The Psalms: Psalms 51-100, 1948 *The Publishers' Trade List Annual*, 1982 **Psalms 90--150: a Christian Union Bible Study** Christian Union, 2022-12 Engage with the Bible in New Ways The Christian Union Bible Study series will empower you to engage with the Bible as never before These user friendly guides are more theological than a devotional yet more accessible and application oriented than a commentary Deepen Your Understanding of the Bible Proven on the campuses of Ivy League universities these studies provide a deep understanding of the Bible by exploring historical backgrounds and literary genres as well as the original Hebrew and Greek They draw from top biblical scholarship presenting it in an accessible and concise format This series is perfect for people who want to grow in their faith through in depth Scripture studies that supplement their regular Bible reading This volume dives deeply into Psalms 90-150 in 10 lessons Key Features Accessible format with each lesson divided into five distinct parts generally corresponding with Bible chapters Engaging questions for personal reflection and group discussion Workbook format with open space and lines for writing Semester friendly format of 10 lessons Perfect for use on your own or in a group **Psalms 51-100 W.** Scroggie, 2014-12-22 These studies are not written for the scholar nor to promote scholarship but for the general reader and to quicken devotion though it is hoped the scholar will find the studies stimulating Attention is called to the following features An attempt is made by the arrangement of the text to indicate to some extent the principle of parallelism so characteristic of Hebrew poetry The paragraphing is intended to show the main divisions of each Psalm and speeches within a Psalm by one or more voices are shown in italic print Superscriptions and subscriptions are preserved with here and there a word of interpretation The theory of Dr J W Thirtle has been followed throughout namely that many superscriptions should be the subscriptions to the preceding Psalms and these have been so arranged Further details will be found in the Introduction Each Psalm has a Title and at the end a Thought which is designed to fix in the mind the main lesson of the Psalm To each is added a note which relates the Psalm to some incident in Christian story The Exposition aims as far as is practicable within its limits at giving interpretative homiletical and devotional help The acrostic Psalms are shown by the Hebrew alphabet in the left hand margin The verse numbers are arranged in a straight line on the left and are not allowed to interfere with the poetic form of the Psalm All references to Deity both by name and pronoun have the initial letters in capital type and this in several places has an interpretative value It is hoped that these several features combined may help to make the reading and study of the Psalms more interesting and profitable **The Anchor Bible Psalms II 51-100**, 1968
