James VI, Britannic Prince Alexander Courtney, 2024-06-03 By drawing upon recent scholarship original manuscript materials and previously unpublished sources this new biography presents an analytical narrative of King James VI I's life from his birth in 1566 to his accession to the throne of England and Ireland in 1603 The only son of Mary Stuart and heir apparent but not uncontested to Elizabeth I James VI of Scotland was from the moment of his birth a focal point of countervailing hopes and fears for the confessional and dynastic future of the kingdoms of the British Isles This study examines material from across the UK and beyond as well as the newly deciphered letters of Mary Queen of Scots to reveal James as a highly capable resourceful deeply provocative and ruthless political actor Analysis of James's own writings is integrated within the narrative providing fresh insights into the king's inventive tactical engagement in the politics of publicity Through a chronological approach the events of his life are linked to wider issues associated with the early modern court government religion and political and ideological conflict James VI Britannic Prince is of interest to all scholars of Scottish and British history in the late sixteenth and early seventeenth centuries The French-Canadian Idea of Confederation, 1864-1900 A. I. Silver, 1997-01-01 This new edition of *The French Canadian Idea of Confederation* originally published in 1982 includes a new preface and conclusion that reflect upon the failure of biculturalism and Quebec's continuing struggle to define its place within Canada and the world **Thought-Provoking Play: Political Philosophies in Science Fictional Videogame Spaces from Japan** Martin Roth, 2018-01-05 This book considers videogames as spaces of political philosophy Emerging from a negotiation between designers player and computer they prompt us to rethink life in common and imagine alternatives to the status quo Several case studies on science fictional videogames from Japan serve to

demonstrate this potential for thought provoking play **War, Trade and the State** David Ormrod, Gijss Rommelse, 2020 A reassessment of the Anglo Dutch wars of the second half of the seventeenth century demonstrating that the conflict was primarily about trade *Essential Readings in Canadian Constitutional Politics* Peter H. Russell, Christian Leuprecht, 2011-01-01 *Essential Readings in Canadian Constitutional Politics* introduces students scholars and practitioners to classic authors and writings on the principles of the Canadian Constitution as well as to select contemporary material To complement rather than duplicate the state of the field it deals with the Canadian Charter of Rights and Freedoms and with Canadian mega constitutional politics in passing only focusing instead on institutions federalism intergovernmental relations bilingualism and binationalism the judiciary minority rights and constitutional renewal Many of the selections reverberate well beyond Canada's borders making this volume an unrivalled resource for anyone interested in constitutional governance and democratic politics in diverse societies *Provoking Curriculum Studies* Nicholas Ng-a-Fook, Awad Ibrahim, Giuliano Reis, 2015-08-11 *Provoking Curriculum Studies* pushes forward a strong reading of the theoretical and methodological innovations taking place within curriculum studies research Addressing an important gap in contemporary curriculum studies conceptualizing scholars as poets and the potential of the poetic in education it offers a framework for doing curriculum work at the intersection of the arts social theory and curriculum studies Drawing on poetic inquiry psychoanalysis phenomenology life writing and several types of arts based research methodologies this diverse collection spotlights the intellectual genealogies of curriculum scholars such as Ted Aoki Geoffrey Milburn and Roger Simon whose provocations inquiries and recursive questioning link the writing and re writing of curriculum theory to acts of strong poetry Readers are urged to imagine alternative ways in which professors teachers and university students might not only engage with but disrupt blur and complicate curriculum theory across interdisciplinary topographies in order to seek out blind impresses those areas of knowledge that are left over unaddressed by mainstream curriculum scholarship and that instigate difficult questions about death trauma prejudice poverty colonization and more **The Story of International Relations, Part One** Jo-Anne Pemberton, 2019-09-09 This book is the first volume in a trilogy that traces the development of the academic subject of International Relations or what was often referred to in the interwar years as International Studies This first volume takes on the origins of International Relations beginning with the League of Nations and the International Studies Conference in Berlin in 1928 and tracing its development through the Paris Peace Conference the quest for cooperation in the Pacific the Institute of Pacific Relations and lessons from Copenhagen Shanghai and Manchuria This project is an impressive and exhaustive consideration of the evolution of IR and is aptly published in celebration of the discipline's centenary **A Universal and Critical Dictionary of the English Language** Joseph Emerson Worcester, 1887 **The Zulus and the British Frontiers** Thomas J.
