### **Prosperous Massage Lorette Scrimgeour:**

Prosperous Massage Lorette Scrimgeour, 2017-01-14 The material contained in this book provides a blueprint for creating a successful massage business. It is designed to be relevant to all types of body workers. The author's depth of knowledge and extensive experience offers practical information and valuable insights. Topics include site selection, clinic design and structure, equipment, tax structure, staffing, medical billing, patient processing, marketing, and more. The outlook for medical massage therapy is very good. Never in the history of the profession have more people been aware of the health benefits of massage therapy. A medical massage clinic offers a lucrative business model. It generates revenue from both accounts receivables and payments received at the time of service. The combination allows for generous and steady income flow. There are additional revenue producing avenues that a medical massage clinic may pursue as well. Understanding the intricacies of the industry will help you avoid costly mistakes as you begin your exciting venture on a solid foundation. **Los**

**Angeles Magazine**, 2003-11 Los Angeles magazine is a regional magazine of national stature. Our combination of award winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art, and architecture and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

**Prosperous Massage Practice** Linda Roisum, 2018-07-15 Getting clients doesn't have to be expensive. Believe me, I know. When I stopped spending thousands of dollars marketing my business, it tripled. When I was in massage school, I knew I wanted to write a book about marketing. It was a subject that was sorely lacking in our education. At the school, I went to especially for those who wanted to start their own practices. In fact, marketing was scarcely mentioned. As I was planning my business and developing my business plan, writing a book became part of it, and after I started my practice in 2000, I was convinced of the need for it. Clients and other massage therapists often remarked that they were impressed with the growth of my business in such a short period of time. I began to write down the things that I was doing to get the business. The result is the content you are about to read: 1. the steps I used to create my vision and my marketing plan and how you can do the same thing; 2. the marketing methods I used, why I used them, whether I would use them again; 3. pitfalls to look out for; and 4. the steps I used to reduce the amount of money I was spending on marketing efforts after the first year while increasing sales and building my business every month. This book is written both for those who are already in business but would like to start a marketing plan, as well as those who are thinking about going into business and want to start out on the right foot. This book is split into the following chapters: Chapter 1: Creating Your Vision; Chapter 2: Creating a Marketing Plan; Chapter 3: Getting Started; Chapter 4: No cost Marketing; Chapter 5: Low cost Marketing; Chapter 6: Networking; Chapter 7: Now That You Got Them, Don't Lose Them; Chapter 8: Get Out There and Talk; Chapter 9: Public Relations and Publicity; Chapter 10: Special

Events Marketing Chapter 11 Print Ads Chapter 12 Telephone Director Ads Chapter 13 Web Sites Chapter 14 Spending Little or No Money Marketing Chapter 15 Dream Big Dreams Chapter 16 Write it Down Chapter 17 Out into the Universe Chapter 18 Magnetizing Yourself Chapter 19 If I Were Starting Today What Would I Do Differently
