Thinking of Questions Peter Limm, 2015-09-23 This is not a conventional book It is designed to stimulate and challenge all people who are curious to find out about the world they inhabit and their place within it It does this by suggesting questions and lines of questioning on a wide range of topics The book does not provide answers or model arguments but prompts people to create their own questions and a reading log or journal To this end almost all questions have a list of books or articles to provide a starter for stimulating further reading Once you start you will be hooked Never stop questioning

Reconciling Cultural and Political Identities in a Globalized World Michális Michael, 2016-04-29 Though geographically far apart Turkey and Australia are much closer than many would think This collection provides a relevant comparative and comprehensive study of two countries seeking to reconcile their history with their geography **Lost Copy** John

Martinkus, 2017-10-30 We his friends never knew if it was suicide or not but the reality was Tor Norwegian journalist Torgeir Norling who had shared so many dangers hardships and fear with us was gone Tor was a journalist s journalist I had covered East Timor with him in the late nineties Like me he had gone on to cover Iraq Afghanistan Aceh Sri Lanka and Burma The conflicts that dominated our generation of journalists There were not many of us doing that over and over again The working title of this memoir by celebrated Australian war correspondent John Martinkus was Endless Jihad the future of these recent wars stretches far beyond sight We know they will bear hard on us and on generations to come but attention wanders and fresh copy from the battlefield is too often lost **The CIA and the Congress for Cultural Freedom in the Early Cold**

War Sarah Miller Harris, 2016-08-05 This book questions the conventional wisdom about one of the most controversial episodes in the Cold War and tells the story of the CIA s backing of the Congress for Cultural Freedom For nearly two decades during the early Cold War the CIA secretly sponsored some of the world s most feted writers philosophers and scientists as part of a campaign to prevent Communism from regaining a foothold in Western Europe and from spreading to Asia By backing the Congress for Cultural Freedom the CIA subsidized dozens of prominent magazines global congresses annual seminars and artistic festivals When this operation QKOPERA became public in 1967 it ignited one of the most damaging scandals in CIA history Ever since then many accounts have argued that the CIA manipulated a generation of intellectuals into lending their names to pro American anti Communist ideas Others have suggested a more nuanced picture of the relationship between the Congress and the CIA with intellectuals sometimes resisting the CIA s bidding Very few accounts however have examined the man who held the Congress together Michael Josselson the Congress s indispensable manager and secretly a long time CIA agent This book fills that gap Using a wealth of archival research and interviews with many of the figures associated with the Congress this book sheds new light on how the Congress came into existence and functioned both as a magnet for prominent intellectuals and as a CIA operation This book will be of much interest to students of the CIA Cold War History intelligence studies US foreign policy and International Relations in general *The SAGE*

Oforika,2015-12-11 This book tells the story of the sorry state of Africa Although it acknowledges how Europe especially initiated and has surreptitiously maintained the ongoing predation on and the impoverishment of Africa its major attention is on Africas self betrayal how Africas political leaders and elites have contributed in the present predicament of Africa Beginning from the dishonourably sadistic roles some of the kings chiefs and elites of Africa played during the slave trade era to the predatory systems of governance many of their political leaders adopted after decolonisation and have maintained to date this book x rays the internal factors that are also responsible for the poverty of Africa The author argues passionately consequently that only Africa can help Africa not foreign aid or any external intervention He stresses that unless the cannibalistic system of governance in many African states are reformed and systems that can stimulate and sustain economic growth adopted the disappearance of Africa is imminent **The History of European Integration** Ivan T.

Berend,2016-05-20 The foundation of the European Union was one of the most important historical events in the second half of the 20th century In order to fully appreciate the modern state of the EU it is crucial to understand the history of European integration This accessible overview differs from other studies in its focus on the major roles played by both the United States and European multinational corporations in the development of the European Union Chronologically written and drawing on new findings from two major archives the archives of the US State Department and Archive of European Integration this book sheds crucial new light on the integration process The History of European Integration offers a major contribution to our understanding of Europe s postwar history and will be essential reading for any student of postwar European History Contemporary History European Politics and European Studies *The Routledge Handbook of the History of the Middle East Mandates* Cyrus Schayegh,Andrew Arsan,2015-06-05 The Routledge Handbook of the History of the Middle East Mandates provides an overview of the social political economic and cultural histories of the Middle East in the decades between the end of the First World War and the late 1940s when Britain and France abandoned their Mandates It also situates the history of the Mandates in their wider imperial international and global contexts incorporating them into broader narratives of the interwar decades In 27 thematically organised chapters the volume looks at various aspects of the Mandates such as The impact of the First World War and the development of a new state system The impact of the League of Nations and international governance Differing historical perspectives on the impact of the Mandates system Techniques and

