples have long suffered from exoticization Outsiders elevate their beauty remoteness and difference and do not see beyond this to the real problems they face The No Nonsense Guide to Indigenous Peoples looks beyond the exotic images

tracing the stories of different indigenous peoples from their first and often fatal contact with explorers and colonizers Much of this history is told here by indigenous people themselves They vividly describe why land and the natural world are so special to them how it feels to be snatched from your family as a child because the government wants to make you white why they are demanding that museums must return the bones of their ancestors how can they retain their traditional culture while moving with the times and what kinds of development are positive. This short guide discusses all this and more raising Transformative Sustainability Education Elizabeth A. Lange, 2023-03-28 This book lays countless issues for debate out the principles and practices of transformative sustainability education using a relational way of thinking and being Elizabeth A Lange advocates for a new approach to environmental and sustainability education that of rethinking the Western way of knowing and being and engendering a frank discussion about the societal elements that are generating climate environmental economic and social issues Highlighting the importance of Indigenous and life giving cultures the book covers educational theory transformation stories of adult learners social and economic critique and visions of changemakers Each chapter also has a strong pedagogical element with entry points for learners and embodied practices and examples of taking action at micro meso macro levels woven throughout Overall this book enacts a relational approach to transformative sustainability education that draws from post humanist theory process thought relational ontology decolonization theory Indigenous philosophy and a spirituality that builds a sense of sacred towards the living world Written in an imaginative storytelling manner this book will be a great resource for formal and nonformal environmental and sustainability educators The No-Nonsense Guide to Fair Trade David Ransom, 2006-10-01 Meeting the people who grow our bananas and cocoa and make our clothes this No Nonsense Guide to Fair Trade tells the human story behind what we consume Examin ing the global contest between free and fair trade David Ransom argues that the key question is not whether trade should be regulated or deregulated but whether it is to be the master or servant of the people And as fair trade products are being turned into brands by large corporations a new contest opens it is no longer just a question of fair versus free but what kind of fair trade The No-Nonsense Guide to World Food Wayne Roberts, 2008-09-01 Covering fast food organic food junk food institutional food and more this guide shows how real food has become increasingly scarce with production and distribution increasingly dominated in the West by agri business The guide goes on to present the alternatives that are emerging based on the concept of community food security Wayne Roberts is a leading North American writer activist and practitioner in community food security An author and columnist for NOW Magazine he s on the board of the Community Food Security Coalition and Food Secure Canada and coordinates the Toronto Food Policy Council the most respected city food group in the world **World Development** Barry Baker, 2011 World development is an increasingly important aspect of A level studies in Geography and growing numbers study it as an A level There is however no standalone core textbook offering an introduction to all the key issues in World Development this is invaluable to teachers It also

includes case studies which will be supplemented with updated case studies on a dedicated website With over 30 years as the leading resource for teachers of geography and world development New Internationalist have created an invaluable textbook

Canadian Books in Print. Author and Title Index ,1975 The No-nonsense Guide to Climate Change Danny Chivers, 2010 A completely new book on the politics of climate change in a post Copenhagen world Guide to Terrorism Jonathan Barker, 2003 Terrorism is a word that is thrown around very loosely by all sorts of people often by the biggest terrorists of all But what is its history as a concept and how can we make sense of all the competing meanings Who stands to gain when the word is used Barker challenges common misconceptions about terrorism and illustrates the ways in which both terrorism and counter terrorism undermine popular politics and democratic space Guide to World Poverty Jeremy Seabrook, 2003 This richly creative book the work of a uniquely original political writer takes a new look at world poverty Wealth and poverty are inseparable It may comfort the poor to believe the rich are not happy But is it true Strong evidence exists that the rich too suffer from the relationship of injustice albeit in a different way Seabrook explains the broad effects of poverty including crime and the fear of crime the traffic in people and drugs and the degradation of the natural world He examines the phrase A humanity wasted in one way or another by poverty or excess This is not a figure of speech he concludes It refers to the costs of poverty for both the poor and the rich Internationalist ,2004 The No-nonsense Guide to Globalization Wayne Ellwood, 2001 Commercial culture and the Western consumer model has globalized while gaps in wealth food security and social provision continue to grow This book provides a critique of the orthodoxy of economic growth in a world of finite natural resources and a blueprint for a new Canada and the Challenges of International Development and Globalization Mahmoud economic architecture Masaeli, Lauchlan T. Munro, 2018-08-28 What are Canada's various links with international development and globalization They extend beyond foreign aid to diplomacy trade finance aid immigration military intervention both peacekeeping and combat roles membership in a variety of international organizations relations with indigenous peoples and people to people links This multi disciplinary and multi author textbook designed for first or second year students introduces the main concepts theories and perspectives that have shaped Canada's interactions with developing countries in a globalizing world It starts by considering Canada as a case study in international development and globalization It examines Canada s diplomatic economic military social immigration and aid policies how they have changed over time and how they have interacted with each other and with Canada's treatment of Indigenous peoples. The book presents economic political and cultural dimensions of the process of globalization and the ways they affect Canada examines the public institutions private sector and civil society organizations in Canada and explores the moral imperatives behind Canadian international policy Finally it examines current issues including Canada's promotion of human rights democracy good governance support to the private sector and relations with fragile and conflict affected states and the emerging economies Finalist PROSE Award
