When Oceans Roar Ernest F Crocker,2016-10-07 *When Oceans Roar* tells the remarkable stories of people who heard the still small voice of God and saw God do amazing things when they took God at his word and surrendered themselves to him The stories told in this book represent roads that few people would have chosen Yet having said yes to God and taken the first step each one was strengthened empowered and equipped for the journey ahead It includes the story of a couple who prayed over their child who had no heart beat for three days in the sure knowledge that God would meet them at their point of need and of a Bangladeshi freedom fighter taken before a firing squad only to learn that God had a plan for his life This is a book that will challenge you to find your true identity and having done so to step out of complacency and take risks in the sure knowledge that God will never leave you or forsake you as you surrender yourself to him Be inspired to listen out for the still small voice of God above the ocean's roar

Undertow Nash Hudson,2024-04-26 On the outside it appeared that Nash Hudson an aspiring cruise director had his life together He was overzealous headstrong and extremely impatient while fulfilling his desires on his terms first then demanding that God bless it all Just as Nash skillfully shaped his next career steps he was unexpectedly swept away by a current that would divinely reset his career trajectory and ultimately save his life In this inspirational memoir Nash reveals how with his dreams hanging in the balance he was relocated from his childhood home while suffering from the internalized side effects of fatherlessness childhood trauma he mistakenly believed was wiped from his memories and an estranged relationship with God As he chronicles his experiences Nash offers a candid glimpse into the world of a broken man who hit rock bottom discovered God was the rock at the bottom and embraced the necessary waves of character transformation that would propel him into an unfathomable experience he could have never envisioned Undertow is the true story of one man s experiences in uncharted waters as he surrendered rebellion and pride and courageously rode a wave that eventually brought him back home to God

Sagacity Amy Stanley,2023-10-20 We live at a time in history where information is literally at our fingertips and social media gives us instant access to anyone and anything How do we sort out the facts How can we recognize truth and respond appropriately to those around us Sagacity is a quirky little old fashioned word that is packed with meaning It s like a giant gumball that seems to get bigger the longer you chew on it In this book the author breaks down the word into five definitions Quickness of Perception Soundness in Judgement Foresight into a Situation Operating in Astuteness and Sharpness Having Insight Wisdom Profoundness Thoughtfulness and Discernment Along with each definition Stanley gives practical insight and strategies to become sagacious Each chapter ends by highlighting two historical figures one from the Bible and one from another point in history who embody each particular aspect of sagacity The reader will be encouraged and inspired by sagacious individuals such as

the prophet Jeremiah John the Baptist Corrie ten Boom and Sacagawea Growing sagacity is vital to unscrambling the vast array of messages and sound bites we are bombarded with each day The reader will gain insight and be challenged to cultivate a sagacious life that treats others with grace and glorifies God *Sister Strong: Living in Harmony with the Women in Our Lives* Hailey Mandi Gardiner,2023-07-10 Growing up in a family with six daughters the Gardiner Sisters know a thing or two about sisterhood As musicians and creators they have come to know that we as women share a common divine identity and face similar challenges In this book they invite all women to join them in their journey to increase our capacity to love navigate life s challenges together and draw closer to God **Before Belief** Bruce A. Stevens,2020-01-15 First things are spiritually and theologically important Before Belief explores the precognitive human experience of transcendence illuminating how such foundational experiences are formative of attachment relationships with people and ultimately with God The book proposes an implicit learning model rather than rely on Freud s or Jung s understanding of the unconscious with a goal of recovering unconscious spiritual learning Once discovered and put into language early learning needs to be tested and integrated into life experience and expressed in committed living The theories examined and advanced in the work are also carried through in practical case studies that demonstrate the pastoral and clinical salience of understanding and connecting people to those grounding experiences Brave Is the New Beautiful Lee Wolfe Blum,2017-03-01 In a culture that bombards women with thinspiration messages and pressure to do it all while wearing the mask of perfection women are left feeling alone and overwhelmed How can they stop comparing themselves to others How can they live out who they really are Lee Wolfe Blum offers stories from everyday women who have answered these questions with their lives and found true beauty in the process In Brave Is the New Beautiful Blum weaves reflections from her own journey with inspirational stories from everyday women who chose to take off their masks and live authentically Through call to action questions and ideas she encourages readers to be brave enough to be who they really are and the beloved that God knows they are **Billboard** ,2009-08-29 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2009-08-15 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,2009-08-01 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Festival in the Desert** Lauren Alexa Trujillo,2020-10-22 Life is often filled with trial heartache grief and struggle But perhaps there s a treasure to be found

in those difficult seasons and that treasure is intimacy with God Himself That should be reason enough to rejoice So how do we take God s command to Pharaoh in Exodus 5 to Let my people go so they may hold a festival for me in the desert as a holy invitation to be stripped down and made whole while still worshipping the one who allows the stripping Through vulnerable and transparent stories Lauren Alexa Trujillo shares her personal testimony of hardship and trial and all that God taught her through suffering She highlights the faithfulness of God and brings attention to the purpose of her struggle To learn dependency on God by being exposed to the barrenness of the desert surrender the false comfort of our personal Egypt and come out stronger and more refined for the Promise Land we were created to inherit Through Festival in the Desert Lauren walks you through the question that confronted her how do we learn and truly embrace the fact that God can and will work all things together for good as we seek Him and choose to love Him through uncertainty fear and hardship The stories and interactive prompts will point us to the heart of the Father reminding us that God is faithful present trustworthy and more than capable of making a way for us when there doesn t seem to be one ushering in freedom comfort and renewed hope
