

## 1 PURPOSE

- 1.1 This document describes the policies and procedures for developing, implementing, and revising policies and procedures for the UW Institutional Review Board (IRB) and the Human Subjects Division (HSD).

## 2 POLICIES

- 2.1 HSD has and maintains written policies and procedures for the major functions of the UW IRBs and HSD. As required by federal regulations, this includes procedures which the IRB will follow for:
  - 2.1.1 Conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and institution;
  - 2.1.2 Determining which projects require review more often than annually and which projects need verification from sources other than the investigators that no material changes have occurred since previous IRB review; and
  - 2.1.3 Ensuring prompt reporting to the IRB of proposed changes in a research activity, and for ensuring that such changes in approved research, during the period for which IRB approval has already been given, may not be initiated without IRB review and approval except when necessary to eliminate apparent immediate hazards to subjects.
- 2.2 HSD and IRB policies and procedures must be consistent with:
  - 2.2.1 Applicable federal and state regulations;
  - 2.2.2 The terms of the UW's Federalwide Assurance (FWA);
  - 2.2.3 UW Executive Order No. 24.
- 2.3 The HSD Director has delegated authority from the Vice Provost of Research to develop, implement, and revise policies and procedures for the IRB and HSD (Reference 7.3).
  - 2.3.1 The HSD Director is expected to consult with other UW offices, groups, and individuals in developing policies and procedures, and in interpreting regulations and regulatory guidance.
- 2.4 As established by the Vice Provost for Research (Reference 7.3), policies must have the written concurrence of the Institutional Official listed on the UW's FWA.
- 2.5 Procedures should provide sufficient step-by-step description with key operational details so that an independent observer can understand how HSD and the IRB operate and conduct their major functions.

*Special Ops: Host and Network Security for Microsoft Unix and Oracle* Syngress, 2003-03-11 Special Ops Internal Network Security Guide is the solution for the impossible 24 hour IT work day By now most companies have hardened their perimeters and locked out the bad guys but what has been done on the inside This book attacks the problem of the soft chewy center in internal networks We use a two pronged approach Tactical and Strategic to give readers a complete guide to internal penetration testing Content includes the newest vulnerabilities and exploits assessment methodologies host review guides secure baselines and case studies to bring it all together We have scoured the Internet and assembled some of the best to function as Technical Specialists and Strategic Specialists This creates a diversified project removing restrictive corporate boundaries The unique style of this book will allow it to cover an incredibly broad range of topics in unparalleled detail Chapters within the book will be written using the same concepts behind software development Chapters will be treated like functions within programming code

allowing the authors to call on each other's data. These functions will supplement the methodology when specific technologies are examined thus reducing the common redundancies found in other security books. This book is designed to be the one stop shop for security engineers who want all their information in one place. The technical nature of this may be too much for middle management however technical managers can use the book to help them understand the challenges faced by the engineers who support their businesses. Unprecedented Team of Security Luminaries Led by Foundstone Principal Consultant Erik Pace Birkholz each of the contributing authors on this book is a recognized superstar in their respective fields. All are highly visible speakers and consultants and their frequent presentations at major industry events such as the Black Hat Briefings and the 29th Annual Computer Security Institute Show in November 2002 will provide this book with a high profile launch. The only all encompassing book on internal network security Windows 2000 Windows XP Solaris Linux and Cisco IOS and their applications are usually running simultaneously in some form on most enterprise networks. Other books deal with these components individually but no other book provides a comprehensive solution like Special Ops. This book's unique style will give the reader the value of 10 books in 1. Coaching in Government Theodora

Fitzsimmons, Marykate Behan Dougherty, Alan Lee Myers, 2022-12-20 This book captures the story of how internal coaching was introduced and has since evolved in the U.S. Federal Government.
