Breaking Soulties Part I Travail Wright, 2013-05-21 The book of Soulties is about a little girl who from the beginning of her life of entering into the world is faced with some very difficult challenges. This is the first time that God began performing miracles but it would not be the last. Thankfully she comes from a family of believers who knew how to go before the Lord and have the faith to believe that He would perform miracles but as she grew up her life began taking turns that would lead her astray until her life was plagued with some serious health issues and after being told to prepare for her funeral did she learn that this was the first time in her life that she had to go to God for herself. This book is about why the enemy tries to attack as soon as we enter into this world and how God is fighting for us to make the right decisions because he knows what He has in store for our lives. It's all about exposing the enemy and moving forward into the things of God. Proud Sister Of 2024
