Multimodal Learning Alifia Maharani Saidi, S.Pd., Prof. Sofendi, M.A., Ph.D., 2024-05-06 In the world of education that continues to develop the search for effective teaching methods is never ending Technology is becoming more advanced learning media and even methods are becoming more interesting Even now offline learning uses interesting learning media namely multimodal learning According to Kress and van Leeuwen 2006 2020 multimodal learning is learning that relies on the use of various types of media and teaching tools such as visual auditory reading writing and practice Multimodal learning is one that makes use of different media learning types or what are known as semiotic modes such as kinesthetic visual and auditory Each media can be enhanced and complemented with this learning Multimodal learning is frequently used in applications with a variety of technologies including TV media YouTube Zoom PowerPoint learning apps downloaded on smartphones and other items *Critical Religious Education in Practice* Christina Easton, Angela Goodman, Andrew Wright, Angela Wright, 2019-04-08 Critical Religious Education in Practice serves as an accessible handbook to help teachers put Critical Religious Education CRE into practice The book offers straightforward guidance unpicking some of the key difficulties that teachers encounter when implementing this high profile pedagogical approach In depth explanations of CRE

pedagogy accompanied by detailed lesson plans and activities will give teachers the confidence they need to inspire debate in the classroom tackling issues as controversial as the authority of the Qur'an and the relationship between science and religion. The lesson plans and schemes of work exemplify CRE in practice and are aimed at empowering teachers to implement CRE pedagogy across their curriculum. Additional chapters cover essential issues such as differentiation, assessment, the importance of subject knowledge and tips for tackling tricky topics. The accompanying resources including PowerPoint presentations and worksheets are available via the book's companion website. Key to developing a positive classroom culture and promoting constructive attitudes towards Religious Education, this text is essential reading for all practising and future teachers of Religious Education in secondary schools.