practices of government The political social economic and cultural experiences of the people living in and connected to the Mandates This book provides the reader with a guide to both the history of the Middle East Mandates and their complex relation with the broader structures of imperial and international life It will be a valuable resource for all scholars of this period of Middle Eastern and world history The Worlds of George RR Martin Tom Huddleston,2024-09-24 In the many realms of modern fantasy there is only one true King and his name is George Raymond Richard Martin With A Song of Ice and Fire Martin has created a world on a scale almost unrivalled by any other single writer Approaching two million words and still evolving this genuinely epic series of novels with its deeply interlocking narratives finely crafted drama and enormous range of characters is a creation of extraordinary breadth So how did a writer best known for short stories come to craft such a gigantic sequence of novels and what is the key to their extraordinary success What sources historical literary and personal did Martin draw upon in the writing and what inspiration did they give him The Worlds of George R R Martin is an in depth bringing together of the enormous range of inspirations behind Martin s work from historical borrowings as wide ranging as the Roman empire the Wars of the Roses and the Mongol conquests to diverse literary and mythological texts and Martin s own family experience and biography **The Kurdish Question: Identity, Representation and the Struggle for Self- Determination** ,2015-07-15 The book examines several models which have been advocated for a workable and acceptable solution to the Kurdish problem which would be absolutely necessary for stability in the West Asian region The book evaluates how the more than two decade long experience of Kurdish self rule in a democratic framework in Iraqi Kurdistan affects the debate over the other Kurdish regions in West Asia With Turkey s European Union accession process contributing to the opening of the political space to ethno nationalism there is a need for a non military solution to the Kurdish issue The book analyses the role of Kurdish diaspora which plays a significant part in placing the Kurdish question on the European political agenda It also examines the role of the Kurds in the aftermath of the Arab Spring and the changing geopolitics in the region Now the Kurds maintain the strongest platform in battling against the ISIS terrorists Beyond The Bridge Tobias Hochscherf,Heidi Philipsen,2017-02-28 Drawing worldwide acclaim from critics and audiences alike programmes like The Killing Borgen The Bridge and The Legacy demonstrate widespread fascination with Danish style aesthetics and culture as seen through television narratives This book uses familiar alongside lesser known case studies of drama series to demonstrate how the particular features of Danish production from work cultures to storytelling techniques and trans national cooperation have enhanced contemporary Danish drama s appeal both at home and abroad The era of globalisation has blurred national and international television cultures and promoted regular cross fertilisation between film and television industries Important questions have emerged from this context surrounding for example the Americanisation of foreign television formats the meaning and practice behind the term quality television and the purpose and efficacy of public service broadcasting Beyond the Bridge tackles these issues in relation to Danish television by examining the so called

scaffolded production processes behind the making of quality serials and their thought provoking content Drawing on popular motifs from these celebrated dramas such as foreign politics organised crime global warming and the impact of multinational corporations this timely book provides crucial insight into the Danish dramas at the forefront of sophisticated forward thinking fictional television **Muslims in Ireland** Oliver Scharbrodt, 2015-03-20 This book combines historical sociological and ethnographic research methods to provide a rich and multi faceted study of the Muslim presence in Ireland in its historical and contemporary dimensions [The Boko Haram Reader](#) Abdulbasit Kassim, Michael Nwankpa, 2018-07-01 Since it erupted onto the world stage in 2009 people have asked what is Boko Haram and what does it stand for Is there a coherent vision or set of beliefs behind it Despite the growing literature about the group few if any attempts have been made to answer these questions even though Boko Haram is but the latest in a long line of millenarian Muslim reform groups to emerge in Northern Nigeria over the last two centuries The Boko Haram Reader offers an unprecedented collection of essential texts documents videos audio and nashids martial hymns translated into English from Hausa Arabic and Kanuri tracing the group s origins history and evolution Its editors two Nigerian scholars reveal how Boko Haram s leaders manipulate Islamic theology for the legitimisation radicalization indoctrination and dissemination of their ideas across West Africa Mandatory reading for anyone wishing to grasp the underpinnings of Boko Haram s insurgency particularly how the group strives to delegitimize its rivals and establish its beliefs as a dominant strand of Islamic thought in West Africa s religious marketplace **Decolonization and Conflict** Martin Thomas, Gareth Curless, 2017-06-15 Insurgency based irregular warfare typifies armed conflict in the post Cold War age For some years now western and other governments have struggled to contend with ideologically driven guerrilla movements religiously inspired militias and systematic targeting of civilian populations Numerous conflicts of this type are rooted in experiences of empire breakdown Yet few multi empire studies of decolonisation s violence exist Decolonization and Conflict brings together expertise on a variety of different cases to offer new perspectives on the colonial conflicts that engulfed Europe s empires after 1945 The contributors analyse multiple forms of colonial counter insurgency from the military engagement of anti colonial movements to the forced removal of civilian populations and the application of new doctrines of psychological warfare Contributors to the collection also show how insurgencies their propaganda and methods of action were inherently transnational and inter connected The resulting study is a vital contribution to our understanding of contested decolonization It emphasises the global connections at work and reveals the contemporary resonances of both anti colonial insurgencies and the means devised to counter them It is essential reading for students and scholars of empire decolonization and asymmetric warfare *Kin Majorities* Eleanor Knott, 2022-08-15 In Moldova the number of dual citizens has risen exponentially in the last decades Before annexation many saw Russia as granting citizenship to or passportizing large numbers in Crimea Both are regions with kin majorities local majorities claimed as co ethnic by external states offering citizenship among other benefits As functioning citizens of the

states in which they reside kin majorities do not need to acquire citizenship from an external state Yet many do so in high numbers *Kin Majorities* explores why these communities engage with dual citizenship and how this intersects or not with identity Analyzing data collected from ordinary people in Crimea and Moldova in 2012 and 2013 just before Russia's annexation of Crimea Eleanor Knott provides a crucial window into Russian identification in a time of calm Perhaps surprisingly the discourse and practice of Russian citizenship was largely absent in Crimea before annexation Comparing the situation in Crimea with the strong presence of Romanian citizenship in Moldova Knott explores two rarely researched cases from the ground up shedding light on why Romanian citizenship was more prevalent and popular in Moldova than Russian citizenship in Crimea and to what extent identity helps explain the difference *Kin Majorities* offers a fresh and nuanced perspective on how citizenship interacts with cross border and local identities with crucial implications for the politics of geography nation and kin states as well as broader understandings of post Soviet politics
