Crafting A Legacy: The Incredible Lives Of Asian-Pacific Hand Surgery

Pioneers Dawn Chia, Sandeep Sebastian, Raja Sabapathy, 2023-05-30 This book is a compilation of the remarkable journeys of 48 hand surgery pioneers from the Asian Pacific region. They came from diverse backgrounds, one being the 21st generation doctor in the family to another being the first ever orthopaedic surgeon of a major university. While some pioneers delved deep in the lab to push the boundaries of surgical care, others strived to make high quality hand surgery available to the masses. However, what united them all was an unwavering commitment to their patients' well-being and a willingness to go above and beyond to attain their objectives. The International Federation of Societies for Surgery of the Hand (IFSSH) celebrates the spirit of enthusiasm, sacrifice, and commitment to the cause of hand surgery by recognising these pioneers during the triennial IFSSH congress. Each biographical article in this anthology was written by someone who has closely known or collaborated with the featured pioneer. Each of these trailblazers has a story that will stir emotions and inspire others. We believe it is important to share these narratives to motivate the younger generation. By doing so, we hope to inspire them to follow in their footsteps, provide exceptional care to their patients, and collectively create a better world to live in.
