

## To My Daughter as you go to College

While you're away at college,  
I'll think of you each day.  
Before you leave  
there are just a few more things,  
I really need to say.

You've made me proud  
as I've watched you grow,  
it's time for you to fly.  
So take a step and don't look back  
because you may see me cry.

Remember all the important things  
I taught you through the years.  
Study hard and have some fun  
and you'll work through your fears.

Make the right decisions  
as if I were standing by your side.  
You've grown to be a beautiful woman;  
you fill my heart with pride.

As you are away at school  
I'll be close at heart.  
Know my love is always there  
even though we are a part.
